Edward Norwood
vs
Samuel Norwood

cross Interrogatories on the part of the defendant. — 1st. Was or was you not requested to attend at a settlement of the complainant and defendants accounts as a friend and mediator and was it understood by you, that you was chosen as an arbitrator and that your decision was to be final and conclusive. — 2d. was you ever requested to assist at such settlement by any writing, or written submission of the parties. — 3d. Was there any proof produced to you of the Justice or propriety of the Complainants charges, or had you any knowledge of the Justice of such claims. — 4th. was or was there not divers omissions and errors in the statement of the said account to the injury and prejudice of the defendant, and did or did not the defendant, and did or did not the defendant prohibit you going on with the settlement of the said account, before the same were signed and declare that he would not submit to any thing you should do. — 5th. Is or is not the platt now shewn to you the original platt of the division made between the Complainant and defendant according to their present holding. — 6th. In the the estimation of the value of the said parts was there any account taken or valuation made of the land used for a ferry road thro Samuel Norwoods part, or for the expence of fencing or the reparation thereof. — and does or does not the said road occupy several acres of land on Samuel Norwoods part and require a great quantity of additional fencing and is or is not the same road a great injury to the said Samuel Norwoods farm. — 7th. Was there any agreement at the time of the said division by which either of the parties was to be deprived of the full right use and ownership of his share, — and did you or did you not understand from the parties at the time of the said division that each was to enjoy exclusively all the benefits and advantages attached to his respective share. — 8th. Is there any public road or highway leading to or from the piece or parcel of ground the use whereof was granted by the Baltimore company to the parties. — 9th. Do you know of any other matter or thing which may may be material for the defendant in this cause — if you do, state the same fully as if you was particularly interrogated thereto. — J Winchester for Deft
