he and his Sister Mrs. Richardson had been cut off that the interview was sought by P. W. Hanson because he appeared not to fell fully justified in prosecuting the suit against Col. R. C. Johnson for the recovery of the land which his Aunt Catharine had devised to her husband for life with remainder to her Nephew Geo. A. Hanson - That Mr. P. W. Hanson's impression that his Aunt's Will had been procured under improper influence seems to be based upon information received by him many years before this interview.
