L. Martin for Complainants.

I Certify that this fifth day of April 1794 came William Davis and Mary his wife and being each of them of the society of the people called Quakers and being duly affirmed did solemnly, sincerely and truly affirm and declare that the facts and allegations in this their said Bill and each of them are just and true as there stated to the best of their knowledge and belief.

Affirmed to before me.

Know all men by these presents that we William Davis, Job Garretson and Robert Long are held and firmly bound unto Robert Walsh of Baltimore Town in the sum and just sum of two hundred pounds to be paid to the said Robert Walsh his Executors administrators or assigns to the true payment whereof we bind ourselves and every of us our and every of our heirs Executors and administrators jointly and severally for and in the whole firmly by these presents sealed with our seals and dated this fifth day of April in the year of our Lord one thousand seven hundred and ninety four. Whereas the above mentioned Robert Walsh in the name of Richard Smith his Lessee hath instituted an Ejectment in the County Court of Baltimore against William Davis in order to turn the said Davis out of possession of a lot of ground in Baltimore Town beginning on the corner of Pitt street and Bond street and running on bond street southerly one hundred and thirty two feet thence westerly parallel with Pitt street three hundred feet thence northerly parallel with Bond street to Pitt street and thence to the beginning and hath also served a notice on the said Davis as his tenant according to the provisions of the act in such cases lately made and provided. And whereas the said Davis is about to file a bill in Chancery in the name of the said William

and

and Mary his wife to obtain a Conveyance thereof, she claiming an equitable estate therein and to obtain an injunction against the said Walsh to prevent him the said Walsh from disturbing the said Davis in the possession thereof.

Now the Condition of the above obligation is such that if the said William Davis shall prosecute the said writ of injunction with effect and satisfy and pay as well all costs damages and charges that shall accrue in the said County Court or in the Chancery Court or be occasioned by the delay of his obtaining possession of the premises so claimed by the said Davis unless the Court of Chancery shall decree to the contrary and shall in all things obey such order and decree as the Chancery Court shall make in the premises, then the above obligation to be void and of none effect &c. to be in full force and virtue.

Signed sealed and delivered in presence of James Hollier.

Job Garretson (Seal)
Robt Long (Seal)

I Certify that the above securities are sufficient for the amount of the penalty to the best of my judgment both of them possessing a considerable real estate independent of other property.
