Mr. Levi Bankard, near New Windsor, left at this office yesterday a fine double sweet potato pumpkin which is something of a vegetable curiosity. It has a single stem, but grew from two blossoms. It is double from the stem and has gracefully curved necks and bodies closely united, but of about equal proportions and well defined.

A very successful rally of the Carroll County Epworth League Union was held at Mt. Pleasant M. E. Church, at Gamber, on Saturday last, at which Mr. J. Belt Townsend presided. We have a full and interesting report of the event, but are unable to find room for it this week. It will appear in the next issue of the SENTINEL.

It is said that broom corn has advanced 100 per cent in price during the last two weeks, in consequence of a corner having been made in this year's crop. This, we are told, means an advance of 75 cents to $1 per dozen in the price of brooms in the near future and dealers are advised to buy now and save this large increase.

The grist mill belonging to Mr. Levi P. Lee, on Little Morgan run, 3½ miles southwest of this city, was destroyed by fire about half-past 9 o'clock on Friday night last. A high wind prevailed at the time causing the blaze to spread so rapidly that the building was soon a mass of flame and with its contents, consisting principally of the mill machinery, was speedily destroyed. The loss is estimated at $2,000, with insurance of $1500. The origin of the fire is not known.

Reginald, the 10-year-old son of Mr. S. C. Stoner, of this city, made a narrow escape from a fatal accident at the mill of Messrs. Roberts, Roop & Co., on West Green street, adjoining the railroad, last Friday afternoon. He attempted to ascend on the endless chain flour lifter and his hands were caught in the machinery. The fingers of the right hand were very badly lacerated and those on the left hand slightly scarred. It seems almost a miracle that his body was not drawn into the machinery and crushed. Dr. Charles R. Foutz dressed his wounds, and the ill effect of the injuries will not be permanent.

Noah C. Starner, a young resident of this county, has been committed to jail by Justice G. W. Crapster, in default of bail, to await the action of the grand jury, on a charge of forgery. The specific charge is that he forged the names of his father, Jeremiah Starner, and his mother, Sarah J. Starner, to a note for $8.50, dated January 1st, 1903, and payable to Grove A. Shipley, of this city. The father denies his signature and the mother, it is said, is unable to write her name. A civil suit was tried before Justice Wm. Moore, on Wednesday, on a note for $38, dated February 6, 1903, and payable to Wm. B. Thomas. This note is signed by Noah C. Starner and Jeremiah Starner, and the latter denies the genuineness of his signature. The note was discounted for young Starner by Mr. Thomas.

Polls Open at 8 o'clock, A. M.

We are constrained to ask the indulgence of our readers and correspondents this week for the omission of a number of communications. On account of the supreme importance of the issues pending in the election of Tuesday we have given as much space as possible to that subject, deeming it proper to devote every effort and all our energies to defeat the schemes of the Democratic oligarchy, which is seeking to curtail the rights and privileges of many citizens.

Miss Francis L. McGirr, of this city, has accepted a position in the Sadler College Baltimore.

We have a full and interesting account of the Shriver-Ripple wedding, at Waynesboro, Pa., for which we have not been able to find room this week, but which will appear next week.

Alfred Riley, who has been living with a company of gipsies encamped near Houcksville, was tried before Justice Wm. Moore this morning for assaulting Frank Miller and James Sullivan about 8 o'clock, Wednesday evening. Miller was badly hurt. His nose was broken and his face much bruised by the blows of his assailant. Justice Moore held that the assaults were entirely unprovoked, and imposed a fine of $25 in the Miller case and $10 in the other, and in addition committed Riley to jail for 30 days. The accused is a married man and has been living in gipsy fashion for some time.

Mr. Albert Jones and wife, Mrs. Margaret A. Jones and their son, Thomas P. Jones, of Mt. Airy, who have been trading as Jones & Co., in the banking business, have made a deed of trust to Mr. Joseph D. Baker [illegible]erick, for the benefit of creditors. The separate estate of Mrs. Jones is excepted from the operation of the deed. The trustee has given bond in the sum of $250,000, indicating assets of at least $125,000. The deed states that the trust is created because the firm is indebted to various persons in sums which it is unable to pay in full, but does not state the aggregate amount.

Mr. and Mrs. Wm. J. Brown, of Myers' district, have returned from their visit to the family of the late Frank P. Cover, at Andrews, N. C. Mr. Brown tells us that while there he had an oppprtunity to go to the mountain with an ox team to gather chestnuts, which are large and abundant. He presented a quantity of them to the writer who found them very fine. On the trip to the mountains he passed a team of three yoke of oxen drawing a heavy load of logs. This team, he says, was the best for heavy draft he saw in Cherokee county. Farther up the mountains he passed a sawmill where there were twelve yoke of oxen used to draw logs to the mill. The employment of oxen in this manner was something new to a Carroll countian. Mr. Brown says the building of a raiload through the mountain in that region was a wonderful piece of engineering and must be seen to give an idea of the great difficulties overcome in its construction.

On the Sunday previous a family reunion was held at the home of his parents, at which their children and a number of grandchildren were present.

Football at Western Md. College.

The football team of Western Maryland College is covering itself with glory. On Saturday last it defeated the Mt. St. Mary's College team, on the grounds in this city, by a score of 17 to 0, and on Wednesday the team of the University of Maryland, School of Medicine, by a score of 18 to 0.

In the game with Mt. St. Mary's two touchdowns were made in the first half, and the goal was kicked also, and a touchdown was made in the second half.

In the game with the University of Maryland the playing of Roberts, of Western Maryland College, was the greatest feature. It was played in two halves of 25 and 10 minutes, respectively, the last half having been cut short by approaching darkness. In the first half Roberts made two long runs, making a touchdown and kicking goal in both instances. He repeated the performance in the second half, thus bringing up the college score to 18.

A Promising Young Man.

Mr. Herbert Leister, son of Mr. Abraham Leister, of Cranberry, this county, who is a graduate of the Meredith Business College, Zanesville, Ohio, has secured a position as stenographer to the division engineer of the B. & O. R. R., at Bridgeport, Ohio. The requirements of the position were such that only a young man having a knowledge of higher mathematics would be accepted. The Meredith College had the right man for the place, in the person of Mr. Leister, who is a graduate of the Maryland State Normal School. He entered the Meredith College, January 19, 1903, and completed the accountant's course in business in three months. His duties in the position to which he has been appointed require a knowledge of shorthand, and in it he has an opportunity to learn civil engineering. This is one reason why the company wanted some one having knowledge of geometry and trigonometry. All railroad companies are seeking young men stenographers whom they can promote to higher positions, and are seeking for the best qualified men. We heartily wish Mr. Leister a successful career and all his friends and classmates rejoice in his good fortune. His brother, Benjamin Leister, is one of the professors of Meredith College. This speaks well for one of Carroll county's young men.

CITIZENS, REMEMBER?—That it was a Democratic Legislature that passed our present infamous election law—a law that has deprived hundreds of unfortunate citizens—white and black—of their right to vote. The only way to get rid of this outrage upon the people is to vote the Republican Ticket on the 3rd of November.

For the Sentinel.

An Aged Citizen Who Can't Vote.

Mr. Daniel Caltrider, one of the oldest and heaviest taxpayers of Uniontown district, is making a good record in husking corn. He is in his eighty-sixth year, and can husk one-half as much as the best man in the field, and for the entire day. We regret that he cannot vote this fall, and so does he, but his unsteady hand, of mature years, will not permit in making so many X's without getting outside of the square. Such a perplexing ballot law should be knocked out of existence by the intelligent voters next Tuesday, and one enacted that will restore to our old taxpayers their rights.

BUSINESS LOCALS.

CONFESSIONS OF A PRIEST.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by all druggists. Only 50c.

LOST.—A black cashmere shawl, between the residences of Messrs. John T. Zahn and John Bernstein. Reward if left at this office. The shawl is a relic.

The C. E. Society of Sandy Mount Church will hold a Hallow E'en social at the home of Mrs. Wm. Westaway, Saturday evening, October 31st. Plenty of fun and jokes for all. Silver offering at the door.

A LOVE LETTER.

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at all Drug Stores.

The Benevolent Aid Society of Benjamin's Reformed Church will meet at the home of Mrs. Abbie Shafer, Cranberry road, next Wednesday night. A full attendance is requested.

Fewer gallons; takes less of Devoe Lead and Zinc than mixed paints. Wears longer; twice as long as lead and oil.

SAVES TWO FROM DEATH.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and $1.00 bottles guaranteed by all druggists. Trial bottles free.

A Chafing Dish Supper will be served in the lecture room of the M. P. Church, Westminster, Thursday Evening, Nov. 5th, for benefit of the Ladies' Mite Society. A fine musical and literary program will be rendered. Silver offering.

Fewer Gallons; Wears Longer.

BROKE INTO HIS HOUSE.

S. LeQuinn of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure, 25c at all Drug Stores.

MATHERS'.

Westminster and Manches

10 REASONS WHY

We Deserve Your Trade.

1. Because on the average our prices are lower than those of other stores.

2. Because we sell only reliable goods. We will not sell "trash" at any price.

3. Because we guarantee every article we sell to be exactly as represented, and will cheerfully make an exchange or refund the money on any unsatisfactory purchase. We were the first in town to offer

"YOUR MONEY BACK IF YOU WANT IT."

4. Because we buy and sell only for cash. Cash prices are always the lowest prices. We were the first in town to do a strictly cash business.

5. Because we sell practically everything to eat, use, or wear, in our two stores.

6. Because handling so many lines means a great saving of expense. The same heat, the same light, the same clerk hire, etc., does for all. It enables us to sell on much smaller profits.

7. Because we buy direct from the largest manufacturers and dealers, getting most of our goods in original case lots, and obtaining many concessions in prices that other stores cannot get.

8. Because it is safest to deal at a successful store. There are always reasons for its success. If others have found this a good place, why should not you?

9. Because we adhere strictly to our policy to

SELL THE BEST GOODS FOR THE LEAST MONEY.

For instance, if we can afford to sell an article for 11 cents, we do not ask 15, or even 13 or 12, but 11. These little things mean a saving of many dollars to you in the course of a year.

10. Because there are a hundred other good reasons, but it would tire you to read so many.

Yours for more business,

T. W. Mather & Sons,

WESTMINSTER - AND - MANCHESTER.
