Copy of Patent of "Skipnish"

Genl. John Swan his Patent 888½ acres "Skipnish"	The State of Maryland } Know ye that whereas, Genl.

John Swan of the City of Baltimore on the eighteenth day of March eighteen hundred and two, obtained out of the Western Shore Land Office a special warrant to resurvey, and affect a tract or parcel of land called Little Worth lying in Allegany County originally on the twentieth day of August, seventeen hundred and ninety seven, surveyed for John Tomlinson, for twenty acres, the com-

position money for which had not been paid. In pursuance whereof a resurvey was made and a Certificate thereof returned by the name of "Skipnish" and containing eight hundred and eighty eight acres and a half. and the said Swan having fully compounded for said Land, by the application of warrant and paying to the Treasurer of the Western Shore the sum of eighty seven pounds according to Law.

The State of Maryland doth therefore hereby grant unto him the said Genl. John Swan, the said Land resurveyed as aforesaid, with the vacancy added, and called "Skipnish" lying in Allegany County aforesaid Beginning at a bounded Wild Cherry tree standing on the West side of a hill and on the East side of a glade, and at the end of a line drawn North thirty three degrees, West five hundred and ninety three perches from the beginning of a tract of Land called "The Land Flowing with Milk and Honey" it also being the supposed beginning of a tract of Land called "False Alarm" and running thence with said tract of Land South fifty four degrees east sixty two perches, North forty eight degrees, east one hundred perches east sixty perches, South fifty three degrees, east eighty eight perches to the end of the sixth line of the tract of land called The Land Flowing with Milk and Honey, and with the seventh line of said tract North forty seven degrees, east three hundred and twenty five perches, to the end of the last line of Lot No 1260, and with it reversed North three degrees, West one hundred and seven perches to the first line of Lot No 1267, and with it West one hundred and four perches, North twenty two degrees, West one hundred perches to the end of the fifth line of Lot No 1271, and with it reversed North sixty -
