REPUBLICAN TICKET.

FOR CONGRESS,
ROBERT GARRETT,
OF BALTIMORE COUNTY.

ELECTION, TUESDAY, NOVEMBER 6TH.

In the State elections already held, every Congressman elected has been a Republican, and our Democratic friends would do well to make it unanimous.

An interesting article from the *Towson News*, contrasting the political records of Messrs. Talbott and Garrett, will be found on the first page of the SENTINEL this week. Read it.

Democratic orators are doing their best to account for the marvelous prosperity of the country upon some other hypothesis than the policy of the Republican party in fostering home industries by a protective tariff. They point to the abundance of our harvests and the vast mineral resources of the country and say: "These be the causes of this unexampled prosperity." Such arguments may deceive unthinking people, but their fallacy is apparent when a comparison between the conditions of the past decade and the three or four years immediately preceding it is instituted. During the last named period Mr. Cleveland was President and was backed by a Democratic Congress. Our harvests were then abundant but they lacked a home market and wheat sold below 50 cents a bushel. The mineral resources of the country were great, but they were undeveloped. There was stagnation and ruin on all sides. The people were fooled into voting for Mr. Cleveland, in 1892, by the exhibition of such fictitious objects as the poor man's taxed dinner-pail and tin-cup. They paid the penalty by going with empty dinner pails during most of Mr. Cleveland's term. They may hearken to the false reasoning of Democratic leaders again, but if so they will get leisure enough to regret it before they again escape from its consequences.

THE OFFICIAL BALLOT.

The official ballot, as it will be voted on Tuesday, November 6, will be found on this page of the SENTINEL and should be carefully studied by the Republican voters of the county. It contains but four names and is simple enough to enable every voter to mark the candidate of his choice properly. Some advantage is given Mr. Talbott in the arrangement, as his name appears last on the list and, contrary to the usual custom, the blank space opposite a square or box is placed at the top instead of at the bottom of the ballot. Those Republican voters who cannot read can readily be instructed to make their mark in the square opposite the second name from the top, which is that of Mr. Robert Garrett. They are earnestly urged to keep the mark, an X, entirely inside the lines of the square. By doing this they will obviate all pretexts for excluding their ballots from the count. Let us have a free ballot and a fair count.

SECRETARY BONAPARTE TO BE HERE.

In the advertising columns of the SENTINEL will be found an announcement of the Republican mass meeting, to be held in Odd Fellows' Hall, this city, on Friday evening next, November 2nd, at which Hon. Charles J. Bonaparte, Secretary of the United States Navy, and Robert Garrett, Esq., the Republican candidate for Congress in the Second district, will be the speakers. Mr. Bonaparte has made a positive engagement to be present and address the people on the occasion and only some occurrence or condition absolutely beyond his control will prevent him from carrying his promise into effect. Let this distinguished Marylander, who, by force of his genius, has won a national reputation, receive such a greeting as Carroll county Republicans know how to extend. And let the clean-handed, upright and honorable young candidate of the Republicans for Congress be made to feel that his gallant stand and zealous fight against corrupt methods in politics, as exemplified in the career of his opponent, are thoroughly appreciated by all who desire the integrity of the ballot and the purity of elections, which are so essential to the perpetuity of Republican government.

For the Sentinel.

A Good Pension Agent.

Has not the writer in last week's *Advocate* over estimated Mr. Talbott's services as a congressman? or has he taken too short a view of the duties of said official? He points out the great service Mr. Talbott has done for the state and goes on to show only that he has secured action on more pension cases than any other Maryland representative. Is that a chief duty of a congressman? Admitting that he is a good "pension agent" does that appeal to a taxpayer as a great reason why he should be returned? Most Democrats give the Republican party the credit for robbing the National treasury for pensions. Isn't $5,000 a year for twelve years pretty good pay for this class of service? What is his record on questions of a national character and what part has he played in bringing about the desired results on these questions? would be more to the point. Could his record be compared with that of Sydney Mudd, so far as the state has reaped any benefits? But do not infer that the writer upholds the latter and his political methods. Some Congressmen can know too many of the "ins and outs" for the good of the people.

WINCHESTER PAUL.

Mr. Frank S. R. Brown, son of Ex-Governor Frank Brown, and Miss Mabel Jane Michael, daughter of Mr. and Mrs. William J. C. Michael, of Walbrook, were married in New York, Wednesday morning, by Rev. Dr. Henry Marsh Warren, chaplain of the Waldorf-Astoria Hotel. They went to New York Tuesday night, accompanied by Mrs. H. A. Gresmer, a sister of the bride. Mrs. Gresmer notified her mother, Mrs. Michael by 'phone at 11 o'clock, Tuesday night that they were going to New York to be married. Mr. Brown's father knew nothing about it until after the ceremony, and then learned it from friends. He was evidently surprised by the information, but said his son was old enough to act for himself and if he, Frank, were pleased it was all right. Miss Gresmer, the bride's sister, is connected with the Daniels Company at the Academy of Music and is known as Miss Ruby Michael.

DIED.

In Baltimore, October 19th, 1906, Robert Porter, aged 70 years.

In Baltimore, October 21st, 1906, Florence B., wife of James Hamilton and daughter of Jos. A. and the late Carrie Hess, in her 42nd year.

In sad but loving remembrance of Joseph E. Haines, who departed this life October 18th, 1906, aged 27 years, 5 months and 2 days.

Dear uncle you are gone but not forgotten,
Nor will you ever be;
As long as life and memory last
I will remember thee.

He seemed so good, so pure, so true
To our admiring eyes,
We never thought this glorious fruit
Was ripening for the skies.

And when at last the death stroke came
So swift, so sure, so true,
The hearts that held him here so fast
Were almost broken too.

Dear uncle how can we give you up?
You whom we loved so well;
How can we drink this bitter cup,
That says the word farewell.

By his niece, Lizzie Pickett.

IN MEMORIAM.

PAUGH.—In sad but sweet remembrance of our dear little Elisha, who was called from our home to heaven one year ago.

One mournful year has vanished,
But the memory of my dear Elisha
Still is fresh within my heart.
Angels called thee, precious Elisha,
From all care and pain untold,
To the realms of joy eternal
And to that land of purest gold,
Where all is bright with you forever;
But your voice seems softly saying
"Courage, we shall meet again."

Mamma.

Elisha can it be
That one sad year we've mourned for thee,
Watched and waited all in vain for you
To come with me to school again.

Sister and Brother.

In this city, October 22nd, 1906, Georgeanna, widow of Jesse Long, aged 77 years, 10 months and 9 days.

In sad but loving remembrance of our father, Peyton H Conaway, who died six months ago, April 26th, 1906.

"Gone but not Forgotten."
By his two daughters, Bess'e and Effie.

Reliable Prices. **Miller's Bulletin.** Quality Counts.

Published by WESTMINSTER'S BEST STORE THE MILLER BROS. CO.

Announces Excellent Values in Winter Wearables

Polite Attention

is a cardinal rule laid down by us and observed to the letter by our salespeople. We earnestly endeavor to make you feel just as comfortable as you would in your own homes. When in town, stop in, we always appreciate your visits. If you wish to make any inquiries, don't hesitate, we will gladly answer them if possible and you won't be asked to buy.

Authentic Millinery Creations

Hats! Hats! Hats! Are demanding the admiration of the ladies, especially those of the M. B. Company. Popular productions, in popular styles, at popular prices=popular creations in authentic millinery, and that is the kind we are displaying. No doubt you have visited our Millinery Salon, if not, you should before purchasing your "Winter Head Trimmings." It will be a rare treat for your fancies. Orders are coming, and hats going out at a perpetual rate. We are sole agents for the specially ready made hats of the famous Gage Bros. make.

What has made us

the greatest merchandising center? Why, giving the greatest values—asking most reasonable prices—pleasing the people—specially catering to the individual wants—being on the alert to style changes—keeping a keen eye on the rise and fall of the markets—knowing when and how to buy—selling nothing but first class goods and guaranteeing everything as represented.

Buy Cottons at Normal Prices

A reliable paper says:—The steady advance on these articles is due to the eager demand for better quality textures. Now, we bought before the prices raised, and when this lot is gone the prices will be at least one-third more. Including such domestics as muslins, sheetings, calicoes, ginghams, canton and outing flannels, blankets, flanneletts, shirtings, percales, &c., on some of these goods the prices are less than quoted by the mills today.

Shoe Qualities

Style and beauty are very nice things to have in shoes, but the fundamental quality is comfort. Our shoes are made over a mould, shaped from life, that is the secret of comfort. Men's All America's $3.50 and $4.00. Ladies' Queen Quality $3.00, $3.50, $4.00. Other grades of the right wearing sort at $1.25, $1.50 and $2.00.

Think, a builder goes down and down below the surface to make sure of the solid foundation for his building. It suggests the fact that parents should be very particular about the right foundation for their children, on whose shoulders rests the destiny of the world. Misses' shoes $1.00 and $1.25. Children's shoes 75c, 85c, and $1.00.

Prices Cut ½ on Ladies' Tan Fall Jackets

Summed up in round numbers we have 25 Ladies' light-weight Tan Fall Jackets, that must be sold if prices backed up by good quality will do it. Look, prices are half the original. Were $6.00 now $3.00, were $8.00 now $4.00, were $10.00 now $5.00, were $12.00 now $6.00, were $15.00 now $7.50.

Prices Cut ⅓ on Silks

Listen! the silk crop is short this year, the demand for silk is greater. The prices have advanced 20 per cent. in the last two weeks, but we offer this special lot of 50 pieces. Plain and fancy silks including Peau de Cyne in black and colors, plain taffetas in black and colors, fancy silks and checks, not a yard ever sold for less than 75c, all go today on center counter at 49c a yard.

Superior Quality Dress Goods

proved by comparison. We suggest this the surest way to convince yourself of their value, is to compare samples; give them microscopical test, or chemical analysis and settle the question definitely.

Very Timely Specials

3 pieces of light gray plaids, 54 inches wide and very popular this season, regularly retailed at $1.00 to $1.25 now selling at 75c a yard. 3 pieces of shadow plaids at 75c a yard, regular $1.00 and $1.25 qualities, remember these are extra width and the newest things of the season, especially popular for suits and skirts.

50 Cents a yard Specials

Including all the latest things in Panamas; also plaids in light and dark gray fancy mixtures; also 42-inch all-wool cheviots in navy and royal, myrtle, garnet and black.

50c Dress Goods at 25c a yard

We made this lucky purchase of samples that regularly sell at 50 cents a yard, (and we ought to have it now,) but we bought at a special price, and they must go at the very special price, 25c a yard. Your attention is called to this lot, including 15 pieces of all-wool French flannels, in pink, rose, lavender and royal blue, elegant for skirts and dressing sacques, all go at 25c a yard, regularly 50c quality.
