An Enjoyable Affair.

In the recital at Odd Fellows' Hall, on Tuesday evening, given by the Misses Slagle and Whitmore, of this city, the select and appreciative audience was given an artistic and enjoyable entertainment. Hearty applause and encores were given all of the performers. The program, consisting of selections, both instrumental and vocal, from the best composers, interspersed with some of the old familiar airs and with readings, was followed with the closest attention to the last number, by a delighted audience.

The readings by Miss Nettie Whitmore showed her to be an elocutionist of talent. Her perfectly natural manner both in humorous and serious readings and the versatility of her facial expression were especially appreciated. She excelled in her interpretation of Aux Italiens, the effect of which was heightened by the soft musical strains of Il Trovatore from behind the scene.

The rendering of the varied program of instrumental selections by Miss Elizabeth Slagle showed talent and ability and the touch of a trained pianist. She is especially strong in her interpretation. This was manifest in her rendering of Beethoven's Moonlight Sonata and also of Chopin's Funeral March. She captivated her audience by the sympathetic manner in which she played Blue Bells of Scotland with variations and other old familiar airs.

Miss Katharine Slagle has a full clear voice of unusual volume and richness which gives evidence of careful training. The classical and difficult selection from Hayden's Creation—With Verdure Clad—was sung with ease. Her high notes were clear and sweet and her runs and cadenzas were smooth and even, showing natural talent and work. In response to repeated encores she sang with much feeling and expression the old Scotch airs—Annie Laurie and Comin' thro' the Rye. The artistic interpretation and richness of tone were shown in her rendering of Millard's beautiful Ave Maria.

The whole entertainment was highly creditable to the participants and was thoroughly enjoyed and appreciated by the audience.

IN MEMORIAM.

In loving remembrace of my dear husband, Howard M. Ziie, who departed this life one year ago to-day, November 3rd, 1906.

"Loved in life, in death remembered."

One short year has come and gone
Since we were forced to part,
But time and space cannot efface
Thy memory from our hearts.

Farewell, dear Howard, a sad farewell
The loss to me no tongue can tell;
A faithful husband, both true and kind,
A better father you could not find.

By his Wife and Children.

We're lonely since dear papa died,
Tho' friends and kindred gather near,
We cannot check the rising sigh,
Or stay the silent heart-felt tear.

Of earthly friends he was the best,
Our erring, youthful steps to guide,
Oh, do not smile because we weep
We're lonely since dear papa died

You may not deem it brave or strong
To let these tears so often flow,
But those who've lost a father's love
Can tell the pain of our sad woe.

Could we but call him back again,
And kneel once more down by his side,
We would love him better than before,
We're lonely since dear papa died.

O, you who have a father dear,
Let not a word or act give pain,
But cherish, love him with your life,
You ne'er can have his like again.

Then when he's called from you away,
Across death's dark and troubled tide,
With us I know that you will say
We're lonely since dear papa died.

By his Wife and Children.

Some Campaign Observations.

BY OBSERVER.

It turns out that the "Fox Law" was advocated by Messrs. Gettier and Frederick and that they used Mr. Myers as a tool. If he can be used in such a manner, do you think he is a proper person to send back to the legislature?

A hotel man in Westminster was heard to remark that if J. Belt Townshend is elected sheriff and George L. Stocksdale, State's Attorney, he would have to go out of business. What has he been doing? Why should he be so apprehensive?

Mr. Vandiver, the chairman of the Democratic Committee, in a recent interview, says that the Democratic gain in registration in Carroll county is 117. Someone has been giving him dope. The fact is, the Republicans gained about 50.

The canvass is nearly over and it seems that the people have made up their minds that there might as well be a clean sweep in the Orphans' Court.

Mr. Joseph Englar, of Linwood, the Republican candidate for County Commissioner, is a business man in every sense of the word. If everything has been so straight in the office, why do our Democratic friends fight so hard to prevent minority representation on the board? In most of the states, minority representation is provided for by law. Why not let us see the books?

Messrs. Leatherwood, Smith and Lawyer are just the right men for Judges of the Orphans' Court. Mr. Leatherwood, the farmer, knows how farmers' estates should be handled. Mr. Smith, the experienced auctioneer, knows just how to sell them, and Mr. Lawyer, the banker and farmer, knows how money should be invested for the benefit of children and widows. All are men of family and love their homes.

If George L. Stocksdale, Esq., is elected State's Attorney, the office will be properly taken care of, even if it were true as is alleged by some Democrats that he is incompetent, which is emphatically denied. Some men are now holding offices in Carroll county that they know absolutely nothing about, but they are being conducted all right.

The Republicans are accused by the Democratic county organ of inaugurating a mud slinging campaign. Well! Well! Well! What do you think of that? That speech of Chairman Crouse upon the opening of the Democratic convention was a whole cart load of mud thrown at every Republican citizen in the county. Did the Democrats expect the Republicans to be silent after such an assertion? They should remember that the SENTINEL is a Republican newspaper.

Most of the speakers at the Democratic barbecue, held at Manchester, on Saturday last, talked about the negroes. That is the way when they know they are licked.

The barbecue at Manchester is not turning out as well as the Democrats expected. It afforded the Republican candidates an excellent opportunity to see people without having to drive so much. Free shows and free feeds are always well attended, but does it pay the fellows who pay the bills? Are the people's political sentiments measured by the amount they consume at a free lunch counter? Republicanism is founded upon something more substantial than free lunch counters? Free lunches and "niggers" are great with some Democrats

"Say, you see that fox going into your chicken house. Don't you shoot at it because some of those bobtailed horse riders may be after it, and if you harm it, you will be yanked up before a Justice of the Peace and fined about 25 dollars. Better let it kill all your chickens. This is a great county—for fox hunters.

Since a Senator gets only $450 for 90 days service in the legislature, and his expenses, including those of election, amount to at least $1000, why does the same person wish to be returned so often? One or two terms have been enough for most every other person heretofore. Mr. Reindollar, the Republican candidate is a man of large experiences in business and farming, and just the man to represent all classes.

The anti-bribery agreement has been signed. Now let us have a decent election and then everybody will be satisfied with the result.

The Democrats are always blowing about the administration of county affairs. They do not tell you, though, that a very strong Republican minority, making this county very close, has been the thing that kept them in the proper paths. Give them a large majority and every one will very soon see things they never saw before. A child that has to be whipped into obedience does not deserve very much credit for being good.

(6) That immunity be given to any party violating the law against bribery in the election to be held in Carroll County in November, 1907, who shall furnish evidence resulting in the arrest and conviction of any person violating the law against bribery at the election to be held in Carroll County in November, 1907.

Signed and executed in duplicate this——day of October, 1907.

CONSTITUTION AND LAWS OF THE STATE OF MARYLAND ON THE SUBJECT OF BRIBERY.

Section 3 of Article 1 of the Constitution of Maryland provides as follows:

If any person shall give, or offer to give, directly or indirectly, any bribe, present, or reward, or any promise, or any security for the payment, or the delivery of money, or any other thing, to induce any voter to refrain from casting his vote, or to prevent him, in any way, from voting, or to procure a vote for any candidate, or person proposed, or voted for, as Elector of President and Vice-President of the United States, or Representative in Congress, or for any office of profit or trust, created by the Constitution or Laws of this State, or by the Ordinances, or Authority of the Mayor and City Council of Baltimore, the person giving, or offering to give, and the person receiving the same, and any person, who gives, or causes to be given, an illegal vote, knowing it to be such, at any election to be hereafter held in this State, shall, on conviction in a Court of Law, in addition to the penalties now, or hereafter to be, imposed by Law, be forever disqualified to hold any office of profit or trust, or to vote at any election thereafter.

SECTION 29 OF ARTICLE 27 OF THE CODE OF PUBLIC GENERAL LAWS OF MARYLAND PROVIDES AS FOLLOWS:

Personal.

Capt. Albert Billingslea, formerly of this city, now a resident of Chicago, Ill., is visiting his old home. He was a very welcome caller at the SENTINEL office.

A marriage license was issued in Baltimore on Saturday, to Raymond R. Farquhar, of Washington, D. C., and Miss Annie L. Buckingham, of Sykesville.

Mr. Joseph Ditman and family, of Butler county, Ohio, who had been visiting Mr. Ditman's brother, Mr. Lewis Ditman, of Smallwood, and other relatives in this county, for four weeks, returned home on Monday, greatly pleased with their trip.

An event of interest to society in Baltimore, Westminster and military circles will be the marriage of Miss Louise Keener Reifsnider, only daughter of Mrs. John L. Reifsnider, Sr., of Westminster, to Lieut. Richard Bennett Creecy, United States Marine Corps, stationed at Newport, R. I., and a son of Mr. and Mrs. Edward W. Creecy, of Ilchester, Howard county, formerly of Washington. The wedding will take place Wednesday, November 27, at 12 o'clock, at the Ascension Church, Westminster, and will be followed by a large reception at Terrace Hill, the home of the bride. Miss Elizabeth Upshur Stirling, of Baltimore, a cousin of Miss Reifsnider, will be maid of honor.

Both Democrats and Republicans will look out for violators of the Anti-Bribery Laws.
