a List of the Debts Sperate and Desperate at or before the Second Day of October then next Ensuing and also to make a true and just Account of his Administration at or before the Second Day of July then next Ensueing and all the rest and Residue of the said Goods and Chattles and Credits to deliver and pay unto the Person or persons Appointed by Law to receive the same as by the saide Bond lodged in the Commissary Generals Office may appear—

Your Libellant further Showeth unto Your Honours that before any Inventory was returned the said Robert Beale in the Month of September in the said Year One Thousand Seven Hundred and Thirty three died also intestate without Wife or Children and possessed of some personal Estate whereby the said Respondent and Your Libellant as Brethren and Legal Representatives of the said Robert Beale became Equally intitled to the personal Estate of the said Robert whereof he died possessed as also to the third part or Distributive share of the said Samuel Beele's Estate to which the said Robert was Entitled as aforesd.

That the said Respondent likewise took out Letters of Administration to the said Robert and on the Twenty Ninth Day of October One Thousand Seven Hundred and thirty three gave Bond in the usual form for the due Admion of the said Roberts Estate but hath never since returned any Inventory or made one Step in pursuance of the Condition of the said Bond —

That the said Respondent on the first Day of November One Thousand Seven Hundred and thirty three did return two Inventorys and Appraisements of the Goods and Effects of the said Samuel Beele amounting to the Sum of Three Thousand Six Hundred and fourty pounds One Shilling and two pence and afterwards on the first Day of July following past an Account before Yo. Honour Daniel Dulany whereby he further charged himself with the Receipt of Divers Sums of Money due to the Estate of the said Samuel Beele amounting to the Sum of One Thousand and ninety nine Pounds & Seven pence and out of the whole amounting to the Sum of Four Thousand Seven Hundred and Thirty Nine pounds One Shilling ~~and~~ he craved an allowance for payments and other charges to the amount of Four Hundred and forty Six pounds five Shillings and six pence as by the said Inventorys and Account upon Record in this Court may appear That Your Libellant being ~~equally~~ legally intitled to one third part of the said Samuel Beele's Estate as one of the three Brethren of the said Samuel Beele and also Entitled to one Moiety of another third of the said Samuel Beele's Estate as one of the two Brothers and Representatives of the said Robert Beele that is being Entitled to one Moiety or half part of the said Samuel Beele's Estate and being also Entitled to one Moiety or half part of the Estate the said Robert Beele died possessed of Your Libellant hath by frequent Letters wrote to the said Respondent and by frequent applications made by John Galloway of Ann Arundell County Your Libellants Attorney in Fact Requested the said Respondt. to come to an Account with your Libellant and to pay what shall be fairly due to Your Libellant by reason of the premises and altho as it appears by the said (Account)

Account past as aforesaid the said Respondent hath above Four Thousand Pounds in his hands belonging to the Estate of the said Samuel Beele whereof Your Libellant is intitled to one Moiety or half part and altho it is notorious that the said Samuel Beele died but little indebted and that great part thereoff is paid as by the said Acct. past by the said Respondent may appear Yet the said Respondent hath absolutely refused to come to any Account with Your Libellant or to pay any Sum of Money whatsoever to your Libellant or his said Attorney in Fact altho the said Respondt. hath been often requested to pay some part thereoff or such part thereoff as must be apparently due to your Libellant untill a final Account can be made; but unjustly and to Your Libellants great detriment and to make an unjust gain & advantage to himself of your Orators part of both the said Estates absolutely — retains the whole in his hands altho Your Libellants said Attorney many times offered to give Security to Refund in case of Debts appearing wherefore your Libellant is compelled to have Recourse to Your Honours for Justice to be done unto him in the Premises —

To the end therefore the said William Beale true and perfect Answer may make to all and singular the premises and whether he hath not been frequently applied to by Your Orators said Attorney in Fact for payment of some part of the Money due to Your Libellant and whether he hath not absolutely Refused to pay any part thereoff or why or for what reasons he hath so done whether your Orators said Attorney in Fact did not offer to give Security to Refund that he the said Respondent should pay in Case any Debts off the said Samuel Beele should appear or the said Respondent should be any prejudiced thereby that your Honours may compell the said Respondent to come to & render a fair full and Speedy Account and make a final Sentence of what shall be your Libellants distributive Share or part of both his said Brothers Estates and by such Your Sentence and decree may compell the said Respondt. to pay the same and further to order Sentence & Decree whatever other thing may be material for Your Libellants Relief in the Premises and agreeable to law Equity and good conscience May it please Your Honours to grant Yo. Honours a proper Citation or Citations against the said William to appear before Your Honours at Your Honours next Court there to make Answer to the premises and farther to abide such Sentence Order and Decree in the Premises as to Your Honours shall seem meet and Your Libellant shall pray &c.

R. Francis ff Libellt.
