Destruction by Mount Vesuvius.

For ten days or longer Mt. Vesuvius has been in eruption and during the past week has caused immense destruction of property and the loss of many lives.

Streams of molten lava have poured down the sides of the mountain overwhelming and destroying towns and villages. One town containing 10,000 inhabitants has been wiped out completely. Great masses of cinders and ashes have been thrown out of the volcano and carried over the adjacent country. The city of Naples has been threatened with the fate of Pompeii, the rain of ashes upon it having been incessant and heavy. In one case the roof of a market in the city was crushed by the weight of this debris from the volcano, and numbers of people were killed in the ruins.

The discharge of lava has ceased, but the emission of cinders and ashes still continues and some apprehension is still felt in Naples concerning the outcome of the eruption on that city.

It is estimated that about 1000 lives have been lost by the catastrophe, and 100,000 people have been made homeless.

State Encampment, G. A. R.

At the annual encampment of the Department of Maryland, G. A. R., held at Wilson Post Hall, Baltimore, officers for the ensuing year were elected on Tuesday as follows:

Commander—Col. George Prechtel, of Goshall Post No. 39, (Glyndon.)

Senior Vice Commander—John T. Holmes, Dushane Post No. 3, (Baltimore).

Junior Vice Commander—Cyrus Sears, Naval Veteran Post No. 76, (Baltimore).

Medical Director—Dr. G. Lane Taneyhill, Wilson Post No. 1, (Baltimore).

Chaplain—Rev. J. Wynne Jones, Wilson Post No. 1, (Baltimore.

Department Commander Prechtel appointed the following officers: Assistant adjutant general, John C. Erdman, Dushane Post; assistant quartermaster general, John A. Thompson. The newly elected officers were installed by Past Department Commander George W. Johnson.

Mr. W. S. Drach, of New Windsor, is an alternate to the National Encampment.

GRAND LODGE, K. OF P.

At the meeting of the Maryland Grand Lodge, Knights of Pythias, held in Pythian Castle, Baltimore, this week, all the lodges in this county were represented. The representatives of all the lodges in the State were welcomed by Mayor Timanus, who recently became a member of the order. The mayor was escorted to the Castle by a committee, of which Past Chancellor Denton Gehr, of this city, was a member. Reports by the various officers indicate that the order is in a more flourishing condition in the State than ever before, the increase in membership during the year 1905 having been about 2,500.

Officers were elected at the first session, Tuesday afternoon, as follows: Grand Chancellor, Richard Laws Lee; Grand Vice Chancellor, William F. King; Grand Prelate, Olin Bryan; Grand Keeper of Records and Seals, James Whitehouse; Grand Master of Exchequer, Louis Reitz.

Commander-in-Chief Tanner, of the Grand Army of the Republic, has issued his annual address to all G. A. R. posts regarding the exercises to be conducted on May 30 (Memorial Day), to commemorate the memory of the federal soldier dead.

MD. ANNUAL CONFERENCE, METHODIST PROTESTANT CHURCH.

The sessions of this conference, which met last week in Baltimore and adjourned on Tuesday evening, were filled with interesting discussions in relation to church affairs and much important business was transacted of which it is impossible to give even a summary in a weekly paper. Rev. Dr. F. T. Little was re-elected president of the conference. Rev. W. S. Phillips was elected secretary and Revs. J. H. S. Ewell and J. H. Straughn assistants.

The effort to raise the endowment fund of Western Maryland College to $50,000, received a new impetus by the election of Rev. Avery Donovan, of Snow Hill, as endowment secretary. The fund now amounts to $20,000. President Lewis stated on the floor of the conference that during the last 20 years over $220,000 has been expended on permanent improvements at the college.

Conference assessed the sum of $4,500 on the churches included in its boundaries for the superannuated fund.

The committee on the Church Home, located in this city, and of the board of managers of which Mrs. E. O. Grimes is chairman, recommended that the second Thursday of November, in each year, be made "Donation Day" for that institution, and the recommendation was adopted.

At the closing session President Little announced the appointments for the ensuing year, as follows:

RECLAMATION OF DRUNKARDS.

(From the *Baltimore American*, April 4th.)

To the Editor of The American: "An attempt to repeal the law of 1894 with reference to the inebriate act signally failed at the late session of the legislature, and, though strenuous efforts were made to exempt Baltimore city and Baltimore county from the operation of the law, the act stands as it has for 12 years, or, since the late Philip Avirett succeeded in placing it on the statute books. At no time was it contended that the law was not a good one, or that it had not done much for the unfortunates who had availed themselves of the opportunity to be cured of their habits and become productive and useful citizens. It was a more sordid plea that was availed of. It was claimed that the act was unduly expensive and a burden to the taxpayers.

In fact, however, experience has taught that there have been distinctive gains through the reclamation of many drunkards, who have become productive and are no longer a menace to the state. At the Springer Sanitarium at Towson, the only institution in the state where it is claimed to restore drunkards to permanent sobriety, in the past three years about 60 patients have been committed under the law, and of this number at least 85 per cent. have been permanently restored.

The law provides that any man who honestly desires to be cured can be committed under any of the Circuit Courts in the city or counties and there treated carefully and logically by skilled physicians under the Springer method, which has been signally demonstrated to be successful. Every safeguard has been thrown around the law so that no unworthy applicant can be treated, and not until the city solicitor and the judge in the court examines into the matter can a man take the step which means so much to himself, to his family and the community at large.

The Springer Sanitarium is gaining a widespread reputation for its successful reformation of persons addicted to the use of intoxicants and drugs.—[EDITOR SENTINEL.]

On Sunday night, while Mr. Claude L. Leppo was returning to his home he saw a man enter into a certain farmer's wagon shed with a bag on his arm. No doubt his object was to get corn to feed his stock. Mr. Leppo has some suspicion as to who the man may be. The thief had better be on the lookout or he will be captured at this act.

This wonderful story begins publication exclusively in "The Philadelphia Sunday Press," April 22nd. On this day "The Sunday Press" will also give away, absolutely free, a fine art supplement picture, size 14x21 inches, entitled "The Masqueraders," printed separately in six colors on heavy paper. Be sure and get "The Sunday Press" on April 22d, and each Sunday thereafter, to read this great romance. "THE PRINCE OF INDIA" AT THE ACADEMY OF MUSIC, BALTIMORE.

Chicago has been shouting paeans of praise for the past two months over Klaw & Erlanger's remarkable production of "the Prince of India," dramatized by J. I. C. Clarke from the book of Gen. Lew Wallace, author of "Ben Hur," and which opens a two weeks' engagement at the Academy of Music, Baltimore, on Monday, April 16th. If possible, the "Prince of India" has far outstripped "Ben Hur," both in dramatic achievement and scenic splendor. The importance of this event is such that the railroads centering in Baltimore are straining some points encouraging visitors to the Oriole City in consequence of the engagement. Those locally anticipating the trip may secure seat reservations and other information regarding round trip rates to Baltimore from here on application to local railway Ticket Agents.

The Westminster FERTILIZER CO.

On the 3rd of February last the well known Fertilizer business of Chas. Schaeffer passed into possession of the Westminster Fertilizer Company, an organization incorporated that day under the General Laws of the State of Maryland. This company is composed of citizens of this county, all of whom are more or less well known. The business of the new company will not only be conducted upon the same general and conservative methods carried on by its predecessor, but special care will be taken in securing pure material for its patrons. The celebrated brands of

BIG GUN, GOVERNOR,
LEADER AND
SUPER A.,

made by Mr Schaeffer and before him by the H. S. Roberts Co., will still be continued, and the same care exercised in their mixing will be carried out, so that practically the only change is in that of the name of the firm.

The company is now prepared to meet the wants of any of its old or prospective patrons, whether in the line of

MIXED BRANDS or MATERIAL in BULK,

and at the very lowest prices to be had in the county for the same quality of goods.

Particular attention paid to the mixing of

PRIVATE OR SPECIAL FORMULAS.

A full line of the celebrated
ASHLAND STOCK and POULTRY FOOD
kept in stock.

THE WESTMINSTER FERTILIZER CO.,
