small White oak marked with six notches, standing in the woods at the end of the seventeenth or North
west Course of seventy five perches of a tract of land called "Fiddemans Discovery" which oak bears
North seventy seven degrees fifteen minutes East distant forty five perches from the division post be-
-tween Daniel Fiddeman and John Kelle and running with "Fiddemans discovery" North East one
hundred & forty seven perches to a tract of land called the "Meadows" then with that tract of land reversed
North eighty six degrees thirty minutes East twenty seven perches to a tract of land called "Elliotts Folly"
then with said "Elliotts Folly" reversed South twenty five degrees West one hundred & sixty seven and a
half perches to the sixth Course of "Fiddemans discovery" then with South West twenty three perches to the
end of the said line then with the seventeenth Course aforesaid to the first mentioned tree containing and now
laid out for fifty seven acres of land more or less according to the Certificate of Survey thereof returned
to the Western Shore land office bearing date the tenth day of March seventeen hundred and ninety
six and thereunto remaining together with all rights profits benefits & privileges thereunto belonging — To
have and to hold the same unto him the said Samuel Tennant his heirs & assigns forever — Given
under the great Seal of the State of Maryland this seventeenth day of April Seventeen hundred &
ninety seven — Witness the Honorable Alexander Contee Hanson Esquire Chancellor.

State of Maryland ss March 10th 1796. —

By virtue of a Common Warrant granted out of the land Office of the Eastern Shore of the
State aforesaid unto Samuel Tennant of Talbot County for fifty acres of land bearing date the thirteenth
day of August 1795 and located with me the same day as may appear &c. This may humbly certify
that by virtue of the aforesaid Warrant I have carefully surveyed and laid out for & in the name of him the
said Samuel Tennant a tract or parcel of uncultivated & unimproved land called "Knave deceived"
lying and being in Talbot County aforesaid on the South side of Saint Michaels River, beginning at a
small White oak marked with six notches standing in the woods at the end of the seventeenth or North
West Course of seventy five perches of a tract of land called "Fiddemans Discovery" which oak bears
North, seventy seven degrees fifteen minutes East distant forty five perches from the division post between
Daniel Fiddeman & John Kelle and running with "Fiddemans discovery" North East one hundred
and forty seven perches to a tract of land called "Elliotts Folly" then with said Elliotts Folly reversed
South twenty five degrees West one hundred & sixty seven and a half perches to the sixteenth course of
"Fiddemans Discovery" then therewith South West twenty three perches to the end of said line, then with
the seventeenth Course aforesaid to the first mentioned tree containing & now laid out for fifty seven acres
of land more or less.

The plaintiff also gave in Evidence the several patents and certificates of the tracts of land
called "Cambridge" "Martinham enlarged" "The Meadows" & "Elliotts Folly" in support or illustra-
-tion of the several locations thereof as made in the said Plat & in the explanation thereof.

The State of Maryland. To all persons to whom these presents shall come Greeting:

Thos. Lee
A. C. Hanson Chancr.

Know ye that whereas Captain William Hambleton of Talbot County on
the third day of June Seventeen hundred and eighty nine, obtained out of
the Eastern Shore land office a special Warrant to resurvey the following
tracts & parts of tracts of land Viz "Martinham Enlarged" originally on the twenty eighth day
of July Sixteen hundred & fifty nine surveyed for William Hambleton for two hundred acres, also
a tract of land called "Cambridge" originally on the sixteenth day of October Sixteen hundred and
sixty two surveyed for William Hambleton for one hundred acres; also a tract of land, of land
called "Hambletons Addition" originally on the twelfth day of June Sixteen hundred &
eighty eight granted William Hambleton for one hundred acres, also a part of a tract of land
called "Williston" originally on the fourteenth day of September Sixteen hundred & sixty five
granted unto William Hambleton for two hundred and seventy four acres, also part of a tract

of land called "New Port Glasgow" originally on the third day of May Seventeen hundred & twenty
two granted unto John Auld for two hundred and fifty eight acres — and in pursuance of the
said Warrant had the aforesaid lands (except the tract called "New port Glasgow" not lying contiguous)
resurveyed when the same were found to contain with twelve acres of vacant land adjoining
more than the quantity of four hundred and eleven acres as appears by the Certificate of Resur-
-vey thereof returned to the Western Shore land office called by the name of "Martinham Enlarged"
and it appearing by a receipt endorsed on the said Certificate that he hath paid to the Treasurer of the
Western Shore the sum of One pound sixteen shillings and one penny Current money for some im-
-provements on the aforesaid Vacant land, The State of Maryland doth therefore hereby grant &
confirm unto him the said Captain William Hambleton the aforesaid lands resurveyed as aforesaid with
the vacancy added called "Martinham Enlarged" lying and being in Talbot County aforesaid and on the
South side of St Michaels river and also on the South West side of St Michaels river aforesaid in two
seperate and distinct parts — Beginning for the out line of the first part at a Locust Post marked
with twelve Notches it being the first beginning of the aforesaid tract of land called "Cambridge" then
runs with said land reversed South South West eighty perches then South East two hundred per-
-ches, then North North East eighty perches to the end of the first line of the tract of land called "Cambridge"
then South seventy eight degrees fifteen minutes East sixteen perches and one quarter of a perch to it
wit, intersects the second line of the aforesaid tract of land Martinham then with the said line to the end South
East fifty seven perches and one half perches then with the third line of the said "Martinham" to the
end thereof North East & by North One hundred perches, then with the home or last line of said "Martinham"
North forty five degrees thirty minutes West seventy seven perches till it intersects the aforesaid part of
"Williston" then with the same North forty eight perches to the aforesaid Locust post marked with twelve
notches it being a division boundary between the aforesaid Captain William Hambleton, then the same
course North Nineteen perches to Swan Creek, then down the said Creek bounded therewith according
to the several Meanders thereof North sixty eight degrees West five perches, then North thirty degrees
West, twenty perches, then North thirty one degrees East twelve perches, then North twenty one degrees
west forty four perches, then North fifty five degrees West sixteen perches, then North nineteen degrees
west, sixteen perches, then North thirty six degrees East seven perches, then South eighty three degrees
west, sixteen perches, then North fifty degrees East twelve perches then North thirty one degrees west
six perches, then South eighty degrees West ten perches then North sixty eight degrees West eight perch-
-es, then North fifty eight degrees East twenty two perches, then South fifty three degrees East thir-
-teen perches, then North thirty degrees East seventeen perches then South eighty seven degrees East
twenty six perches, then North seven degrees West fourteen perches, then North twenty nine degrees west
thirty perches then North seventy four degrees East fourteen perches, then South fifty two degrees
East sixteen perches then North eighty one degrees East eight perches to St Michaels River & the
mouth of Swan Creek then down the said St Michaels river bounded therewith according to the
several Meanders thereof North Seventeen degrees west ten perches, then North seventy seven
degrees West twelve perches then South Seventy eight degrees forty five minutes West ninety two
perches, then North eighty nine degrees West ten perches, then South sixty eight degrees forty five
minutes West fifty perches then West ten perches, then South fifty five degrees West thirty two
perches to the Mouth of Hambletons back Creek, then up the said Creek bounded therewith according
to the several Meanders thereof South eighty nine degrees East seventeen perches and one half
perch then South forty five minutes West thirty one perches to the place where the first bounds of
the aforesaid "Martinham" & "Hambletons Addition" formerly stood, then still up the said "Hambletons
back Creek" bounded therewith according to the several Meanders thereof South thirty five degrees
thirty minutes East twenty four perches, then South forty perches, then South seventy four degrees
East fourteen perches, then North thirty four degrees East fourteen perches, then North thirty four degrees
East eight perches, then South fifty three degrees East fifteen perches, then South two degrees thirty
minutes West twelve perches, then South fifty two degrees West fourteen perches, then South sixty
seven degrees West twenty six perches, then North eighty eight degrees West sixteen perches, then
North sixty six degrees West sixteen perches, then North eighty nine degrees West five perches, then South
twenty three degrees West ten perches to Pig Neck Cove, then up the said Cove, bounded therewith according
to the several Meanders thereof South twenty seven Degrees East eighteen perches, then South nine
degrees West eight perches then with a straight line to the first beginning containing & now laid out
