His First Case.

Judge Forsythe, recently appointed by Gov. Warfield as Associate Judge of the Fifth Judicial Circuit to fill the vacancy created by the election of Judge Thomas as Chief Judge, heard his first case on Wednesday. The hearing was had in Baltimore, and the suit was that of Dr. Joshua W. Hering, executor of Miss Sallie Longwell, against Bishop William Paret, of the Protestant Episcopal Diocese of Maryland, and others, for the construction of a certain clause in the will of Miss Longwell.

The testatrix died June 22nd, 1905. Her will bequeathed $10,000, the home mansion and 15 acres of land, to the Protestant Episcopal Diocese of Maryland, to be used in establishing an institution for benevolent and educational purposes, and provided that should the diocese decline the legacy it should go to the Presbytery of Baltimore for the same purpose. Both bodies declined the bequest. The will further provided that both bodies declining, $5000 of the bequest should go to the Church Home and Infirmary, and the remainder equally to missionary societies of the Protestant Episcopal and Presbyterian churches. This clause in the will has been contested by relatives of Miss Longwell, and the suit is for its proper construction. Thomas A. Murray, Esq., represents the executor; Messrs. Barton and Ambler, the Episcopal Missionary Society; Robert H. Smith, Esq., the Board of Missions of the Presbyterian Church; Edwin Guest Gibson, Esq., the Church Home and Infirmary; Messrs. Bond & Parke, relatives of the testatrix. Judge Forsythe reserved his decision.

St. Stephen's Lodge, I. O. O. F.

St. Stephen's Lodge, I. O. O. F., Daniel, held its annual oyster supper and public installation on Saturday, 4th inst. The hall was prettily decorated with evergreens and the emblems of the order. The grand officers and representatives from Baltimore conducted the installation. The first speaker of the evening was Grand Master R. W. Mobray, who being a lawyer stated that he belonged to that class of people who can find everything and who keep all they find. He said among other good things relating to the order that the Odd Fellows had given last year to charity five million dollars. The second speaker was Grand Herald, Graham Trull. He was followed by Chas. W. Banthem, whose card reads Grand Representative, Grand Encampment I. O. O. F. All the talks were highly entertaining and the best exposition as to what Odd Fellowship stands for and what it is doing that has been given here. Mr. Milton H. Penn, U. G. of St. Stephen's, was the next speaker. His talk was a retrospect and was much appreciated. Had the Odd Fellows in their earlier days held public meetings and explained their principles as they do now, doubtless the curiosity of the women would have been much allayed and the order grown more rapidly. During the evening the male quartet, composed of Messrs. Grimes, Streaker, Barnes and Penn, sang a number of fine selections. A goodly number of persons was present and the oyster supper was quite a success

ORDER OF PUBLICATION.

NO. 4394 EQUITY.

In the Circuit Court for Carroll County, in Equity.

Mary A. Gibson, Plaintiff, vs. John Gibson, defendant.

The object of this suit is to procure a divorce A Vinculo Matrimonii by the plaintiff from the defendant.

The Bill states that the plaintiff is now a resident of Carroll county, Maryland, and the defendant a non-resident of the State of Maryland, and that they were married on the 23rd day of February, 1878, in Westminster, in Carroll county, Maryland; that, though the conduct of the plaintiff to the defendant has always been kind and faithful, the said defendant has without just cause or reason abandoned her, and that such abandonment has continued uninterruptedly for more than 8 years and is deliberate and final and the separation of the parties is beyond any reasonable expectation of reconciliation, and that said parties have two children.

It is thereupon this 3rd day of January, 1908, ordered by the Circuit Court for Carroll county in Equity that the plaintiff cause a copy of this order to be inserted in some newspaper published in Carroll county, once in each of 4 successive weeks before the 3rd day of February 1908, giving notice to the said defendant of the object and substance of this Bill, warning him to appear in this Court in person or by solicitor on or before the 24th day of February next, to show cause if any he has why a decree ought not be passed as prayed.

TRUSTEE'S SALE OF TWO DESIRABLE FARMS, near Finksburg, Carroll County, Maryland.

By virtue of a decree of the Circuit Court for Carroll county, sitting as a Court of Equity, and passed in cause No. 4213 on the Equity Docket of said Court, the undersigned, therein named as Trustee to sell the same, will sell, at Public Sale, on the premises first hereinafter mentioned, on

SATURDAY, FEBRUARY 1st, 1908,

at 2 o'clock, P. M.

First:—All that farm or parcel of land known as the "Home Farm" of the said Edwin N. Buckingham, containing

90 ACRES MORE OR LESS.

The improvements thereon are a comfortable two-story part frame and part roughcast dwelling house with eight rooms, barn, dairy and all other necessary outbuildings. This property is situate on the Baltimore and Reisterstown Turnpike Road, about 2½ miles from Finksburg Station, Western Md. R. R., and six miles from Westminster, and adjoins the lands of John Brown and the Raider, formerly Buckley, farm, and others. About 15 Acres are in good oak and chestnut timber. There is a due proportion of meadow land, and the balance of the land is under a good state of cultivation, well watered, spring near the dwelling, apple, pear and other fruit trees on the premises. This is a most desirable farm and this sale should command the attention of persons wishing to purchase a farm.

Second:—Also a farm or parcel of land, part of a tract of land called "Clover Hill," containing 110 ACRES, MORE OR LESS. This property has no buildings upon it, except a small log tenant house, and is situated on the Mechanicsville or Gamber Turnpike, about 1½ miles from the village of Finksburg, and adjoining Clover Hill farm and the land of Mr. Galloway and others. About 70 acres are cleared land and in a fair state of cultivation. The soil is naturally good, and about 40 acres are in white oak and chestnut timber. The property is well watered by springs and streams and could be easily made a most excellent farm. For further information call on the undersigned, or Mr. E. N. Buckingham on "Home Farm."

TERMS OF SALE:—One-third cash on the day of sale or on the ratification thereof by the Court, and the residue in two equal payments, the one to be paid in one year, and the other in two years from the day of sale, with interest, and to be secured by the notes of the purchaser or purchasers with security to be approved of by the undersigned trustee; or the whole of the purchase money may be paid in cash on the ratification of said sale by the Court.
