Certificate of John Dow Regr. Clerk of said County will more fully appear & which is prayed to be a part of this bill of Complaint marked F. F. Exhibit F.F. filed herewith is prayed to be a part of this Bill of Complaint if necessary to the interest of your orator in the premises — Your orator would further state that the proceedings of the said Commissioners were made under the Act of Assembly of this State to direct descents, and which requires the Commissioners to estimate the real estate of the intestate as he died seized, regarding incumbrances, consequently rejecting disputed and unsettled titles, forasmuch as if subsequently determined in favor of the heirs of an intestate, can, by a new Commission be adjusted — among them: from all which your orator clearly believes that John Williams has no right title or interest in any part of Widows Change more especially that part rejected by the aforesaid Commissioners to wherein the trespass for which your orator has so severely suffered was laid, or if the said John Williams be be not estopped by his own deeds to the said John Williams can claim no more than one undivided fifteenth part of the aforesaid part of Widows Change so rejected by the said Commissioners as by exhibit B.B. hereinbefore referred mentioned, and in either case his title would be insufficient to maintain Trespass as pretended in the action at law, as referred to by exhibit A. filed with the Bill of Complaint to which this is a Supplement, a copy of which also marked A. is exhibited herewith, and prayed to be taken as a part of this bill of Complaint (30) Your orator further would State that for the purpose of more particularly identifying that part of Widows Change rejected by the aforesaid Commissioners A.D. 1795. as the same on which your Orator was so wrongfully charged with having committed a trespass, he would refer your honours to Exhibit G.G. H.H. & J.J. herewith filed and which your orator prays may be taken as a part of this Bill of Complaint — Exhibit G.G. was found among the papers of Samuel Smith one of the Commissioners mentioned in B.B. hereinbefore referred to, and who was the Surveyor to the said Commissioners at the time — By the remark referring to figures 182. upon said Platt made by your Orator, the part of Widows Change claimed by Matthias Miles at that time as a part of Clerain and rejected by said Commissioners and so forth is the same land laid down for illustration by John Williams wherein your orator was charged with having committed a trespass for the certainty of which your orator prays your Honour particularly to compare the same with Exhibit J.J. which is a copy of the Platt laid down by John Williams aforesaid for illustration &c. and which also contains remarks made by your orator in relation thereto — Exhibit H.H. was found among the papers of Wm. Davis Allen which are now in the hands of James Boston, the Executor of the administrator of the administrator of the said William D. Allen by comparing this Platt and remarks made by your orator with the Exhibits herein before referred to, the part of Widows Change rejected by the Commissioners aforesaid A.D. 1795. and claimed by M. Miles as a part of Clerain is the same Land wherein the trespass was alledged to have been committed by your orator as illustrated by the directions of the said John Williams in Exhibit J.J. herein before mentioned to these facts arising from the comparison of the said three last named Exhibits herewith viz. G.G. H.H. & J.J. your Honours particular attention is humbly requested — The misfortune as by Exhibit H.H. makes this more of investigation, at present necessary and improper — Your orator would further state and charge that the part of Widows Change wherein the aforesaid trespass was said to have been committed, was in the possession and occupancy of William

D. Allen during his lifetime, as also in that of his heirs waiting a decision as to whom the same should ultimately attach and by a determination of referees (31) chosen by William W. Allen and your orator March 14th 1820 it was determined that under the previous agreement between Wm. W. Allen and your orator, the timber so cut upon the part of Widows Change, rejected by the Commissioners of 1795 was apart sold to your orator in order of said agreement, as by Exhibit H.H. will more fully appear, and which your orator prays may make a part of this Bill of Complaint — Your orator would expressly charge, that the said defendants John Williams William W. Allen, combining and conspirating together as will appear fully by Exhibit G. filed with the Bill of Complaint to which this is a supplement, a copy of which is herewith filed marked G, and prayed to be taken as a part of this Bill of Complaint with the view to injure and defraud your orator in the premises sometimes pretend they will show your orator all the papers and writings in their power or custody relating to the transactions as aforesaid, but which they have ever refused to do greatly to the embarrassment and injury of your Orator. Your Orator would further state, that until a misunderstanding between William W. Allen and your Orator followed by the conspiracy heretofore charged among the defendants to this bill the said John Williams never pretended to or thought of setting up a title to any part of the premises of which Jane Strawbridge died seized nor could ever have had in his power to shew colour of title but for the acquiring possession of papers &c as charged in the bill of Complaint, to which this is a Supplement, and the intricacy & mystery which a series of many years had thrown over the whole business as herein before stated all which actings and doings and sufferances are contrary to equity and good conscience, and tend the manifest injury of your orator in the premises — In tender consideration whereof and forasmuch as your Orator is remediless in the premises at and by the direct and strict rules of common law, and cannot have adequate relief save in a Court of Equity where matters of this and the like nature are properly cognizable and relievable — To the end therefore that the said John Williams, William W. Allen William Whittington, and the rest of the conspirators when discovered may upon their several respective corporal oaths full true direct and perfect answers make to all and singular the matters herein before stated, represented and charged as fully & particularly as if the (32) same were herein after repeated and they thereunto distinctly interrogated and that not only to the best of their several and respective knowledge and remembrance, but also as to the best of their and each of their several and respective information, hearsay and belief, moreover that your orator may not be unjustly deprived of his property upon judgments so fraudulently obtained by executions upon them may it please your honours to grant unto your Orator injunctions upon the said judgments and executions of Fieri Facias now levied upon the property &c of your Orator to the said John Williams his aiders & abettors and to the Clerk and Sheriff of Somerset County to be directed commanding them to stay and surcease, all further and all proceedings on the said judgments executions or attachments in and about the premises until the further order of this Honorable Court, & also the States writ of subpoena to the said John Williams William W. Allen & William Whittington directed commanding them upon sufficient penalty to be and appear in this Honorable Court on some day certain to answer the premises &c
