The "Jim Crow" law, passed by the Maryland Legislature last winter, went into effect today and on such trains of the Western Maryland Railroad as it is applicable provision has been made to comply with its requirements. This has been done by putting up a partition in one car of each local train. The law does not apply to through passenger trains, as they all run out of the State, and for a short distance through Pennsylvania, and are therefore exempt from its restrictions.

On his several farms Mr. D. H. Leister, the widely known owner and occupant of Eden Hill Farm in Hampstead district, this county, has five hundred acres of grass being converted into the finest quality of hay to be found. The crop is not only a very large one but the grass is very heavy and the yield per acre was never better. Mr. Leister also has several hundred acres in grain, including over 100 acres of rye. The yield of grain will also be very satisfactory, the heads being large and well filled.

The warehouse of Messrs. Houck & Switzer, at Hampstead, was destroyed by fire last Friday afternoon, with its contents, consisting of about 400 bushels of wheat, 400 bushels of corn, 12 or 15 tons of bran, some machinery and other articles. The destruction was complete and the loss is estimated at from $2,200 to $2,500. The building was insured for $700 and the contents for $1000, in companies represented by Mr. Charles E. Goodwin, of this city. The origin of the fire is not certainly known, but it is supposed to have been caused by a spark from a passing railroad engine.

M., will be given their mail.

The annual closing exercises at the Manual Training School for the Feeble-Minded, near Owings Mills, were held on Wednesday and were attended by about 1500 people. Exclamations of astonishment were elicited from the large audience by the entertainment given by the pupils. The performance of the pupils' band was repeatedly applauded. The leading idea in the instruction imparted seems to be to teach the pupils the use of the hands, and this is especially shown in the work of the boys who, since February, have learned to make waste paper baskets and other useful articles of wood. In this work they have been under the instruction of Mr. Everett A. Hidey, of the Manual Training Department of Westminster High School, who, during the period mentioned, has been visiting the institution every Saturday.

The decorations in the show window of the annex to Mr. Charles E. Hering's department store, this city, are attracting much attention on account of their unique and patriotic character. They are regarded as highly creditable to the skill of Mr. Morris Franklin, the decorator.

Mr. Harry Menchey, near Reese, fell from the top of a cherry tree, on Tuesday, fracturing his left arm between the elbow and wrist and dislocating his right hip. He was also severely bruised. The hip dislocation was of an unusually severe character and required very skillful surgery to reduce it. Dr. W. D. Wells gave the injured young man the necessary attention and he is doing well.

Mr. Howell B. Shriver, clerk of the Maryland Hotel at Annapolis, was operated upon for appendicitis, at the Emergency Hospital in that city, on Wednesday evening. He is a son of Mr. D. Keener Shriver, of this city.

Mr. Harry Englar, a young farmer residing near the Pipe Creek M. P. Church, while unhooking his horses from a self-binder, about noon yesterday, was kicked by one of them, just below the temple, and seriously injured. His condition this morning was rather favorable and there is a prospect of his recovery. He made a very narrow escape from instant death. Mr. Englar is a son of Mr. Wm. M. Englar, near Medford.

Rev. Reuben Kolb, a former pastor of New Windsor Circuit, M. E. Church, was partially paralyzed at the home of the present pastor, Rev. L. E. Bennett, in that place, on Wednesday evening. Mr. Kolb, who is now pastor of the Magothy and Mt. Carmel Circuit, had gone to New Windsor to take part in the funeral services of Dr. Aldridge, and was in his room at the parsonage when attacked by the disease. The attack, it is said, was only slight and is not regarded as serious by the physicians in attendance.

Judge Lewis Cash, of Double Pipe Creek, has been in a serious condition for some days from the effects of an accident sustained while running a wagon from his barn. By some means he fell under one of the hind wheels, upon which the brake was set firmly, and as the wagon was on a declivity the wheel either glided over his face and head or struck him with such force as to push his head along before it. He was rendered unconscious and has been almost continuously, since the accident, in a semi-comatose condition. At the latest report he was growing weaker and a fatal result was feared.

Mr. Jacob L. Shafer, of Pennsylvania avenue, this city, has had the house on the property purchased by him from Mr. George Stouch torn down, and its site is now occupied by the house heretofore occupied by Mr. Shafer. This building was safely removed on rollers from its old site to the new, by a force of workmen employed by Mr. Shafer. The work was accomplished without a mishap, except a slight injury to a youth whose leg was bruised by a blow from the handle of a crab which slipped its ratchet and flew back, striking him with considerable force. The proceeding was a novel one for this city and excited quite an interest among citizens who witnessed it. Mr. Shafer intends to have a fine, large dwelling, with all modern conveniences, erected on the site from which the building was removed.

An interesting habeas corpus case, involving the custody of an infant, was heard before Judge Thomas on Tuesday. The petitioner in the case was Mr. Frank Schweigart, and the defendants Mr. Esek Knight and Mrs. Cora Knight. The subject of the writ was the six-weeks-old daughter of the petitioner. The mother of the child died on the 19th ult., and she was taken to the home of her grandparents, the defendants in the case, who subsequently refused to give her up upon the ground that the petitioner was not a proper person to have her and was not able to support and educate her. The court after hearing testimony and upon the promise of Mr. and Mrs. Edward Chrest to assist the petitioner in caring for the child awarded its custody to the father. Guy W. Steele, Esq., represented the petitioner and Ivan L. Hoff, Esq., the defendants.

Apartments in the second story of the large sales stable located on the alley running from nearly opposite Court street to Green street, this city, are about to be utilized by Company H, I. M. N. G., as an armory, the present quarters of the company, in the Orndorff building, being too restricted for its use. The First Regiment Band will also have rooms with the company. It is to be said of this arrangement that, while it is the best that can be made at this time, it is not creditable to the State, which should provide better armories than rooms in a stable for its volunteer soldiery. The State has built, at great expense, a splendid armory for the Fifth Regiment in Baltimore, with money derived from taxes levied upon the people of the whole State. It would be simple justice, now, for the State to supply the means to provide suitable armories for the various companies located in country places.

For the Sentinel.

A very Pleasant Social Event.

Mr. and Mrs. Geo. P. B. Englar, of New Windsor, gave a number of their friends a real exhibition of Maryland hospitality at an "at home," from eight till eleven o'clock on Thursday evening, June 23rd. The guests of honor were Mrs. Englar's brother, Mr. Charles Edgar Nusbaum, and bride, nee Miss Shreeve, of Westminster. The color scheme of green and red was most effectively carried out in the decoration, asparagus and Crimson Rambler roses having been employed. The many beautifully gowned ladies, and the geniality of the host and hostess made it an occasion long to be remembered. Vocal music came in for a generous share of appreciation.

Refreshments were served abundantly in a most tempting manner. When the hour for departure arrrived all expressed themselves as having spent a most pleasant evening.

DEATH'S DOINGS.

David Nickey.

Mr. David Nickey, a venerable resident of the vicinity of Warfieldsburg, died at his home on the 23rd inst., at the age of 79 years, 6 months and 7 days. His wife has been dead for some time. He leaves one son and one daughter. His remains were interred in the burial ground of the German Baptist Brethren's Church, at Sams Creek.

She leaves no children, but her mother and the following brothers survive her: Mr. Howard Englar, of York, Pa., a clerk in the railway postal service; Mr. Arthur Englar, of Baltimore, and Mr. Frank Englar, an engineer on the Baltimore and Ohio Railroad. Her funeral took place yesterday, Rev. Dr. James Frazer officiating, and her remains were interred in the burial ground of the German Baptist Church at Pipe Creek.

Theodore Derr.

Mr. Theodore Derr, who had been critically ill for more than a week, died at his home on East Main street, this city, about quarter after seven o'clock last Sunday evening, in his 64th year. The immediate cause of his death was apoplexy. Mr. Derr was a native of this county, and for many years a prominent merchant in this city. He was well known all over this county, as a man who conducted his business affairs on a strictly honorable basis. The goods he sold were known to be as he represented them and purchasers relied with implicit confidence upon his word. He was a man of integrity and, though not demonstrative in manner, impressed all with whom he came in contact with the idea that it was his purpose, always, to deal with others as he would have them deal with him. After years of success in business he met with reverses, which he bore with outward fortitude and courage, and which enlisted for him the deep and sincere sympathy of the public generally.

Mr. Derr was a faithful and very useful member of the Methodist Protestant Church, of this city for nearly the third of a century, and for years connected with its official body. He was always interested in movements and enterprises for the betterment and prosperity of the town. He was a member of the Common Council at the time the improvement of the streets was undertaken, for which bonds to the amount of $25,000 were issued. He was also city treasurer at the same time and disbursed the funds expended in the enterprise, and so carefully that no question as to the accuracy of his accounts was ever raised. Many hearts, to which he had become endeared by his kindly and lovable nature, were saddened by his death. He leaves a widow, who is the daughter of Rev. Wm. A. Crouse, of this city, and the following children: Mrs. Matilda Randall, wife of Rev. Louis Randall, of Stewartstown, Pa.; Mr. Wm. F. Derr, of Baltimore, and Mr. John T. Derr, of this city; also eight or nine grandchildren. His funeral took place at the Methodist Protestant Church on Wednesday afternoon, when the pastor, Rev. L. F. Warner, and Rev. Dr. T. H. Lewis, president of Western Maryland College, paid high tributes to his worth as a citizen and his character as a professing christian. His remains were interred in Westminster Cemetery. The pall-bearers were: Messrs. F. K. Herr, M. L. Lantz, Jas. W. Lockard, T. W. Mather, Drs. J. W. Hering, and Charles Billingslea.

Dr. Louis A. Aldridge.

Dr. Louis Albert Aldridge, a retired physician, died at his home in New Windsor, very suddenly, at about seven o'clock, Monday morning. He had been in ill health for several years, but was not regarded as in immediate danger of dissolution, and was sitting in his chair on the porch at his home, reading a morning paper, when he passed away. Dr. Aldridge was in his 63rd year and was one of the best known citizens of the southern section of this county. He practiced medicine for many years over a wide extent of country about Dennings, Bloom, Long and elsewhere, and the calls upon his professional services were incessant, taxing his physical and mental powers to their utmost limit. Finally, under the long continued strain, his health became so badly impaired that he was constrained to retire.

Dr. Aldridge was a very lovable man and had scores of earnest and devoted friends, won by his kindness and tenderness of heart. His many years of usefulness in the practice of his profession, ministering to the sick and alleviating suffering will not be soon forgotten. His was a life well spent until, worn and ill from overwork, he ceased from his labors and patiently endured the burden of a disease contracted in caring for the health of others.

Dr. Aldridge became a member of the M. E. Church at New Windsor some time ago, and had been, for years, an earnest Republican, politically. He leaves a widow, who was Miss Amelia Engel, of New Windsor, but no children. Three brothers survive him—Messrs. Mark A. Aldridge, of Long; Evan and Singleton Aldridge, of Frederick county.

Funeral services were held at his late home yesterday morning. Rev. L. E. Bennett, pastor of the M. E. Church, conducted the services and the funeral discourse was delivered by Rev. A. F. Campbell, a former pastor. Rev. Dr. James Fraser, president of New Windsor College, also assisted in the services. The remains of the deceased physician were interred in the Cassell burial ground in Wakefield Valley. The pall-bearers were: Messrs. George L. Stocksdale, Philip B. Snader, Ernest E. Stouffer, George P. B. Englar, Charles Jones and Judge Wm. Y. Frizzell.

Serious Accident to a Child.

Arthur, the six-year-old son of Mr. Jacob D. Starner, of Westminster district, met with a very serious accident on Wednesday afternoon, which will leave him maimed for life, if he shall survive it. His father was operating a reaper, and the little fellow had just handed him something and moved away, but had not gotten entirely out of the track of the machine when the horses started and the reel caught and knocked him down. One of the points of the guard passed through the inner part of the left leg and penetrated the bone, and the knife cut the outer part, shaving the flesh from the muscles and exposing the tendons and ligaments for a space of four inches in length, about that distance above the ankle. The right leg was cut on the inner side to such an extent that all the tendons were exposed over a surface of four inches and the bones of the leg were crushed and fractured into many pieces. Dr. M. L. Bott was summoned and found the child's condition so serious that he decided to have Dr. Jos. T. Hering called in consultation. At first it was hoped that possibly the right leg might be saved, but later it was found necessary to amputate it and the operation was performed yesterday afternoon by Drs. Bott, Hering and Woodward, who removed the limb about six inches above the ankle.

Pleasant Valley Items.

The Union Sabbath School will hold its annual picnic on Saturday, July 30th.

Rev. James B. Stonesifer will celebrate Holy Communion Sunday morning, July 10. Preparatory services Saturday afternoon at 2.30.

Mrs. Anna Baker, of New Windsor, spent a week with her brother, Mr. Edw. M. Hahn, and family, recently.

De-Con—Gorsuch.

The many friends of Miss May M. Gorsuch, of Gamber, will be greatly surprised to learn of her marriage to Mr. Geo. H. De-Con, of Asbury Park, N. J., which took place at Long Branch, N. J., April 24th. Rev. H. J. Jelly performed the marriage ceremony. The bride is the only daughter of Dr. S. N. Gorsuch, of Gamber. The groom is the youngest son of Mr. Wm. De-Con, of Asbury Park. The happy couple have taken rooms at Stark's Hotel, Asbury Park, for the summer. Mr. and Mrs De-Con are both members of Morgan's famous choir, which sings in the Auditorium at Ocean Grove.

McCauley-Lassell.

On the Thursday evening, 16th inst., Mr. James Campbell McCauley, son of the late Lieutenant John McCauley, and Miss Julia Love Lassell, daughter of Rev. and Mrs. James T. Lassell, were united in marriage at the home of the bride's parents at Leeds, Harford county, Md., the ceremony being performed at eight o'clock by Rev. Dr. Little, President of the Maryland M. P. Conference. Owing to the recent death of the bride's brother, only the members of the two families were present.

The house was prettily decorated, and the wedding march was played by Mr. W. I. Herbert, Fawn Grove, Pa. The bride was gowned in white chiffon, with satin ribbon and Mechlin lace, and carried white cornflowers and sweet peas. Miss Marietta C. Lassell, the maid of honor, wore white chiffon with Valenciennes lace, and carried pink sweet peas.

After receiving congratulations at a wedding supper, Mr. and Mrs. McCauley left for a Northern trip. They will reside at Leeds, where they will be at home to their friends after July 5th. The bride and her parents were former residents of this county, Rev. Mr. Lassell having served on several circuits of the M. P. Church in this county.

Hirst-Babylon.

St. Michael and All Angels' Protestant Episcopal Church, Baltimore, was the scene last Wednesday week of a most beautiful wedding. The contracting parties were Miss Daisy Isabel Babylon, daughter of Mrs. Annie Bell Babylon, of North Calvert street, and of the late John W. Babylon, formerly of this city, and Mr. Arthur Roscoe Hirst, of Cambridge, Md. The ceremony was performed by Rev. John Gardner Murray, rector of the church. Promptly at 7 o'clock the choristers entered singing the bridal chorus from "Lohengrin." They were followed by the ushers—Messrs. Howard Hirst, brother of the groom; Sewell Johnson, Philip Skinner and Hazelton Joyce, all of Cambridge; Luther Eugene Mackall and John Walbach Edelen, of Baltimore. The maid of honor, Miss Nina Bowie Babylon, the bride's sister, wore a gown of pink jussi, with plaitings of liberty chiffon and garniture of pink forget-ne-nots; a hat of pink chiffon, with roses, and carried Bridesmaid roses. She was preceded by little Miss Elizabeth Hirst, the groom's niece, as flower girl, who wore a frock of white Paris mousseline and lace, with pink ribbons, and carried a basket of pink sweet peas. The bride's gown was white crepe de chine and chiffon over taffeta, a tulle veil, and she carried a shower bouquet of Bride roses and lillies-of-the-valley. She entered the church on the arm of Lieut. S. Turner Mackall, United States Army, of Fort Russell, Wy. She was met at the chancel rail by the groom and his best man, Mr. Wade Gilbert Dent, of Washington. The church was beautifully decorated with daisies by the Daughters of the King, to which the bride belongs. The wedding was followed by a reception at the bride's home to the two families and a few intimate friends, after which Mr. and Mrs. Hirst left on a trip to Atlantic city.

Company H.

Regular drills of Company H have been suspended until August 1st, when they will be resumed. Orders have been issued for the men to report on July 24th, at 9.30 P. M., for the two days' target practice, at Glenburnie, July 25th and 26th. The men are ordered to report in khaki uniforms, blue flannel shirts, leggins, black shoes, campaign hats, cartridge belts and bayonets. Co. H was the only company in the brigade which carried the blanket rolled in Baltimore during the fire service and it is quite a compliment to its judgment that the blanket roll will be used by all companies reporting at the target range, by order of Brigade Headquarters.

Orders have been received which state that the Governor of Maryland has chosen the First Regiment to represent Maryland at the maneuvers at Manassas, Va., from Sept. 5th to 10th, inclusive. In order to arrive at the camp on Sept. 4th it will be necessary for the company to leave here on the 3rd and it will return on the 12th, making ten days for which payment will be made.

Every Tuesday evening during July Capt. Smith will hold a series of schools for the non-commissioned officers and men of the company; while not compulsory upon the privates, it will be beneficial for them to attend, as the subjects treated in lectures, &c., will be directed to the problems which will be furnished at the maneuvers.

The company baseball club will play Western Maryland R. R. on the company field on July 9th.

The membership of the company at the last morning report was 50 men, leaving a vacancy of ten men to make up the full quota, which it is desired to fill before the different trips to be taken by the company.

Carrollton Items.

Since Monday last residents of the vicinity of Mr. Drechsler's big milldam have been annoyed by an unpleasant odor, which arises from the decaying carcases of a large quantity of dead fish lying along the shores of the dam. It is estimated that over a barrel of these dead fish, among which were many fine large ones, could have been picked up and the effluvia caused by their decomposition were so great that the people in the vicinity were almost driven to madness. As it is rumored that the cause of the mortality among the finny denizens of the dam is to be investigated, your correspondent withholds all comment thereon and contents himself with simply stating the circumstances without attributing it to any particular source.

Homicide Near Ridgeville.

At a cakewalk given by Wesley Dorsey, colored, near Mt. Airy Junction, a short distance from Ridgeville, Frank Taylor, colored, shot and killed Edward Bowie, colored, at 2 o'clock last Sunday morning. The cakewalk began Saturday night and was kept up after midnight. The murder was committed in Frederick county, near the line of Carroll. Taylor was arrested by Deputy Sheriff Stephen Myers, after an all day chase, on Sunday evening. He was taken to Frederick and committed to jail by Justice Eckstein. He is about 22 years old. An inquest over Bowie's remains was held at Ridgeville on Monday by Justice Frank I. Lewis, and was attended by State's Attorney Arthur D. Willard, of Frederick county. The jury rendered a verdict holding Taylor responsible for Bowie's death. It is alleged that while there had been bad feeling between the two men, there had been no fighting until Taylor, at the dance at Wesley Dorsey's house, advanced upon Bowie with a pistol in his hand. Bowie kicked the pistol out of Taylor's hand, but in the scuffle which ensued Taylor recovered the weapon and fired the fatal shots.

The remarkably fine weather last week was made good use of by the farmers and a great deal of fine hay was made. Corn, too, has made a good growth and promises a good crop in this section. By the end of the week some rye but little if any wheat will be on the shock all of which is giving our farmers plenty to do. Usually, in former years, our wheat harvesting was well over by July 4.
