WESTMINSTER, - MARYLAND.

W. L. W. Seabrook, - Editor.

Entered at the Postoffice at Westminster, Md., as Second-class matter.

FRIDAY, NOVEMBER 11, 1904.

These are the men endorsed by the people.

A large crowd of jubilant Republicans, with the Republican Drum Corps, paraded the streets of this city between 12 and 2 o'clock, on Wednesday morning, shouting lustily over the great victory for Roosevelt and Prosperity.

Profound distrust of the Democratic leaders, by voters of that party, was probably one of the main causes of its overwhelming defeat in the election on Tuesday. The Hills and Gormans were heavy weights to carry and, after all, it is not surprising that they were thoroughly repudiated. Judge Parker was in very bad company and suffered accordingly.

One of the Advocate's roosters.

THE INDEPENDENT VOTER.

The independent voter was very much in evidence at Tuesday's election, not only in the election of Mr. Roosevelt, but in other directions also. In Massachusetts, which gives Roosevelt a plurality of 80,000 or more, Wm. L. Douglas, the shoe man and a Democrat, is elected Governor. Roosevelt carries Missouri by nearly 15,000, but Folk, Democrat, for Governor is elected by 40,000.

AFTER THE ELECTION.

A Democrat who thought Parker would be elected.

CARROLL COUNTY.

The pot of ointment contained one very small fly. Carroll county, for the first time in ten years, gives a plurality for Democratic candidates for President and Congressman. This result is partially due to spoiled ballots, but in a greater extent to other causes which need not be mentioned here. It is the one very little crumb of comfort left to Carroll county Democrats, and, in view the magnificent result all over the country, can detract very little from the jubilation of the Republicans.

The country cherishes his memory and endorses his party.

MARYLAND CONGRESSMEN.

The Maryland delegation in the 59th Congress will be equally divided, a loss of one Republican Congressman. The pluralities, by districts are, approximately, as follows:

FIRST DISTRICT.

Smith, Dem..... 500

SECOND DISTRICT.

Talbott, Dem..... 2,500

THIRD DISTRICT.

Wachter, Rep..... 2,200

FOURTH DISTRICT.

Gill, Dem..... 1,700

FIFTH DISTRICT.

Mudd, Rep..... 4,000

SIXTH DISTRICT.

Pearre, Rep..... 4,000

Inspecting the Western Md. Railroad.

Mr. L. S. Landstreet, vice-president Western Maryland Railroad; Mr. H. G. Clarke, manager, and Consulting Engineer Bogue have been on an inspection trip over the main line of the road to Cherry Run. The extension to Cumberland is completed from the point where it branches from the Western Maryland, just above Big Pool and near Cherry Run, to Milestone Point, a distance of six miles. Trains are now being run to Milestone Point for the convenience of the people living in that section.

The election returns from all over the country were announced at Republican headquaters, in the Wantz Building, on Tuesday night, and were received with shouts of jubilation by the large crowd of Republicans present to hear them.

Maryland in Doubt.

The result of Tuesday's election in Maryland is still in doubt and can only be decided by the full official returns. The Baltimore Sun's table, this morning, gives the state to Parker by a plurality of 124, while the American's table shows a plurality of 212 for Roosevelt. Inasmuch as there is a very considerable difference in the vote for electoral candidates it is extremely probable that some Parker and some Roosevelt electors have been chosen by Maryland voters. As the general result will not be affected by the vote of this State the official returns may be awaited with equanimity by both parties. Whatever they shall indicate Maryland Republicans have good reason to be proud of their part in the great battle for continued prosperity and national honor.

A party without patriotism cannot win.

WESTMINSTER

Dear Sir: Three gallons saved is $12 to $15 earned.

Mr Hanford Platt of Bridgeport, Conn, ordered 15 gallons Devoe to paint his house, and returned 3 gallons. His painter said it would take 15; a lead-and-oil painter.

Hubbell & Wade Co sold it. They say everybody has the same experience there.

The reason is, of course: they are used to poor paint.

What is poor paint? Anything not Devoe: some worse than others.

Besides, paints wear about as they cover. Double the $12 to $15.

Yours truly
