his Sons whom I suppose are influenced by him and I humbly conceive that till that is returned or received into your Office can't pass my Account tho. have made all due payments and have all my Vouchers ready. I am very sure I have made a very Just Inventory of every thing belonging to the Estate but his objections are for some Slaves that was bequeathed me by my Father during Life and the Revertion to two of my Sons by a former Husband. if it be your Honours opinion that I must be charged with those two Slaves during my Life to Mr. Halls Estate which I hope is the most that can be please to direct your Deputy in what manner they must be charged whether by appraisement or by Your Honours Judgment I have herewith sent your Honour the whole Inventory; the sudden Death of Capt. Stokes prevented his Signing of it but Doct. Middlemore the other appraiser can certifie that the Inventory was finished (except Signing) before his Death if it may be received into your Office as it stands either with or without Your Honour's Judgment in relation to the above objection then I beg you'l please to send a Commission by the bearer directed to Your Deputy to pass my Account, if not then please to send Citation for Doy Hall and his Sons to shew cause before your Honour, I am very desirous to have a speedy end put to it that I may be easy and Bondsmen safe.

Your Honours favour and dispatch herein will forever oblige

Your Honours most obedient humble Servant
