That the said Ellis T. Jenkins has been unheard from for about sixteen (16) years, and for more than seven (7) years last past, and during all of said which time, the said Wiley W. D. 1888, yet inquiry has been made for said Absentee.

That Kansas City, Kansas, is the place, and that the —— day of —— A. D. 1889, is the time when the said Ellis T. Jenkins was last heard from, and has been absent ever since said time.

That the said petitioner has made diligent inquiry among his brothers, sisters, friends and neighbors in the neighborhood where the said Ellis T. Jenkins resided before he left Freedom district, Carroll county, Maryland, and that letters have been written to the place where said Absentee might have gone, or have been since his absence, or might have been since his said absence, and other enquiries made of him, and no information has been received from said Absentee by any of these means, since said absence as aforesaid.

That said petitioner believes his said brother the said Ellis T. Jenkins, said Absentee, to be dead.

That said Absentee if not now living. He has left surviving him the following brothers, sisters and niece, his next of kin, and only heirs at law, viz.; a brother, Wiley W. Jenkins; a brother, Ernest H Jenkins; a sister, Emma Stambaugh; a brother, Albert V. Jenkins; a brother, Hiram A. Jenkins; a brother, Grant Jenkins; a sister, Mamie Condon; and Jetta Lucy Jenkins, only surviving daughter of Octavius Jenkins, deceased.

And in his prayer to said petition, prays the Court to pass an Order of Publication thereon, giving notice to the said Ellis T. Jenkins, said Absentee, to be and appear in said Court, on or before a certain day to be therein named, and show cause if any he has, why he should not be declared by an order of said Court, dead. And that Letters of Administration be granted upon his estate, to an Administrator, and collect his property according to law, and distribute the same according to law among his next of kin, and heirs at law, &c.

And for such other and further relief as his case in the premises may require, &c.

That said petition is accompanied with an affidavit thereon by said petitioner, stating that the matters, facts and things set forth in said petition are true as therein stated to the best of his knowledge and belief.

It is thereupon, this 29th day of March, in the year Nineteen Hundred and Six, ordered by the Orphans' Court of Carroll County, Maryland, that the petitioner, by causing a copy of this order to be inserted in some newspaper published in Carroll county, once in each of four successive times before the 23rd day of April, A. The said Police Justice so selected shall be required to try and determine all violations of the criminal laws of the State and ordinances of the City of Westminster which may arise in said Election District Number Seven within the jurisdiction possessed by Justices of the Peace, subject, however, to the same right of election to be tried by jury, notice of which must be clearly given by said justice to the party before beginning trial, and subject to the same right of appeal as now or may hereafter exist under the general law; provided, however, that nothing contained in this act shall deprive the said Police Justice of jurisdiction to try criminal cases which arise in any other district of said county, if the same shall be properly brought before him.

Section 59 B.—The said police justice shall receive as compensation for his services the sum of Three Hundred Dollars per year, or the proportionate part thereof, so loug as he shall continue to act as such police justice in said district; said salary to be paid by the County Commissioners of Carroll County in equal quarterly installments, and shall be in full compensation for all services required of him under this Act; and no Justice of the Peace so selected for Police Justice shall be permitted to charge any fee or receive a gratuity for issuing any warrants, taking any recognizance, making any commitment, granting any release, or for the performance of any duty required by law in criminal cases, except for issuing peace warrants.

Section 59 C.—That if any Justice of the Peace so selected as a Police Justice is unable by reason of sickness, absence, relationship or for any other temporary cause whatever to attend to his duties as such police justice, it shall be the duty of the State's Attorney for said county to designate and require another Justice of the Peace to perform the duties of said Police Justice so sick, absent or otherwise unable to perform the duties of his said office so long as the same may be necessary, or until the resident Judge of the Circuit Court for Carroll County shall select another to perform said duties; and the said State's Attorney shall forthwith certify the selection he may make to the said Judge of the Circuit Court of Carroll County. The justice so required to perform the duties of Police Justice shall receive the same compensation hereby prescribed for the Police Justice, which shall be paid to him by the said County Commissioners, who shall deduct the same from the salary of the Police Justice for whom he was serving.

Section 59 D.—It shall be lawful for any Justice of the Peace for said Election District Number Seven, when the Police Justice is not accessible, to issue a warrant for the arrest of any persons violating any of the laws of this State, or any ordinance of the City of Westminster, but such warrant shall be made returnable before the Police Justice (except in bastardy cases), and not before the justice issuing the same, the said Police Justice (except in bastardy cases), being alone authorized to try criminal cases in said Election District Number Seven; and when said writ is so issued and returned, the said justice so issuing the same shall be allowed the fee therefore fixed by law, which fee shall be taxed in the costs of the case and paid by Carroll County, unless the same be adjudged against the party arrested and paid by him.

Section 59 E.—That whenever any person shall be arrested upon any criminal charge, or for the violation of any law of this State or ordinance of the City of Westminster upon warrant issued by the Police Justice or any other justice of Election District Number Seven (except in bastardy cases), it shall be the duty of the officer making such arrest to take the person so arrested before the Police Justice selected under this Act; and if any arrest is made in Election District Number Seven without warrant, it shall be the duty of the officer or person making such arrest to take the person arrested before the aforesaid Police Justice.

Section 59 F.—That every Justice of the Peace selected under this Act as Police Justice shall file with the County Commissioners of Carroll County, on the first Monday of the months of April, July, October and November of every year an account verified by his oath or affirmation, of all fines, forfeitures and penalties imposed by him under the laws of this State, or under any ordinance of the City of Westminster, which said accounts shall show the names of the parties, the fines and penalties imposed, together with the amount of costs, and to whom the said costs were due; and the said Police Justice shall at the time of filing said account pay over to the said County Commissioners the amount of all fines, penalties, forfeitures, justices and State's witnesses' costs so received by him, except the fines and costs for violation of the ordinances of the City of Westminster, which shall be paid by him to the parties entitled to receive the same. Any failure to file said account as above required shall be cause for removal by the resident Judge of the Circuit Court for said county and the selection of another Justice of the Peace to act as Police Justice in his place; and if said Police Justice shall fail to pay over to said County Commissioners all of said fines, penalties, forfeitures and costs collected by him at the time of or before the filing of said account, he shall be deemed a defaulter, and shall be proceeded against and punished in the manner prescribed by the Code of Public General Laws of this State in relation to "Defaulters."

Section 59 G.—That the Justice of the Peace so selected as Police Justice may be changed from time to time by the resident Judge of the Circuit Court of Carroll County at his discretion, and any other Justice of the Peace of said Seventh Election District may be selected by him to perform the duties of the said Police Justice, in case of his removal, death or resignation from office.

Section 2.—And be it enacted that all acts, general or local, inconsistent herewith (except the provisions of Article 12 of the Code of Public General Laws, title "Bastardy and Fornication"), are hereby repealed in so far as they may conflict with this Act.

Section 3.—And be it enacted that this Act shall take effect from the date of its passage.

SPRING.

The winter's cold has passed away,
The bleak north winds lie still,
The snow has melted day by day
From valley, plain and hill.

Down in the vale the violet grows,
The cowslip on the hill:
Though March's winds do rage and blow,
These loney nooks are still.

The autumn leaves to dust have gone—
The ones so brown and sere;
But Robin sings his joyous song,
For spring, sweet spring is here.

Songs in the Night.

God * * giveth songs in the night. Any man can sing in the day. When the cup is full, man draws inspiration from it. When wealth rolls in abundance around him, any man can praise the God who gives a plenteous harvest, or sends home a loaded argosy.

It is easy to sing when we can read notes by daylight; but he is skilful who sings when there is not a ray of light to read by—who sings from his heart. No man can make a song in the night of himself; he may attempt it, but he will find that a song in the night must be divinely inspired. * * No, it is not in man's power to sing when all is adverse, unless an altar-coal shall touch his lip. * Then, since our Maker gives 'songs in the night,' let us wait upon Him for the music.

O Thou Chief Musician, let us not remain songless because affliction is upon us, but tune Thou our lips to the melody of thanksgiving.—C. H. Spurgeon.

Simple Medicines.

Watercress is an excellent blood purifier. Lettuce has a soothing effect on the nerves, and is excellent for sufferers from insomnia. Tomatoes are good for a torpid liver, but should be avoided by gouty people. Celery is a nerve tonic; onions are also a tonic for the nerves. Spinach has great aperient qualities, and is far better than medicine for sufferers from constipation. Parsnips possess the same virtues as sarsaparilla. Apples, carrots, and Brazil nuts are excellent for sufferers from constipation. Asparagus stimulates the kidneys.

The Chinese Census.

In China an odd way of taking the census prevails. The cities and towns are arranged in groups of 10 houses. The oldest man in each group visits the nine houses which, with his own, make up the group, counts the members of every family and sends his report to the Imperial Census Bureau.

Tommy—'When I grow up I ain't never goin' ter have ter wash me face.'

Johnny—'Aw, g'on! How kin yer help it?'

Tommy—'I'm a goin' ter grow whiskers all over it.'

Jonny—'Aw, dat'll be worse. Den ye'll have to comb knots out of yer face.'—*Philadelphia Press.*
