not an entire thing, one and indivisible, it was the intent that the £200, should be divided into two equal parts, and that each Legatee should receive his share, on arrival at full age the Complainant therefore is entitled to the principal sum of £100, and to another Principal sum of £150 – And here occurs the question from what period a Period Interest on these sums shall be calculated, And here the rule established by uniform decision is to govern, In no instance, has the Court of Chancery in England or this Court, since the Revolution, given interest before filing of the Bill, in the case of a suit brought against a real Trustee, appointed by deed, or Will, or a person holding on trust implied by Equity unless the Trustee hath actually received interest; and even then it is not given under the name of interest – Circumstances, as hath been said by an English Chancellor, shall excuse a Trustee from paying Interest until the principal sum is ascertained by the Court, But under the circumstances of this Case, the Chancellor thinks the general rule of charging interest from the filing of the Bill ought to prevail

It is thereupon this twenty sixth day of February seventeen hundred and Ninety four by Alexander Contee Hanson Chancellor, and by the authority of this Court, Adjudged, Ordered and Decreed, that the Defendants, Otho Holland Williams and Elie Williams, as Executors of John Stull deceased, shall Account with the Complainant Abijah Swearingen for the sum of One hundred pounds Current Money, and for the further sum of One hundred and fifty pounds Current Money which said sums have been in the hands of the said John Stull, in trust for the Complainant, that they account with him likewise for the Interest on the said sums; from the twenty seventh day of October seventeen hundred and Ninety one, that they also account with him for the personal Estate of the said John Stull, or assets in their hands, as Executors aforesaid, and that the Auditor of this Court Audit and state the Account between the parties, of the sums of Money interest thereon and assets aforesaid, and return the same to this Court, subject to the Exceptions of either party, and to be done with as the Chancellor shall think proper –

A. C. Hanson Chan^r –

And the said Cause so standing continued until May Court 1794. The Auditor made return to this Court of his Report and Account in the words following to wit –

Abijah Swearingen – against Otho H. Williams & Elie Williams Exr^s of John Stull dec^d

In Chancery – May 27th 1794 – In Obedience to the Decree

of the Honorable the Chancellor bearing date the 26th of February 1794. The Auditor begs leave to Report, that there appears to be due from the Defendants to Abijah Swearingen the Complainant two hundred and eighty eight pounds fifteen shillings including Interest thereon to this date, agreeably to the within stated Account – The Auditor further Reports that there appears a balance of Assets in the hands of the Defendants due the Estate of the late John Stull amounting to eight hundred and seventy six pounds fourteen shillings and one half penny, agreeably to certificates of Accounts passed by the Orphans Court in Washington County, but that it does not appear by said Accounts that the said Defendants have been allowed any Commission on the Estate, which came into their hands as Executors, which the Auditor presumes they are entitled to out of the aforesaid balance, as stated more fully in Account No. 2. All which is submitted, To the Honorable the Chancellor –
