Additional explanation of the plat for the plaintiffs by their direction

The dotted line from the stones D by E & F to the stone and hickory shows the direction of the defendants fence as it now runs from E to F & between the aforesaid dotted lines and line No III shaded with blue shews where a trespass was committed by clearing and cultivating the land by the defendant, see depositions of Messrs blank, Cookesey, Eastwood, and Baden.

G where a trespass was committed by the Defendant and at or near where Thomas Gantts fence formerly run see the deposition of Messrs Cookesey & Eastwood. From G to H thence to I with the dotted lines thro' the blue shade shew where the old fence run as owned by Thomas Gantt (see same depositions) The land from H to I thence to D and with the dotted lines back to H shew land cleared and now in cultivation by the Defendant and also shews part of land at was the woodland referred to in the deposition of John Kronefield Senr. (Note also the several depositions mentioned above apply also to the last mentioned place &c. In testimony that the references to the above respected trespasses were taken by a dual survey in the presence of us we have hereunto set our hands and seals this 29th August 1822.
