for ye peace and Government thinkes it Absolutely necessary
that Warrt of resurvey issue forth for ye Land and Connecon issued
for that purpose to ye Queens Surveyor for Calvert Cty
And that make returne thereof at ye next Provincial
Court to be holden for this province and thereupon the Cause
is continued till ye next Prov: Court

At which Court to wit the 15th day of October Anno Dm
1702 Came ye Pltfs by ye Attorney aforesd And the Survey
made returned of his warrt in these words Viz:

Calvert County } To the Honourable the Judiciary of ye Prov: Court

By Virtue of a Warrt of resurvey which issued from ye Court
dated ye 13 day of June last past Commanding a Resurvey to be
made upon a parcell of Land containing 450 Acres called ye
Mary Greenwood lying in Calvert County on ye East side of
Patuxent River in ye branches of Hunting Creeke in ye Woods on
which is supposed a Patent to be granted whereupon an
Action of Ejectment was brought & for ye better Obtaining
ye bounds of ye Land it was Ordered that ye Land should
be resurveyd in ye presence of ye Pltff of ye said County and
According to ye pretendsion of Thomas Greenfield the Plaintiff
in ye said Action and the Gent: Henry Ex Defdt by being
summoned to be present and also any of ye Adjacent Land-
to be resurveyd for ye better discovery and illustracon of ye
bounds thereof.

We Edward Howard Humbly Certifye that I Edward Baker
the Queens Surveyor of Calvert County have in presence of ye Pltff
& ye said County Resurveyd and laid out a certaine Parcell
of Land called Brothers discovery lyeing in ye said County
& According to ye order & direcion of the said Thomas
Greenfield Beginning at a Southwest bounded red Oak

of Coxes upper Survey called the Resurvey and running westly ye
said North Eighty three degrees Eighty one hundred fifty nine perches
to his South East bounded White Oaks of ye said Plantation
instead of a Southerly course to ye bounded hickory of Coxes Lower
Survey for ye length of one hundred and twenty Perches was allow
South 25 degrees Westerly one hundred seventy one perches
to ye bounded poplar of ye said Coxes lower Survey then Southwest
one hundred perches then North fifty perches then west one
hundred & fifty perches then to the North two hundred and
fifty perches then East by Northout hundred and twenty instead of
three hundred and twenty perches to ye North by
West line of ye said Coxes upper Survey then instead of South by
one hundred and fifty perches to ye first bound was allowed Southerly
by East one hundred and Eighteen perches to ye first bounding
tree containing three hundred Fifty two Perches more or less
The said Brothers discovery being Resurveyd According to ye pre-
tension of ye Defendant and as followeth Beginning at ye
bounded red Oake of Coxes upper Survey and running westly ye
said North Eighty three degrees East one hundred fifty nine
perches to ye South East bounded White Oaks of the said land
then instead of a Southerly course to ye bounded hickory of Coxes
Lower Survey for ye length of one hundred and twenty perches was allowed
South twenty four degrees westerly one hundred Eighty seven perches
to ye North west bounded Chinnutt of ye said Coxes lower Survey
then with ye said Coxes land South west instead of one hundred
and twenty two perches to ye first bounded and four perches to the
Land ye Northwest line of a peece of land formerly laid out for the
Knap by ye West line of a peece of land formerly laid out for
and called Wells for length one hundred and Fifty perches then
instead ye said formerly laid out for and Wm. Stacey then North
with ye said Surveyor land one hundred and twenty perches
to his North East bounds then with a certaine North
land
