the said Writing a Will in the Possession of Mr. Gideon McCauley the then Register of the Prerogative Office and that he the Deponent perfectly remembers to have then seen a Seal affixed to the said Will but that having a sight of the same again in the Month of July following the Seal was then off. And it being also proved by many of the Witnesses.....

.....whose Depositions are taken in this Cause and filed in this Court that they are well acquainted with the Hand Writing of the said John Urquhart and that they verily believe that the same Writing or last Will and Testament as well in the Body as the Signing thereof was the proper Hand Writing of the said John Urquhart And it further appearing from the Depositions of David Dick and Thomas Reeder that the said John Urquhart told them that he had sent for the aforesaid Alexander Urquhart then in Scotland to come into this Province and it also appears by the Deposition of the said David Dick that the said John Urquhart informed him that he the said John Urquhart had sent to the said Alexander to come unto him and had advised the said Alexander Urquhart to sell his Estate there and to bring his Wife into this Country and that the said Alexander did come into this Province about the first of June seventeen hundred and fifty three And it further appearing from the Deposition of Mary Lucas that she had lived in the ffamily of the said John Urquhart near two Years before his Death, And that soon after she went to live with the said John Urquhart she often heard him express a Desire that the aforesaid Alexander Urquhart should come into this Country, And that the said
