adjacent lands to be surveyed for the better discovery & illustration of the bounds
of the said 450 acres of land &c

These are therefore then to certify that I Edward Dalton
the Queens Surveyor of the said County have in the presence of the Head of
the said County surveyed & laid out a certain peece of land called
Beech Discovery lying in the said County to be according to the Order & direction
of the said Court & men upon field beginning at the South & West bounded oak
of the said Thomas Green field & running with the said land North Eighty
Degrees East one hundred & fifty nine pickes to the South East bounded white
oak of the said land then inclined to a South Easterly course to the bounded Discovery
of Cocks lower Survey for the length of one hundred & twenty pickes was a course
Southerly fifty degrees Westerly one hundred Eighty seven pickes to the North East
bounded white oak of the said Cocks lower Survey then with the said Cocks land
South West inclined of one hundred pickes was a line one hundred & fourty pickes
(as the Order & Will) & with the said Knapps line North fifty one pickes to the
North East bounded then West with the road line of the said Knapp to the West
line of a peece of land formerly laid out for one Richard Wooten & the long lay of
one hundred & twenty pickes till it intersected the land formerly laid out for one
Goldstein Stacey then North with the said Stacey's land one hundred & twenty pickes to the
North East bounds then with a continued North line one hundred & twenty pickes

(then East

then East North two hundred & seventy two & three hundred & sixty pickes till it
intersected the land of Cocks upper Survey called the Reserve then with the said land
South West East two hundred & twenty pickes to the South East bounded oak & North
Eighty pickes then a line more or less &c

The platt of the land of Thomas Hobbs Gent Cocks upper Survey called the Reserve
& Cocks lower Survey called Cocks Freehold were laid down according to the order &
direction of the said Court & the platt of the Survey Greenwood according to the Order & Direction
of the Commissioners

Edward Dalton Surv: of Talbot County

The Resurvey of the land called Beech Discovery
as in the above Certificate mentioned according to the same & plots so of the platts were
made in the presence of

Geo: Parrott Clk of Talbot County

Which said Certificate of Resurvey being then in Court read & filed the
day of May last mencon'd came the said plaintiffs by their Attorney aforesaid & the said
Henry Cocks the Defendt being then present in Court & with that he cannot gainsay the
Trespass aforesaid but acknowledgeth himself to be guilty whereupon it is considered by
the Justices that the same day & year last mencon'd that the plaintiffs recover
against the said Defendt their damage occasioned by the Trespass aforesaid together with
pounds of Tobacco for Costs of Suite to the said Defendt
to remain in mercy &c

Afterwards to wit the same day of May last mencon'd came
again the said parties by their Attorneys aforesaid & to this to wit the said Defendt Henry Cocks
as the said Henry Cocks being present in Court thereupon prayed this Court to assign
Arbitrators & Commissioners therein in this Cause to ascertain the bounds of the said land in
Question & that upon the return of such Arbitrators their report or award in the
premises the said the said plaintiffs do consent & are willing to be & stand & abide
to the judgmt of this Court in the premises & it is therefore by the said Court ordered that
Thomas Smithson Esq & Wm Conway Gent be & are appointed Arbitrators in the
premises who are by the Court assigned to ascertain the bounds of the said land in
Question between the said parties who are required by this Court to make their award
by way of report to the Court in Court at Easter

And afterwards at Saturday to wit the day of May last
mencon'd came as well the said plaintiffs by their Attorney aforesaid as the said Arbitrators to the
report to this Court under their hands as follows

Thomas Greenwood Esq Surv: pursuant to an Order of this Court endorsed on this Cause &
Henry Cocks Defendt — Surveyed of both parties that the bounds of the land in
