The supplemental deposition of Thomas Perry Sheriff of Charles County - being duly sworn on the Holy Evangely of almighty God, deposeth and saith that since his former examination as a witness in this cause he has had conversations with Joseph Stone one of his deputies, and from impressions made on deponents mind in said conversations. He believes he entered on the land taken under the fieri facias and set up the first advertisements, and that said Stone sent by some other person or set up hands of the advertisements offering the land to sale under the Venditioni exponas issued: that John Matthews who had the control of the fieri facias directed deponent not to advertise the land at the time of making the levy, but that he Matthews would thereafter give him directions how to proceed. Taken and sworn to in open Court this 29th day of March 1834.

And the said Richard and Alexander Middleton by their attorneys appeared file in Court here the following receipt to wit.

I hereby acknowledge to have received of John B. Wills and William Thompson on or about the first day of May anno Domini 1833 the sum of twenty one hundred dollars in full of the purchase money for Henry S. Hawkins land sold by me at public sale at which William B. Stone Esq agent for said Wills and Thompson purchased under certain writs of Venditioni exponas to me directed, and which sale was returned by me to Charles County Court. I was frequently told by said Wills and Thompson that the money was always ready for me, and I did not receive it, because I preferred that it should remain with them until I was called upon to pay it over, and the first time I called it was paid.
