To the Hono. the Judges of the Provinciall Court

Philip Lynch and James Cullen being appointed by the Judges of the Provinciall Court of the Province of Maryland to Audite state and Examine the Accompts of John Walls to James Mills for sure goods and Merchandizes as the said James against the said Walls in the said Provinciall Court declared, and by vertue of a Comission from the said Court was leave Audited state and Examined the said Accompts soe farr as they came to our sight or knowledge the doe find that the said John Walls ought to render an Accompt in ffebruary 1682 and deliver to the said Mills the full value of one hundred pounds one shilling and five pound sterling the produce of the Accompt in Barbadoes Wee have further Considered and in our Conscience verily believe that there may be allowed to the said Milly the summe of seaventy one pound twelve shillings and eleaven pence sterling for the damages the said Mills suffered for want of the 4 returned of the goods and Merchandizes aforesaid which wee doe hereby render our hands and seales certify to the Hono. the Judges of the Court aforesaid this fourth day of March 1684 In the Twelfth yeare of the Dominion of the K. Hono. the Lord Prop.ry of the Province of Maryland &c.

philip Lynch (seal)
James Cullen (seal)

The Accompt of John Walls made at the house of Mr. philip Lynch at the City of S. Marys the 3d day of March 1684 before the said philip Lynch and James Cullen Gent. Auditors assigned by the Justices of the Provinciall Court of the K. Hono. the Lord Propry to heare the Accompt of the said John Walls for the time he was Receiver of the goods and Merchandizes of the said James Mills to the profitt of them the said John Walls Thomas Pembertan and James Mills (that is to say) from the day of anno Dni 168 untill the day of 168.

Imp.s The said John sayth that as to 3 horses of the aforesaid twenty two horses Received he ought thereof to be discharged because he saith that after the time of Receiving the same and before the Arrivall of him the said Walls at the Barbadoes they dyed at sea and prayed allowance for the same

2.dly And the said John sayth that as to the 1/3 tunn of Tayto the said John Walls sayth he thereof also ought to be discharged for that he sayth he the said John delivered the same to William Pritchey of Barbadoes the said Mills factor and Correspondent to sell and dispose of to their best profit aforesaid but they was Rotten unmerchantable and not wayes fit for use for that he Refused the same not being able to bring them upon Severall of them fell in petted at the Returne and what way soever upon severall of them fell in petted at the Returne and what way soever the said Mills at returne would not receive them And the said John prayed allowance for them —
