a shews where the lines of pleasant meadows and the lines of Matthews clashes laid down for illustration.

H shews a bounded white oak of Shipley's adventure, —

F shews a bounded chesnut of ditto, —

E shews the beginning of the land called Equity, — which may be seen by dashed or broken lines.

NB. The reason why the whole of the land called Equity was not included in the resurvey is, because it does not lay contiguous to the original tract called Good Will, but is cut off by the clashing of the lines of the lands called pleasant Meadows & Matthews as may be seen in the platts, therefore the parties did not conceive that they had any right to include any more of the said land called Equity than what is included in the said resurvey. —
