April Term 1871.

3d. I. Answer

I saw it first in the hands of Davison Armstrong at James D. Armstrong, I am not positive which.

4th I. Answer

I had it in my possession. I cant say when, I am almost positive that I had it with me when I got the Certificate signed, My impression is that I did survey all the lines of "Cairo" subsequent to the warrant, and before the signing of the Certificate by W. M. Owens.

5th I. Answer

I dont recollect.

6th I. Answer.

Not positively, my impression is that James D. Armstrong was one of them.

7th I. Answer.

I dont recollect. My impression is that a bond was secured in view of he being interested.

8th I. Answer

I cannot. my impression is that he did not.

9th I. Answer

I did not

10th I. Answer

My recollection is that I showed it to him, with the certificate to be signed, and think that I left it with him.

The Caveatee by his counsel objects to all parol testimony on the part of the Caveators intending to go behind the Surveyors certificate in this cause, as to invalidate the same.

11th I. Answer

I dont know whether he did or not.

12th I. Answer

Yes Sir. I was.

13th. I. Answer. By Horace Resley Clerk of the Circuit Court for Allegany County. since about the 1st of August 1869. but never previously.

April Term 1871.

Here the commission adjourned over until Thursday December 2d 1869 at 10 O'clock A. M.

Commission met on this 2d day of December 1869 according to adjournment. and cross examination of W. M. Armstrong continued.

14th I. Answer.

I made it at the request of W. W. McKaig one of the Counsel for the Caveatee, for what purpose I do not know.

15th I. Answer.

I think Mr. McKaig told me that he wished it for evidence in this case.

16th I. Answer.

The correctness of the original survey.

17th I Answer

It was written on the day it was filed being on the 30th day of November 1869.

18th I. Answer

I dont recollect. I made this Certificate from my original notes, of several surveys made at different times of that tract of land.

19th I. Answer.

I made no distinct survey for this paper on the ground. but I made the paper out from notes of the former survey. of this tract called "Cairo" and from corroborative notes of surveys of adjoining tracts at different times (all made by me)

20th I. Answer

I ran the tract out entire since the original certificate was made. and made this paper W. A. from the notes of the original survey made by me. and found the original survey correct.
