June Term 1848.

"Resurvey on Big Spring," originally on the 12th day of December 1837, granted William Kimberly and Sophia Jones for 109¾ acres, To resurvey the aforesaid tracts of land, to correct amend any errors in the original surveys, add any vacant land thereto contiguous, and to reduce, the whole into one entire tract &c.

I certify as surveyor of Allegany County, that I have carefully resurveyed for and in the name of the heirs of him the said John Kimberly, the aforesaid tracts of land, and find that Kimberlys Fancy, contains twenty five and one half acres that "Bear Hill Rock", contains one hundred and thirteen acres that "Bear Hill Valley" lies foul of a tract of land called "The second addition to seven Springs" the quantity of one and one eighth acre and lies clear of said tract twenty four and one eighth acres, that "Big Spring" is wholly included in "Resurvey on Big Spring" (it being the original of that Resurvey) that "Resurvey on Big Spring" contains one hundred and nine and one fourth acres, and the whole contains clear, two hundred and seventy one acres and seven eighths of an acre to which I have added six pieces of contiguous Vacancy containing two hundred and one acres, and have reduced the whole into one entire tract. And lastly - Beginning for the outlines of the whole at a stone standing at the end of the thirteenth line of a tract of land called "The second addition to seven Springs" resurveyed for James Teresap, it being also the beginning of "Bear Hill Valley" one of the originals, and running thence with the first line of said original, and also with the fourteenth line of "The second addition to seven Springs" North fifty three degrees West ten perches, then still with the fourteenth line of the second Addition to seven Springs" North fifty three degrees West fourteen perches, then still with the lines of said tract of land North twenty three degrees West, thirty six perches. North thirteen degrees East thirty six perches. North thirty seven degrees East twenty two perches, North eighteen degrees East one hundred and twelve perches. then leaving said tract of land. South seventy two degrees East six perches to the end of the third line of "Resurvey on Big Spring" one of the originals and running with the lines of said original North fifty four and one half degrees East sixty one and one half perches, North twenty five degrees West sixteen perches. North four degrees East four perches. North eighty five degrees West thirty perches, North eighty seven degrees West seven perches North fifty two degrees East seventy one perches North twenty five degrees West twenty four perches North seventy eight degrees East, twenty one perches. North four degrees West twelve perches, North ten degrees East thirty perches North forty five and a half degrees East thirteen perches North thirty three degrees East twenty eight and one half perches, North eight degrees East seventeen perches North twenty five degrees East sixteen perches, North fifty seven degrees East twenty perches South seventy four degrees East, twenty one perches, North two degrees East seventeen perches. North forty two degrees West twenty perches, North fourteen degrees East twenty four perches, North forty nine degrees East thirty perches then leaving "Resurvey on Big Spring", North forty eight degrees East sixty one perches to a bounded white oak the Beginning of Kimberly's Fancy, one of the originals and running with the lines thereof, North fifty degrees East sixteen perches, North one degree West ninety three perches, South sixty five degrees West twenty one perches, North eleven degrees West thirty perches South seventy nine degrees, East forty four perches then leaving "Kimberly's Fancy", North twenty five and one half degrees West sixty two perches North five degrees East fifty two perches to a marked white oak, North eighty seven degrees East thirty four perches, to a marked hickory Bush, standing in
