April Term 1868

sometimes to the Baptist Church in his neighborhood does not remember the names of any of the people who visited Hooketown Church at that time. Old John Boone invited deponent to go to his mothers funeral

Ursula McEvers Deposition

That she will be seventy two years old the twelfth of July next. That she knew John C.R.B. Boone has heard tell of him ever since she can remember. Has heard the old people say he was never married to Mrs Parlett, and that he never had any lawful heirs tell he was married to Mrs Hale deponent knew Stephen Boone did not know if he was previously called Parlett or not, there was a couple of Children called Parletts children but cant say whether they were these children or not. Deponent knew Stephen when she saw him he married a daughter of old Mr George Reid.

Has heard the old people say there was an intimacy between old John Boone and Mrs Parlett, but that they were not married and also say there were two children of Mrs Parlette but cant say by what names the old folk called them. The general reputation in the neighbourhood was that Mrs Hale was married to Old John Boone and that they lived together as man and wife, dont know if they lived all the time together or not, and deponents knows there was a child called Prudence which was reputed to be their daughter

Cross Examination

Deponent was never in old John Boone house but once and that was at the burial of his mother, at that time deponent lived in Hooketown. Deponent thinks she lived a couple of miles from John Boones house, cant recollect the year when John Boone or his mother died, but John died after his mother, deponent was a married woman and had been married the second

April Term 1868

time when John Boone died. Deponents first husband lived in the City of Baltimore. Has heard the old people talk of John Boone and Mrs Parlett when deponent was a little child and she was then living in Hooketown. Has seen Stephen many a time cant say if Stephen was younger or older than herself, cant say that she ever spoke to him, deponent never was in the neighborhood of John Boone and dont know the old people in that neighborhood or who lived there, was never there but the once upon reflection thinks Mr Grice the baptist preacher lived in John Boones neighborhood but is not certain. Knows there was a Mrs Guinevan lived in the neighbourhood but knows nothing particular about her.

Examination in Chief

The reason why deponent would not associate with Stephen Boone and his sister was that they were considered illegitimate and they were in a rank of life below deponent & her associates

Edward Griffith Deposition

That he was sixty two years old the 27th day of last December, he knew John C.R. B. Boone when deponent first knew Mr Boone he (deponent) lived in Baltimore and was very little, but he has a recollection of old John Boone.

[Deponent thinks he has heard that Boone and Mrs Parlett were not married] objected to by Complainants Counsel. Mrs Parlett had a son William Parlett older than Stephen and Eleanor whom deponent knew very well, When deponent first knew Stephen Parlett Boone he (deponent) was little more than five years old [The reputation was that Stephen was an illegitimate child and that Eleanor his sister now Mrs Burke was also illegitimate] objected to by Complainants Counsel.
