128

I inclose you a Resolve of Congress, recommending the raising Light Horse from the Spirited young Gentlemen in the different States I have shew'd it to some young Gentlemen here & find them eager for it, I have no doubt but many men would offer if the State would advertize to find their Articles I have mark'd thus, X I can assure you if great Exertions are not made that Gen Washington will be obliged to take their Safety on this Side the Susquehannah, If you would procure the States Supplying their Articles I have no doubts they would grant it, or to Supply with Cloth at the Officers at the usual Rates for their Cloaks, I am

Sir

your M. Obd Serv.

Sam Smith

Hon Rdy Gov. Johnson
