Memorandum that upon the sixth day of July in the yeare of our Lord 1683 James Edward Mann Gent. did according to the act of Assembly in Court by Robert Carvile his Attorney exhibit to the Court his reasons in that behalfe made and provided against the County Court of Talbot County in a appealing from the judgment of the County Court of Talbot County in a suit depending between Margett Taylor pltt and the said Edward Mann Deft to bring follow in these words —

1. First the said Edward Mann says that in the Record and in the Judgment of the said County Court of Talbot County there is manifestly erred in that that the judgment against the Deft upon a bill obligatory was given against the said Complainant Taylor upon a bill for payment of 3500 of

Tobacco and Cask awarded him to pay unto the said Complainant the said sume of 3500 of Tobacco with Cask of suite and if does not appeare by the Record of the said County Court that the said Edward Mann was legally summoned to answer unto the said action or that he did appear by himselfe or his Attorney appeare to the said action for that the said Deft was condemned in the debt and cost aforesaid without being heard which is against law and manifestly erroneous and for that reason the said Deft prays the said Judgment may be retersed and nullified and that the said Deft may have restored and made good to the said Deft all his losses and dammages by occasion of the premisses sustained and lost to all things which thereby he hath lost may be restored —

And the said Margett Taylor by Christian Hildyn his Attorney saith and demurreth the Court and injury when &c. and prayeth liberty to imparle thereon to trial till the next provinciall Court and it is granted unto him the said day is given to the pltt also —

Now here at this day to wit the second day of March in the twelfth year of the dominion of Charles &c. Anno Dni 1684 came the said parties by their Attorneys aforesaid and the said Margett Taylor by his said Attorney saith for plea that there is no sume of record as above mentioned to be brought in to Court and the said parties by their said Attorneys having by mutuall consent referred themselves to the judgment of the Court in all & every the aforesaid premisses and the Justices here having fully heard and understood the said in every part it is by the said Justices considered that the said Record produced as aforesaid under the hand and seale of the Clerke of the said County Court and seale of the said County Court to be a true transcript of the proceedings in the said County Court of and upon the premisses and also it is considered that the Reason given by the said Edward Mann as aforesaid is sufficient to reverse and annull the said Judgment given in the said County Court and that the said Edward Mann to all things which thereby he hath lost may be restored and it is further considered by the Court here that the said Edward Mann Recover against the said Margett Taylor the sume of pounds of Tobacco for his cost of suite in this behalfe expended and the Deft in Mercy &c.
