Beginning of Coles Deed by my running and from general reputation and also shewed by its being at the End of 160 pes in the 3d line of Venus. Testimony in reference to the End of the 3d line of the deed of Richard Cole to Evan Denny dated 1814 as follows, James Fine aged 30 being summoned and sworn testifies as follows. I shew the stake to be planted in the Bulls Mouth of the Main Road I was present when the stake was planted by the direction of W. C. Neal the County Surveyor and believe it to be the termination of the 3d line of the deed from Richard Cole to Evan Denny. Oliver Harding aged 34 being summoned and sworn testifies as follows I drove the stake at the place it now stands by the direction of W. C. Neal the County Surveyor, and that it is in the North side of the main Road.

I. W. C. Neal aged 29 being summoned and sworn testifies as follows I shew that this stake is at the End of the 3d line of the deed from Richard Cole to Evan Denny standing at the Bulls mouth of the Main road.

Instruction 7 Testimony in reference to the Beginning of the land from Evan D. Hammond and Wife to Henry Clay by deed 1st June 1842 I. W. C. Neal aged 29 being summoned and sworn testifies as follows I shew that that is the Beginning of the deed from Evan D. Hammond and Wife to Henry Clay because it is at the End of 30 pes in the 15 line of the Resurvey on Drummons" also because it is the End of the 10 line of the deed from Richard Cole to Evan Denny in 1814.

Given under our hands and seals this 9 day of October 1856.
