Astronomers inform us that a new comet is visible and may now be seen with the naked eye between 3 and 3.30 A. M., by looking due east at about 45° above the horizon. This comet was first discovered in June of last year by Prof. Daniel, of Princeton University, and, as the astronomers say, is gradually approaching the earth and sun. It must be moving with tremendous velocity, however, as it is said to be now 85,000,000 miles from the sun, but on September 3rd will be only 46,000,000 miles distant. Its distance from the earth is said to be 7,000,000 miles. According to Prof. Pickering, of the Harvard Observatory, it has a multiple tail instead of the single short tail mentioned in other reports.

While a threshing rig belonging to Mr. Frank Orendorff, near this city, was being operated at the barn on the farm of the B. F. Shriver Co., at Avondale, on Thursday of last week, a crashing noise was heard in the separator and upon investigation it was found that a hard object of some sort—possibly a piece of iron or a stone—had run through the cylinder, shattering the machine considerably. A report which got into circulation to the effect that the separator was blown up by a stick of dynamite and so badly damaged that it would require a large amount of money to repair it, Mr. Orendorff says was incorrect. There was no dynamite in the case and no explosion. The machine was repaired and in running order by Friday evening, at a cost of $15 or $20.

A Strange Mistake.

Patapsco, Md. July 30, 1907.

Ed. American Sentinel, Dear Sir:

Seeing in your valuable paper of July 26, that the Pikesville Baseball Club claimd to have defeated the Patapsco Baseball Club on Saturday, 20th inst., by the score of 15 to 5, we wish to say that our boys had no game scheduled for that day and consequently did not play. To show the Pikesville boys that they mistook the Finksburg boys for Patapsco, we journeyed to Pikesville, Saturday, July 26, and easily defeated their team by the score of 9 to 2. At no time during the game did the Pikesville's have a look in for the game. The all around playing of the Patapsco's was a feature. The score:

Patapsco,—0 0 1 3 1 0 0 3 1 9R 15H 1E
Pikesville,—0 0 0 0 1 0 1 0 0 2R 6H 5E

Batteries—Flater and Spencer, for Patapsco; Worley and Corbett, for Pikesville.

WM. M. TRACEY.

On last Saturday evening, as Mr. and Mrs. James F. Tracey, of Tracey's Mills, near this place, were returning from Westminster in a runabout, the colt Mr. Tracey was driving took fright near Squire Shamer's house and ran down a steep bank. The road at the place where the accident occurred is very narrow, with a very steep bank below it. It is a dangerous place. Another similar accident happened there a short time ago. There should be a protecting fence at this point, which our supervisors, having their attention called to it, will now probably provide.

Harvey E. Weant.

Mr. Harvey E. Weant, a prominent and well known resident of Taneytown, died at his home in that place about 11 o'clock Sunday night, at the age of 39 years. His death was caused by disease of the heart. Mr. Weant was formerly engaged in merchandizing in Taneytown, but during the last two years had been engaged in the manufacture of bricks. He was an energetic, enterprising business man and a worthy citizen and enjoyed the respect of all who knew him. He was a member of the board of town commissioners and a director of the Birnie Trust Company and the Reindollar Company. He was a faithful and consistent member of the Lutheran Church. Politically he was a Democrat. He leaves a widow and one child; also one brother and five sisters—Edward O. Weant, Esq., Ex State's Attorney of this county; Mrs. Kemp, wife of Dr. Luther Kemp, of Uniontown; Mrs. M. A. Koons, of Taneytown; Mrs. F. J. Shorb, Misses Anna and Rhoda Weant, of Detour. His mother, widow of the late John W. Weant, of Detour, survives him. His funeral took place from the Lutheran Church in Taneytown, at 10 o'clock, Wednesday morning, the pastor, Rev. Wm. E. Wheeler, officiating, and was attended by an immense concourse of citizens. The floral tributes were so numerous that a wagon was loaded with them. Interment was in the Lutheran cemetery, adjacent to the town. The pall-bearers were Messrs. E. E. Reindollar, George H. Arnold, Walter Wilt, Arthur Combs, Daniel Garner and Chas. A. Elliott.

Mr. Weant's death was very sudden and unexpected, he having only been ill from 10 o'clock, Sunday morning.

For the Sentinel.

Mrs. Nancy Jane Blocher.

Seldom has the death of any one been so startling as was that of Mrs. Nancy Jane Blocher, of Littlestown Pa., who passed away Monday afternoon, July 22, at one o'clock, of septicemia. On Tuesday, July 16, Mrs. Blocher gave birth to a daughter and her untimely death has proved a profound sensation to her relatives and a large circle of friends. Willing and loving hands ministered to her during her illness and all that medical skill could do to conquer the disease which caused her death was employed to save her to her loved and loving ones, but without avail. She was a loving wife and a devoted mother and will be greatly missed by her youhg husband, Geraldine, a daughter of four summers, and an infant, all of whom have the sincere sympathy of the entire community in their grief. The funeral took place Wednesday afternoon at 1 o'clock, with services at the house, Rev. Carl Mumford officiating, after which her body was borne to Mt. Carmel where it was tenderly laid to rest in that beautiful and Hallowed "God's Acre," amid tears, flowers and in the presence of friends. The beautiful day did not take away the sorrow, nor the flowers the tears. Sadness rested like a pall upon everyone present, lighted only by the reflection that though so early doomed to death she has only passed its portal to enter upon eternal life. Our loss is her gain. Nancy Jane Blocher was aged 21 years and 3 months and was a daughter of Mr. and Mrs. Emanuel Izer, of North Queen Street, Littlestown, who, with her sisters, Misses Flora and Maggie Izer, and brothers, Mr. Walter and Master Stewart Izer, mourn the loss of an obedient and dutiful daughter and a kind and affectionate sister, together with a large circle of friends who mourn the loss of a kind friend. A large number of floral pieces was contributed by relatives and friends. These beautiful pieces covered her casket. The young husband is a grandson of Mr. and Mrs. Absalon Fuhrman, near this city.

Female College Transferred.

The Salisbury, N. C., Evening Post, of the 23rd ult., says: "Claremont Female College at Hickory, which has been under the control of individuals, has passed to the Reformed Synod of North Carolina and will in the future be under the control of this body. Rev. Dr. W. B. Duttera, of Salisbury, becomes president, and Prof. J. H. Kellar, of the faculty of Mt. Amoena Seminary, dean of the new institution under the new order of things. Prof. Kellar will continue at Mt. Amoena, for the year, however, in fulfillment of a contract, and will not formally become the head of Claremont until the fall of 1908.

"Dr. Duttera stated today that many improvements are to be made on the property. The main building is to be entirely overhauled and an electric light and steam heating plant are to be installed.

"Claremont has a splendid history and it is proposed by those in authority to place it among the leading female institutions of learning in the State.

"The institution will be opened for the next year on the 17th of September.

"Dr. Duttera's election as president will not interfere with his work here. He will continue to serve his local pastorate, as but a proportionately small part of his time will be required at Hickory."

Dr. Duttera is a native of Taneytown and a son of Mr. Maurice C. Duttera, of that place. He is a graduate of Pennsylvania College, at Gettysburg. The college referred to in the article from the Evening Post, has been transferred to the North Carolina Classis of the Reformed Church.
