FILLED HIM WITH LEAD.

Stories of lynching negroes in some portions of the South are not rare, but such a lynching as occurred near Florence, Ala., on Friday last is seldom heard of. Cleveland Harding, a colored man, who was probably not named for the Ex-President, attempted an assault upon a Mrs. B. F. Rice, but was driven off by a shepherd dog. He was captured and, it is said, confessed. He was taken in charge by a mob of 200 or 300 persons, some of whom proposed to burn him, but it was finally decided to shoot him to death. He was then tied to a tree and riddled with bullets, the mob continuing to fire into his dead body until a thousand shots had filled it full of lead.

While the man deserved death for attempting an atrocious crime, it is to be deprecated that the punishment was not meted to him by law. It is highly probable that among the mob which lynched him were numbers of youths and boys who were thus taught a lesson in barbaric brutality, which may bear evil fruit in the future.

FIFTH CIRCUIT JUDGESHIP.

The following in relation to the chief judgeship of the Fifth judicial circuit of Maryland, which was made vacant by the death of the lamented Judge I. Thomas Jones and is now being filled by Hon. John G. Rogers, of Howard county, under appointment by the Governor, appeared in the Political Notes of the Baltimore *Sun* of Sunday last:

In connection with the positions on the bench to be filled next fall it is stated on good authority that Judge John G. Rogers, of Howard county, who was appointed by Governor War field to fill the vacancy caused by the death of Judge Jones, will not be a candidate for the nomination in the fall. Judge Rogers, it is said, has intimated to personal friends his purpose not to enter the field for the nomination, and this has started speculation in regard to his probable successor.

The name of Mr. James M. Munroe, of Annapolis, is now being mentioned as the man most likely to be settled upon by the Democrats, and it is understood the chances are the Republicans will nominate Mr. John Wirt Randall, also of Annapolis. Both Mr. Munroe and Mr. Randall are lawyer of ability and are well known throughout the circuit, which is composed of Carroll, Howard and Anne Arundel counties.

Mr. Randall is a son of the late Hon. Alexander Randall, a former member of Congress and Attorney General of Maryland under the Constitution of 1864. He (Mr. J. Wirt Randall) has been a member of the Maryland Senate and was president of that body in 1898. Mr. Munroe was formerly State's Attorney of Anne Arundel county, having been elected as a Republican. He differed with his party on the tariff issue, however, and has been identified with the Democratic party. He comes of a strong Union and Republican family. His grandfather Grafton Munroe, of Annapolis, was a brother of the late Rev. Jonathan Munroe, of this city.

REPUBLICANS TO MEET.

Under the new constitution of the Republican party of Maryland, a meeting of the State Central Committee will be held on Wednesday next to elect a new chairman, secretary and treasurer, and attend to any other business that looks important. Possibly a date will be set for the next State convention.

The meeting will be held at the Hotel Rennert in Baltimore at 11 o'clock in the morning. There are 128 members of the Committee, and they come from all over the State.

Some months ago it was reported that Chairman John B. Hanna would resign his office at this meeting, but it is now said that Mr. Hanna has been urged to retain the chairmanship by many of the members who have not been particularly close to him heretofore, and that he will do so.

"I have decided to accept the office if I am elected again," said Mr. Hanna a day or two ago.

A successor to Secretary John C. Simering, who died last year, will have to be elected, and a treasurer must be elected or re-elected. Mayor Timanus holds that office now.

McKinley's Defender a Maniac.

A Washington dispatch under date of the 22nd inst., says: "James Parker, the negro who sought to save the life of President McKinley when the latter was assassinated at Buffalo, and who is now held in Atlantic City as a raving maniac, was formerly employed in the United States Senate as a messenger, the place having been given him as a reward for his action at Buffalo.

"Senator Hanna secured him that appointment, and shortly after the Senator's death Parker left his government place and went on a tour, lecturing about his experience in conection with the assassination, at which time he was a waiter in a cafe on the Buffalo Exposition grounds. Parker was formerly a constable at Savannah, Ga." The man has been sent to an insane asylum.

The estimated gross earnings of the Western Maryland Railroad Company (railway department) for the week ended March 21 follows:

Gross earnings	$105,286 44
Gross earnings corresponding week in 1906	90,618.65
Increase	$14,667.79
Current fiscal year to March 21:	
Gross earnings	$3,839.097.97
Gross earnings corresponding period 1906	3,308,873 85
Increase	$530,224.12

Justice Fitzgerald decided to appoint a commission in lunacy to determine whether Harry K. Thaw is now sane or insane. Thaw's trial before a jury for the murder of Stanford White will be interrupted pending the report of this commission. If the commission reports that he is sane and, therefore, capable of advising with counsel and of understanding the proceedings against him the trial will be resumed, but if it should be found that he is not sane nor capable, in a legal sense, application will be made for his commitment to an asylum.

At the municipal election in Hagerstown on Monday the Republicans elected two of the candidates in the three wards voting. Two Democrats hold over in the remaining two wards, so that the council will still stand 3 Democrats to 2 Republicans. It would be to the advantage of Hagerstown to eschew politics in the municipal election, as has been done in Westminster for many years, but the partisan feeling is possibly too strong to be overcome.

The one hundred and twenty-third session of the Baltimore Annual Conference of the Methodist Episcopal Church South opened at Stanton, Va., on Wednesday. Bishop E. E. Hoss, of Tennessee presiding. James F. Armstrong, the veteran secretary, was again elected to office.

At a meeting of the directors of the Western Maryland Railroad in New York on Wednesday Mr. Alexander Robertson, general manager of the road, was elected vice president, to succeed Mr. F. S. Landstreet, who recently resigned.

The Kind You Have Always Bought

Bears the Signature of Chas. H. Fletcher.

IN "A MARRIAGE OF REASON," with which Kyrle Bellew will begin a week's engagement at the Academy of Music, Baltimore, the week beginning Monday, March 18th, he plays the part of an English Earl of broken fortunes but gallant spirit who, to recoup his losses on the turf, marries Rita Forrest, a Chicago Heiress, who is quite the most fascinating American girl that ever broke hearts and won a coronet abroad.

SAVED HER SON'S LIFE.

The happiest mother in the little town of Ava, Mo., is Mrs S. Iluppee. She writes: One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice, I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by all Druggists. 50c and $1.00. Trial bottle free.

HOW TO REMAIN YOUNG.

To continue young in health and strength, do as Mrs. N. F. Rowan, Mcdonough, Ga., did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store." Guaranteed at all Drug Stores. Price 50c.

WORKED LIKE A CHARM.

Mr. D. N. Walker, editor of that spicy journal, the Enterprise, Louisa, Va., says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No Inflamation followed; the salve simply healed the wound." Heals every sore, burn and skin disease. Guaranteed by all Druggists. 25c.

FOUND AT LAST.

J. A Harmon, of Lizemore, West Va., says: "At last I have found the perfect pill that never disappoints me; and for the benefit of others afflicted with torpid liver and chronic constipation, will say: take Dr. King's New Life Pills." Guaranteed satisfactory. 25c at all Drug Stores.

A Magnificent Display of Easter Millinery

Today Belongs to the New Hats---Exploitation of the New Headwear Ideas

Women are Connoisseurs when it comes to Hats. If there's One thing in the world that the gentle sex enjoy in common, it's a desire for Hat Beauty.

Today we demonstrate how thoroughly prepared we are to satisfy every desire for Becoming Millinery. We have been planning for months that we meet this occasion with unprecedented assemblages. A month ago we reached our goal—and we have been adding to and improving our stocks ever since.

Women are discriminating in their Millinery—every woman has a preference. Our gatherings are wide and varied enough to meet the most particular buyer. Our expert Milliners have the wills, resourses and inclinations to suit and they WILL suit if you give them a chance.

While the flat mushroom shapes give promise of great popularity, there nre those who will find the higher shapes more becoming. We are prepared with scores of expressions of both these general styles.

Medium size Hats are widely talked of as the favorite for the Spring of 1907, but common sense prevailed over faddishness, and the small and large shapes are as warmly approved of by fashion as the medium sized.

We will not tell you any more about our Hats, we will simply say the display is magnificent and deserving of your viewing. Today is viewing day—COME.
