Political.

The Republican State Central Committee met in Baltimore on Wednesday for the consideration of matters relating to the approaching political campaign in this State. Mr. John B. Hanna, of Harford county, was elected chairman to succeed Mr. Thomas Parran, who declined to be a candidate for the position.

Among the resolutions adopted was one strongly condemning the pending disfranchising constitutional amendment. Another resolution was adopted authorizing the chairman to appoint a committee, to be comprised of one from each congressional district, to prepare an address to the people, "advising them how their rights are and will be affected by the present and proposed legislation."

There was no difference of opinion among the members of the committee in relation to this subject, as, indeed, there should be none among all the Republicans of the State. All the election legislation now on the statute books and the proposed amendment have but one object, their purpose being to thoroughly intrench the Democratic Machine Organization in permanent power in the State.

This was largely evident in a conference of leading Democratic politicians, held at the Hotel Rennert, in Baltimore, on Wednesday evening, at which not a single voice was raised against the measure, although Mr. W. S. Bryan, who opposed the former disfranchising amendment but favors the adpotion of the pending one, suggested that it "may confront danger in the Supreme Court," which it undoubtedly will.

A call for opinions as to the probable result in various counties elicited favorable replies from most of those interrogated. For this county, however, B. F. Crouse, Esq., is reported as saying the amendment has been discussed but very little here, the "negro vote never having been a prominent factor, there being only about 450 colored voters in the county."

It is perhaps due to this fact that many persons in both parties have not taken much interest in the subject. The time is at hand, however, when every citizen who has the welfare of the State at heart should give the matter serious consideration, and, in view of the almost certain negation of the amendment, if adopted, by the Supreme Court of the United States, vote against it and put a final end to the controversy over it.

The Supreme Court of Alabama has decided unanimously that the State wide prohibitory law passed in that State is constitutional. The law went into effect January 1st, but as it was at once attacked in the courts on constitutional grounds, officers of the law have been lax in its enforcement. Now a campaign to enforce its observance will be inaugurated.

Local option elections were held on Long Island, N. Y., in numerous towns in Wisconsin, in Hartford, Conn., and in 27 counties in Wisconsin, on Tuesday. On Long Island a maiority of the towns voted for license. This was the case also in Wisconsin, where 20 towns voted for to 13 against license and one was a tie. Harford, Conn., voted for license, 7,921 to 3,252. This, however, was a gain of 700 for prohibition over last year's vote. In Michigan 19 counties voted out the saloon, while 8 voted for license.

WORDS TO FREEZE THE SOUL.

"Your son has Consumption. His case is hopeless." These appalling words were spoken to Geo. E. Blevens, a leading merchant of Springfield, N. C. by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for my boy." Infallible for Coughs and Colds, its the safest, surest cure of desperate Lung diseases on earth. 50c and $1.00 at all druggists. Guarantee satisfaction. Trial bottle free.

SWEPT OVER NIAGARA.

This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster current. Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one $1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at all druggists.

Manufacture your own stock foods as you need them by mixing a small quantity of the Fairfield Blood Tonics with the animals, regular ration. A separate Tonic for each kind of animal, in highly concentrated form, gives greater results at less cost than the old style preparations. Sold under written Guarantee by the W. H. Davis Co., of Westminster, and Geo. W. Yeiser, Union Mills.

UP BEFORE THE BAR.

N. H. Brown, an attorney, of Pittsfield, Vt., writes: "We have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them." For Chills, Constipation, Biliousness or Sick Headache they work wonders. 25c at all druggists.

Hogs are more susceptible to disease than any other animal. Fairfield's Blood Tonic and Flesh Producer for Hogs Only is a sure preventative of Hog Cholera and all the minor ailments of swine. PLANT WOOD'S SEEDS For Superior Crops.

Cow Peas

The Best and Surest Cropping of Summer Soil-Improving and Forage Crops.

Makes poor land rich; makes rich land more productive, and improves the condition and productiveness of soils wherever they are grown.

The crop can be cut for forage, making a large-yielding and most nutritious feed, and the land can be disked afterwards—not plowed—making an ideal fertilization and preparation for wheat and all fall-sown grains. All of our

Cow Peas and Soja Beans

are recleaned, free from hulls and immature peas, superior both in cleanliness and quality, and of tested germination.

Write for prices and "Wood's Crop Special" giving timely information about Seasonable Farm Seeds.
