No one attended the sale on account of Mr Forbes but myself.

Answer to the sixth Interrogatory

I told Mr Forbes that I bid for the Land and was the only bidder, I do not know that Mr Forbes considered it a sale or ever claimed the Land

Answer to the Seventh interrogatory

I attended the sale as I did many others as the agent of Mr Forbes. to prevent the Land from being sold for less than would cover his claim. I do not know that any entry was made on his books of the transaction. My impressions were then, that it was not a valid sale, and that the only object effected by my attendance, was to prevent the Land being sold for less than his claim. William M Crealty.

Having proceeded according to the caption hereof and having gone through the examination of the witness and reduced the same to writing as required by the Commission, no other business appearing or being desired I closed the Commission. Given under my hand and Seal this 25th day of April 1832
