"LITTLE GIANT CORN AND COB MILLS."

THE subscribers having made arrangements with the manufactors of the above celebrated Mills, offer the same to the farming public on the most favorable terms and warranty. The attention of Stock Feeders is especially solicited to the Mill believing it to be just the thing so long wanting for the purpose intended.

A large number of LITTLE GIANT MILLS have already beensold the past season in Maryland and Virginia; and so far as known, have given universal satisfaction. Many testifying that the mills had more than paid for themselves the first month, while others aver the regular use of the Little Giant for one week will more than save its cost in tolls alone.

These Mills are guarantied in the most positive manner against breakage or derangement, and warranted to grind feed from ear corn; and grist or fine hominy from shelled corn with a degree of ease and convenience for farm purpose never before attained.

For portability, simplicity of construction, and convenience of use, the Little Giant has no equal.—It weighs from three to five hundred pounds, according to size, and can be put in operation in thirty minutes without expense or mechanical aid, then adjusted and used by any one with ease.

HAMPTON'S

VEGETABLE TINCTURE.

"TRUTH STRANGER THAN FICTION:"

HOPE FOR ALL!

Cure of Cough, Bronchitis, Rheumatism &c.

A medicine must have merit, and great merit, too, to stand the test of public opinion. No art of puffing can galvanize a worthless article, so as to keep it up as a good medicine if it be not really so.

In proof of what we say above, we refer you to HAMPTON'S VEGETABLE TINCTURE, and its effects.

The wife of T. W. Yeakle, Grocer, 78 Pearl street, cured of Rheumatism, of eight years' standing; all other remedies failed.

Wm. M. Oldham, (late of the Custom House,) dwelling No. 136 Pine street, of Dyspepsia, great debility; permanently cured.

W. A. Schaffer, Esq., one of the oldest magistrates and most highly respectable citizens, cured of great weakness and restored to robust health.

Jarret Plummer, 158 E. Baltimore street, suffered intensely six years with hip disease and mercurial Rheumatism; cured after all other remedies had failed.

Space will not permit to name hundreds of others, as Geo. W. Goodrich, Capt Thomas Canot, Robert Gault, James Smyth; cured of rheumatism.

John Pervail, S. A. Griffin, John Luke, Rev V. Eskridge, U. S. Navy, and thousand others cured of Dyspepsia, Scrofula, Cough, Liver Complaints, Bronchitis, Saint Vitus' Dance, &c. We refer to our own citizens—call on them.

Captain Benjamin—wherever known, his testimony will be conclusive. But lest those who do not know the Captain should be sceptical, Dr. Dawson & Bro, with others of the best known and most highly respectable citizens of Easton, endorse his wonderful cure by HAMPTON'S VEGETABLE TINCTURE.

EASTON, October 4, 1854.

MESSRS. MORTIMER & MOWBRAY:

Gentlemen—I feel it my duty to you and the public to certify to the good effects of Hampton's Vegetable Tincture. I was for more than five years laboring under a disease of Chronic Rheumatism, and the great part of that time I was so helpless that I had to be helped from my bed, and dressed in my clothes. I became reduced to a mere skeleton. All the medicine I took done me no good, and I continued to grow worse. I heard of Hampton's Tincture, and I thought I would give it a trial. At this time I did not expect to live one day after another. I did not take it (the Tincture) for the Rheumatism, but in a short time I was well of that disease. From the effects of your Tincture, and the help of God, I am now getting in good health.

I wish all the afflicted to try Hampton's Vegetable Tincture, as I have done, with the same good effect that it had on

Your Obedient Servant,
ISAAC BENJAMIN.

We are acquainted with Isaac Benjamin; sold him some of Hampton's Tincture, and believe the above statement correct. DAWSON & BRO.

From our knowledge of Captain Benjamin we are confident that the above statement is true and unexagerated. J. A. JOHNSON,
CHARLES ROBINSON.

Cure of Cough, Hoarseness, &c.

The cry is still they come. Certificate from Hon. J. H. Durboro. We have hood of testimony pouring in upon us of cures—Rheumatism, Dyspepsia, Scrofula, &c., and for all Nervous Diseases and Female Complaints, Hampton's Tincture has no superior.

RINGGOLD, Md., April 10th 1854.

MESSRS. MORTIMER & MOWBRAY:

Gents—It is with real pleasure that I bear testimony to the healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time last Fall I was taken with a serious and bad cough, with hoarseness, so that I could scarely speak above my breath. I called on one of your agents for a remedy, when advised me to try Hampton's Tincture, which I commenced using, and in four days, my cough and hoarseness was entirely gone. I now keep it (the Tincture) as a family medicine, and won't be without it if it can be had.

Yours respectfully,
J. H. DURBORO.

Cure Dyspepsia, Piles, &c.

RINGGOLD, Washington Co., April 15, 1854

MESSRS. MORTIMER & MOWBRAY:

Dear Sirs: I was induced, by a friend of mine, to try Hampton's Vegetable Tincture for Dyspepsia, with which I am afflicted in its most aggravated and distressing form. I purchased and used one bottle, and it entirely cured me. I have induced others to try it, most of whom, if not all, speak highly of it; and I would say to those who have Dyspepsia, if they will use Hampton's Vegetable Tincture, it will certainly cure them.

Yours, with great respect,
H. NEWCOMER.

RINGGOLD, Md., June 13, 1854,

MESSRS. MORTIMER & MOWBRAY:

Gents: I have been afflicted with the Piles for some years, and could get nothing to help me, until a friend advised me to try Hampton's Vegetable Tincture. I purchased two bottles, and before I had used them both I was entirely cured of this most troublesome disease. All who are plagued with the Piles would do well to give the Tincture a trial. Yours, most respectfully,
JNO. MENTZER.

Unsolicited Testimony—Great cure of Rheumatism.

RINGGOLD, April 17th, 1854.

MESSRS. MORTIMER & MOWBRAY:

Dear Sirs—I have suffered with pain in my side and back and under my shoulder blade for the last six years. I tried nearly all kinds of medicine, but derived no benefit. After I received the first lot of Hampton's Vegetable Tincture from you, I thought I would try what virtue there was in it. I did so, and in a few weeks I felt like I was a new man.—It has cured me. I am now free from pain; my complexion is fine: formerly it was sallow. I have a good appetite and can eat what I please without inconvenience. I have suffered so long and so much for what I now enjoy, that I would advise the afflicted to give this Tincture of Dr. Hampton's a fair trial. Yours, respectfully,
S. MENTZER.

RINGGOLD, Washington Co., April, 17, 1854.

MESSRS. MORTIMER & MOBRAY:

It is a duty I owe to myself and the public to speak in commendation of Hampton's Tincture.—For five years I was afflicted with inflammatory rheumatism in its severest form, unable to do any work or to rest day or night.

Having heard of your valuable medicine, I sent for one bottle; after the using of which I found prompt relief, and on using three bottles more I was surprised to find myself entirely cured. I do take great pleasure in recommanding Hampton's Tincture to the afflicted as a certain and permanent remedy. Yours, respectfully, J. HESS.
