shown on the plats of the plain red lines numbered with red figures from 1 to 16 and then by a straight line to the Beginning. I have also by the direction of the defendant Counsel located for elucidation the tract of land called Hearts Delight which was surveyed for Samuel Maloney the 31 day of March 1745 and patented to Thomas Cresap the 25th day of June 1759 Beginning at C on the plats and running thence according to the annexed table of courses and shown on the plats by the plain black lines shaded with yellow and numbered with red figures from 1 to 13 and thence by a straight line to the Beginning.

I have also located a connecting line of fence commencing at the end of the 6th line of defendants possession No 1 and running with the red lines numbered with red figures 8. 9. 10. 11 12. 13 14. 15. 16 to the beginning of said possession No 1.

Plaintiffs Locations

I further certify that I have by the direction of the plaintiffs Counsel located as the claim and pretensions of the plaintiff all that part of the tract of land called The first part of Mt Rue Resurveyed which was conveyed by George Smith of Alexander Executor of the last Will and testament of John Hoye late of Allegany County deceased to Samuel Hurley the plaintiff date on the 13th day of March 1800 Beginning at D on the plats it being a bounded white oak standing at the end of the 7th line of said First Part of Mt Rue Resurveyed and running thence according to the annexed table of courses and shown on the plats by the plain black lines shaded with blue and numbered with blue figures from 1 to 31 and then by a straight line to the beginning. I have also by the direction of the plaintiffs Counsel the road leading from the slate quarries to the old Town road and which are shown on the plats by the blue dotted lines. I have also by the direction of the plaintiffs Counsel located the slate quarries each of which is designated on the plats by a. I have also by the direction of the plaintiffs Counsel located the Sycamore at the end of the 3d line of defendants possession No 1 the white oak marked H at the end of the 6th line of

said possession and the Chestnut tree near the end of the 4th line the plaintiffs part of First part of Mt Rue Resurveyed which are designated on the plats by b. I have also by the direction of the plaintiffs Counsel located the cross fence above the lower Spring and the cross fence above the white oak marked H which are designated on the plats by ~~~ I have also located the old town road from the defendants dwelling house to and beyond the point of intersection of the quarry road with it which is shown on the plats by the black dotted lines.

Resurveyed and laid down this 17th day of December 1867. Newton R Brown Deputy Surveyor of Allegany

Hearts Delight Surveyed for Samuel Maloney the 31 day of May 1745 and patented to Thomas Cresap the 25th day of June 1759 Beginning at a bounded hickory tree standing at the foot of the hill near the lower end of a bottom about half a mile below the mouth of Patterson's Creek in Virginia and running thence
