$60 REWARD; or FOR SALE.

RANAWAY from the subscriber, in Nanjemoy, about the 3rd week in September last, Negro Woman Priss, calling herself

PRISCILLA BOWIE,

about 35 years old; of dark chesnut colour; shews, when talking, a fine set of teeth in front, and a good deal of the white of her eyes: vissage oval and rather thin; very erect when standing, or walking at a moderate gait; stout and about 5 feet 6 or 7 inches high. If apprehended out of the county and delivered to me, at home, near Port Tobacco, free of all other expense or charge, I will give the above reward. If taken in the county and delivered to me as above, I will give $30. If committed to jail I will give the legal reward prescribed by the last act of the General Assembly of Maryland in relation to runaway slaves. I believe the above Negress is quite sound; she is more than usually capable; an experienced cook and dairy woman—also a pretty good laundress and needle woman.

FRED. S. BROWN,
Port Tobacco, Charles Co., Md.

$300 REWARD.

THE above reward will be paid for the apprehension and delivery to me of

NEGRO MAN NACE.

Said negro is five feet eight inches high; stout built; very black; good teeth, and full suit of hair. He is somewhat a grum looking fellow, and speaks slowly. I think he has a "pass" and may attempt to get out of the State. He was recently bought of James R. Thomas, near Chaptico, St. Mary's County, Md. JOHN G. CAMPBELL,

LAND, NEGROES, &c., FOR SALE.

I WOULD sell at Private Sale, on a liberal credit, the FARM on which I reside, known as "ST. JOHN'S," containing 481 acres, more or less; also, my FARM called "FEDERAL GROVE," containing 366 acres, more or less. St. John's is located within 2½ or 2¾ miles of Port Tobacco, the Metropolis of the county; abounds in springs of the purest water in unusual abundance, and has always been distinguished for its healthiness, and particularly for its exemption from attacks from ague and bilious fever. There are upon St. John's

a Dwelling House, Office, Kitchen, Store House, Meat House, Bath House, Well House and Dairy, Pantry, 4 Quarters for servants, (with several tenant houses), a large Barn, Stable, Corn House, Cow House with Granaries attached to Barn and Cow House, two Ice Houses, a Grist and Saw Mill (overshots each) on never failing streams supplied by springs on said farm.

Federal Grove is located in Durham Parish, within a mile of Hill-Top, and 1½ of navigable water, in a remarkably healthy neighborhood. Upon

Federal Grove there are a two story Dwelling House, Kitchen, Meat House, Dairy, Stable, Barn and Corn House, which at a small expense might be put in good repair and order. There is also on Federal Grove, on a never failing stream, an over-shot Mill, which at a small expense might be made highly valuable for purposes of grinding or sawing, the said Farm abounding in fine Oak Timber; and for purposes of grinding, the said Mill would be most advantageously located.

I will also sell at Private Sale 35 to 40 Negroes, (among them 2 young Carpenters and a Blacksmith), a considerable stock of Mules (13), Horses, Jennetts, Cattle, Hogs, and a large assortment of Agricultural Implements, Ox Carts, Horse Carts, Wagons, Harrows, Ploughs, and Household and Kitchen Furniture, &c., &c.

For terms, apply to RICHARD BARNES.

PROCLAMATION

TO THE CITIZENS OF CHARLES.

PULVERMACHER'S

Hydro-Electric Voltaic Chains.

CONSTRUCTED to be worn next to the skin, producing a constant current of uninterrupted electro-magnetism—effecting IMMEDIATE RELIEF FROM ALL ACUTE PAIN and a

Permanent Cure of all Neuralgic Diseases.

Pulvermacher's Electric Chains were first used in France, three years since, for the cure of nervous diseases, and after being submitted to the most thorough trial in every Hospital in Paris, by the most learned Professors in that city, they were recommended to the Government of France, who granted a Patent for the discovery. During the years 1851-2, they were introduced in Germany, Austria, Prussia and England, and one year since, introduced and patented by the United States Government.

Most Astonishing Cures of

Rheumatism, St. Vitus' Dance,
Painful & Swelled Joints, Palpitation of the Heart,
Neuralgia of the Face, Periodical Headache,
Deafness, Blindness, Pains from Indigestion,
Hysterics, Dyspepsia, Uterine Pains—

Every Disease, called Nervous,

is quickly and rapidly cured, by simply wearing the Chain for a few hours each day.

The Chains were first introduced in the city of New York, where they were exhibited to Profs. Valentine Mott, Van Buren, Post, Cuenochan, who readily discovered that they possessed

Strange and Singular Powers of

INSTANTLY RELIEVING PAINS

whenever applied, and by their recommendation and influence they were introduced into the different Hospitals of New York, and are now in daily use in those Institutions in the treatment of the cure of the above-named diseases.

NO OTHER MEDICINAL AGENT

in the world can produce so many well authenticated Certificates of cure from Scientific Physicians and intelligent Patients as may be found in each Pamphlet, which may be obtained (gratis) at the Store of Messrs. DAY & PADGETT, who are the sole Agents for Port Tobacco, and who will explain the manner of use to any one who may apply.

In the city of New York, at the General Office, 568 Broadway, there are DAILY being sold from 40 to 60 Chains, and the sale and demand in Boston is as great in proportion to the population, although they have been introduced but a few months.

The Chains are easily worn, and are equally applicable to all classes of persons, the child as well as the adult, and are as much an article of ornament as they are of a valuable means of cure.

CARD TO LADIES.

Ladies who are *enciente* are requested not to use them only for a few moments at each time of applying, for by long continued use, miscarriage is frequently produced.

DAY & PADGETT, Agents for Port Tobacco.
