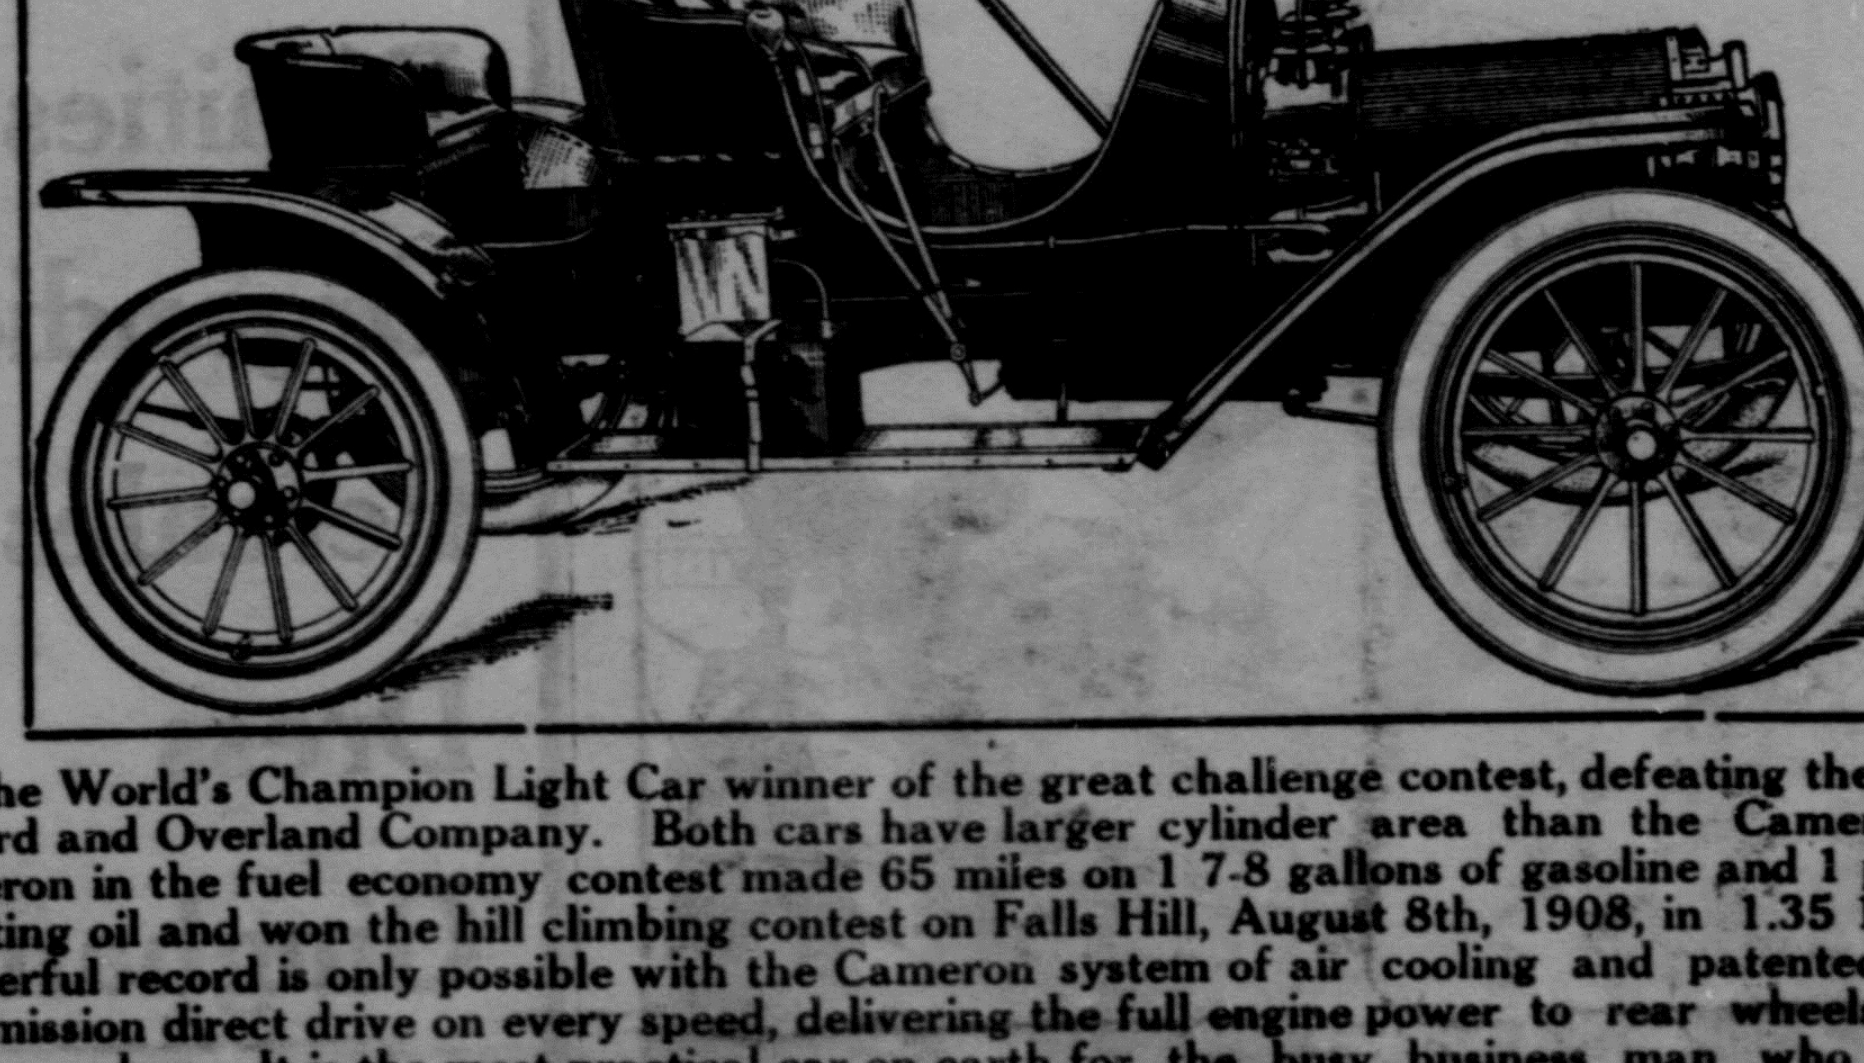
CYPRESS Shingles at bargain prices to move them quick. Smith & Reifsnider,

THE CAMERON CAR WINS



The World's Champion Light Car winner of the great challenge contest, defeating the star cars of Ford and Overland Company. Both cars have larger cylinder area than the Cameron. The Cameron in the fuel economy contest made 65 miles on 1 7-8 gallons of gasoline and 1 pint of lubricating oil and won the hill climbing contest on Falls Hill, August 8th, 1908, in 1.35 1-5. This wonderful record is only possible with the Cameron system of air cooling and patented 3-speed transmission direct drive on every speed, delivering the full engine power to rear wheels without friction or loss. It is the most practical car on earth for the busy business man who demands high-class efficiency and continual service regardless of weather conditions. Ask for demonstrations or call and see this wonderful car. Prices from $850 to $1,100, according to equipment and seating capacity.

J. W. LOCKARD & SON,
