Mr Wm Haskins Exr to ye Comty Grant Letters

Honrd Sir

Calling 17th of March last it pleased God to take to himself my
Dear Father since whose death there is produced such a Will as is called his last
Will and Testament, but Lowry a great deal of Rooms he supposed of there has been
practised unfair and illegall managemt used therein, which I hope to
lay before your Honour in my Leisure time and humbly offer this as a Caveat against
the Probate of the said Will until I allegations are heard & Discussed before Your Honour
I do already enter a Caveat in ye Deputy Comty but thought it might be material
to acquaint Your Honr also — I am

Charles County April ye 2d 1718 Sir Your most humble Servt
Wm Haskins

The following Lr from Mr Anne Haskins
April ye 25th 1718

The continued Sickness I have now lain under for many weeks and my extreme
weakness

weakness and Disabled me so much that I am not able to travel my self nor more
my Bed without assistance will I hope not only excuse my personall appearance but
will procure the Extent of Your Honrs wonted Consideration to Ease my troubled heart and
unquiet and unreasonable added to my other afflictions since my dearest
Husband which by his Last Will appointed Mr Nicd Wickes Exr & Wicks Exr but he
West Sonby by other Wise has entered a Caveat against my proving the Will at the
Deputy Office so that I am denied Liberty of Administring without what reasons he offers I am
told but they I know that he does Contradict his Father on his Death Bed asserting
that he had made a Will that it was in his Chest and making my Son the
Bearer look for it in ye place where he found it and after it was found and
my dear Husband Deceased he did not stick to say that the Will was forged this
is all that I understand as alledged, now Sir my Inability being great and
Circumstances pressing for Execution of the Will for Your orders satisfaction in my
Name and Vindication of my own just Claims I have not only publicly my Son
Bearer the Will but also the Letter of Attorney to it with several Personally
to prove what they have sworn —

The cause being so plain of all the validity of the Will and of its Validity I presume it will be
fully satisfactory to Your Honr granting me Immediate Letters of Administration out
of this personall Probate of Wills that you will on the just Consideration of this premises
Office of Probatt of Wills that you will on the just Consideration of this premises
so Evident for ye right of my Claims order ye Deputy Comty Letters on proof
made before him by the Evidences to grant me Letters of Administration —

This is the what my Distressed and afflicted Condition humbly
Craves ye favour on and shows where ye justness of my Claims plead for
the ready Evidences of the Testator you will make Your Compassion
to the Desolate and Disabled and poor Widow and Orphans
that will will give the Desired Ease and Comfort to

Your afflicted humble Servt
