HIDDEN DANGERS

Nature Gives Timely Warnings That No Westminster Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, illsmelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Westminster proof:

Levi T. Frizzell, E. Main St., Westminster, Md., says: "I had been troubled with my kidneys for several years and could not get relief until I procured Doan's Kidney Pills at Chas. W. Moore's drug store. The secretions from my kidneys were too profuse, contained a sediment at times and gave me much annoyance. I was often troubled with a dull, nagging ache through my kidneys and across the small of my back. I realized that all my suffering arose from disordered kidneys and reading about Doan's Kidney Pills, I began their use. They gave me speedy relief and I feel so much better now that I do not hesiitate to recommend Doan's Kidney Pills to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.

Remember the name—Doan's—and take no other.

The Philadelphia Press To Tell Of Asia's Awakening.

Beginning Sunday, January 3, "The Philadelphia Press" will begin publishing Frank G. Carpenter's letters on "Asia's Awakening" and the mighty changes that are taking place in the far East. Since Russia's defeat by Japan, the other side of the globe has become the world's chief news center. In order to give "The Philadelphia Press" readers all the news from the other side of the world, they have sent Mr. Carpenter to investigate all these matters in the Eastern countries, and his complete and truthful reports will appear from week to week. He will travel through Japan, from there into Korea, and then overland through Manchuria into China, and may later go through Siam, Palestine and Turkey. His letters will be very interesting and should be read by everybody. Make sure you will get a copy every Sunday and order your copy in advance from your newsdealer or send direct to "The Philadelphiaa Press," Seventh and Chestnut Streets Philadelphia.

Dependent on the Past.

At the courts a case concerning motor driving was being heard, when the chauffeur declared that when driving at forty miles an hour he could, if necessary, pull up in ten or twelve feet.

"Um!" said the judge.

Then the next witness—an expert—gave his evidence.

Said his lordship: "If a motor car were traveling at forty miles an hour, and the brakes could be put on in such a manner as to stop it within ten or twelve feet, where would the driver go?"

"Depends very much on the sort of life he'd been living," said the expert. —Tit-Bits.

"No, I don't like that woman," declared Nuwed.

"And why not?"

"She's too blamed sorry for my wife to suit my ideas of what's requisite and necessary."
