Sir

The Messrs. Norwoods want an acre of ground which belongs to the Baltimore Company as a landing place for their ferry boat. Mr. Samd. Norwood tells me he spoke to you about it & that you were willing they should have it provided it was no inconvenience to the company. I cant conceive the company would suffer any injury or inconvenience by letting the ground & it would be serving the public as well as the Messrs. Norwoods. — they are willing to give 35/. sterling (Yearly rent) & to allow the Company a landing place on their wharf if ever they should want it. — It is necessary I should see you before the lease is executed. —

I am Sir your most obedient Servant
