in the Depositions of Archer and William Fowler, to be set up by order of Commissioners when they were marking and bounding the lands of Major Walter Dulany deceased, and described on the plat by A. and running from the said Stone North forty one degrees East seven hundred and two perches to a large Stone set up in the field of James Parker by the order of the aforesaid Commissioners as the beginning of Dulanys tract of land called The Remains of my Lord Gracious Grant described on the plat by B. then North fifty two degrees East two hundred and forty four perches to a Stone in the field of James Conner described on the plat by C then South forty eight degrees East ninety five perches to a stone described on the plat by D. then North Eighty seven degrees East two hundred and twenty nine perches to another Stone described on the plat by E. then South three degrees East two hundred perches to a stone described on the plat by F. all which said stones was shewn to the Sheriff and Surveyor and which is mentioned in the Depositions of Archer and William Fowler, as bounds of Dulanys land called the Remains of my Lord Gracious Grant, and set up by order of the aforesaid Commissioners. In Testimony of which as well the Sheriff as Surveyor of Kent County have set their hands and seals this first day of July 1809.

Simon Wickes S. K. Co. (Seal) Aaron Gale Shff (Seal)

By virtue of an order from the Court March Term 1810. to add and amend the plats and Certificates as by the said order may appear, I have by the direction of the plaintiff laid down a piece of land, which is mentioned in John Whittington & Archibald Fowler's Depositions to be in Wood sixteen years ago beginning at D. and running to A. then to C. then with the black line to the beginning, I have by the direction of the plaintiff laid down the tract of land called Partnership so as to correspond with the location made by the Commissioners (laying down the home line of that tract which takes A. allowance for variation beginning at A and running N.E. b. N. 320 pl. to H then S.W. b. W. 320 pl. to I then N. b. East 820 pl. to K then East 440 pl. to L. then South 50 pl. to B. which is laid by the plaintiff as the beginning of my lords Gracious Grant, then a straight line to the beginning of Partnership at A. Witness our hands and seals this 2nd day of August 1810.

Simon Wickes S. K. Co. (Seal) Edw. Wilkins Shff (Seal)

By virtue of an order of Court September Term 1810. I have by the direction of the plaintiff marked a spot on the plat at P. which the plaintiff alledges William Spearman showed as the corner of Dulanys land, before he swore to the spot as shewn to him by Elijah Mapey the place first shewn by Spearman is six perches Westward from the place shown C. I have also by said direction marked a spot on the plat which William Spearman said he would swear to where he was told by Elijah Mapey a line tree of Dulanys and Conners stood, and afterwards prov'd another place as on the plat at D the place first offered to be proved is five perches from D towards E. Witness our hands and seals this 5th day of March 1811. Simon Wickes S. K. Co. (Seal) Edw. Wilkins Shff (Seal)

By virtue of an order from the Court March Term 1811. to add & amend the plats & Certificates as by the said order may appear, I have by the direction of the plaintiff laid down the tract of land called Honest Dealing, beginning at a Stone mentioned by Capt. John Whittington, Archer Fowler and William Fowler (see their depositions) as the beginning of that tract marked on the plat by K and running thence with 3° variation East 320 pl. to F. then North 200 pl. to E. then West 320 pl. to I then a straight line to the beginning. I have by said direction laid down the tract of land called the remains of his Lordships Gracious Grant beginning at the stone set up by the Commissioners who marked & bound that tract for Major Dulany described on the plat by B to C. to D to E. to F. then as the courses of the resurvey of that tract mentioned in the Certificate from the land Office as described on the plat by black dashed lines and courses numbered from B. with the red figures to the black letter W. then

a straight line to the begining at B. I do Certify that the plaintiff lays down the Remains of his Lordships Gracious Grant as their claim pretensions and possessions. Witness our Hands and seals this 5th day of August 1811. Simon Wickes S. K. Co: (Seal) Edward Wilkins Shff (Seal)

Mary Dulany, Grafton Dulany, Sarah Dulany, Dorsey of Walter Dulany Deceased. aff. — James Conner, Benjamin Conner & Martha Conner —

To the Honorable Judges of Kent County Court. By virtue of an order from the said Court September Term 1809. to add & amend the plats & Certificates as by the said order may appear. These are to certify that I Simon Wickes, Surveyor of Kent County, By virtue of the said order have by the direction of the Defendants laid down the land which they are in possession of & enclosed shown to the Sheriff and Surveyor by William Spearman as mentioned in his deposition beginning at a stone set up in the line of the tract of land called Honest Dealing which is now in possession of Capt. John Whittington, and which stone is in the line of fence that divides the plantation of the Defendants and is also the stone set up by order of Commissioners as laid down by the plaintiff described on the plat by the letter D. and running thence with the fence as shewn by William Spearman, and mentioned in the Deposition N. 67° E. 35 pl. to then N. 49° W. 160 pl. to B. then S. 52½° W. 77 pl. to C. then South 80° W. 8 pl. then S. 14° W. 8 pl. to D. which is the spot mentioned by William Spearmans deposition a tree stood shewn to him by Elijah Mapey, as a line tree between Dulanys land and the present defendants, then S. 8° E. 17 pl. then S. 14½° W. 8 pl. then S. 8° E. 19 pl. then S. 33° E. 6 pl. to E. then S. 16½° E. 27 pl. then S. 65½ E. 14 pl. then S. 28½ E. 15 pl. to F. then the fence ends that encloses the clear ground then the courses of the defendants clear land is as following S. 28 E. 30 pl. then S. 29 E. 60 pl. to G. at the fence by the defendants Gate, then with that fence N. 61. E. 8 pl. to H in the line of the division fence between the Defendants plantation and the tract called Honest Dealing, then with that fence N. 3. W. 117½ pl. to I. and N. 87 E. 92 pl. to the beginning at D. I have by the directions of the defendant laid down a piece of Woodland which he claims beginning at the letter G. and running from thence N. 61. E. 5 pl. to H. then S. 3 E. 85 pl. to the stone at K. said by John Whittington, Archer Fowler & William Fowler to be the beginning of the tract of land called Honest Dealing, (see their depositions) then S. 87¾ W. 30 pl. to L. then N. 20. E. 36 pl. then N. 14½ E. 28 pl. then to the beginning at G. I have by the defendants direction laid down a House and Grave yard, mentioned in Elijah Mapeys deposition described on the plat by M. for the House and a few perches to the North East is the Grave yard. I do also certify that the fence mentioned in Elijah Mapeys deposition as between James Conner and Archer Fowler is from A to B to C. I have by the direction of the defendant marked a spot on the plat at P. where Elijah Mapey says in his deposition formerly stood a red oak tree now a stump the beginning of my Lords Gracious Grant called Dulanys land, I do also certify that the line A.R. is the fence mentioned in John Whittington, Archer Fowlers and William Fowlers depositions to be put there sixteen years ago, and the lines from C towards D. is the fence mentioned in Archer Fowlers depositions as put there three years past and Archer Fowler shewed a spot marked on the plat by S. where Elijah Mapey told him the House stood the Mapeys first lived in and moved the House from further down the branch, because they discovered it was on Dulanys land, The Gun House also mentioned in John Whittington Deposition is at the letter S. (see their depositions) The fence mentioned in William Fowlers deposition of few or a dozen panels is along the first line from D. I have by the direction of the defendant surveyed and laid down the tract of land called Partnership, with six degrees allowance for variation beginning at the place which the plaintiff has fixed on as the beginning of that tract, described on the plat by the letter A. and running from thence N. b. E. 320 pl. to T. then N. W. b. W. 320 pl. to V. then N. b. E. 820 pl. to W. then East 440 pl. to X. then a straight line to the beginning. I do certify that the defendants claims and takes defence for the land which he is possessed of as shewn by William Spearman and the woods as laid down on the plats. In Testimony of which as well the Sheriff as Surveyor of Kent County have set their hands and seals this 20th day of February 1810.

Simon Wickes S. K. Co: (Seal) Edward Wilkins Shff (Seal)
