deed, North eleven perches to the beginning of said deed shown on the Plate at black L. then with the first line of said deed, East two hundred perches and eight links to the hickory tree at black I, the locations of the third, fourth and first lines in the above deed are the same as located by the defendants, and are shown by the black . . . . . dotted lines I. K. L I, on the plate.

I have also by directions of Plaintiffs' counsel carefully laid down the second line in a deed from John W. Frantz et al to Elijah Friend as located by defendants with a variation of three degrees to the right and shown on the Plate by the red line I — — R running to the right of the stone and two maple stumps shown on the Plate at black J, two perches and five links: Beginning at a Hickory tree, shown by black I on the Plate, and running South eleven degrees, West one hundred and twenty-two and one-tenth perches extending the line in the deed up one and three-tenths perches.

I have also by directions of Plaintiffs' counsel carefully located and laid down by actual survey the lines in a deed from John W. Frantz, et al to Elijah Friend, and shown on the Plate by the red line I — — R and black lines R, K, L, I: Beginning at a Hickory tree at black I and running South eleven degrees, West one hundred and twenty two and one-tenth perches to black R, then North fifty-eight degrees, west with a variation of 2¾° to the right, two hundred and nine and five-tenths perches to black K, then North eleven perches to the beginning of the aforesaid deed, shown on the Plate by black L, then with the first line in said deed East two hundred and three-tenths perches to black I.

I have also by directions of Plaintiffs' counsel carefully located and laid down a stone, shown on the Plate by red A and O and pointed out on the ground by Thomas Cuppett, Plaintiffs' witness; Beginning at black B, and running South forty two and one-half degrees, West three perches and fifteen links.

I have also by directions of Plaintiffs counsel carefully located and laid down by actual survey, a maple tree, shown upon the Plate by black N. and pointed out on the ground by Samuel Hoff, John W. Frantz and Joseph F. Frantz; Beginning South eleven degrees, West fifty-six perches from black B, and shown upon the Plate at red O, and running North 61°, West six and three-tenths perches.

I have also by directions of Plaintiffs' counsel carefully located and laid down a swimming hole and little dam, shown upon the Plate by black P, and pointed out on the ground by John W. Frantz and Joseph F. Frantz, Plaintiffs' witnesses; Beginning at red O on the plate and running South 74°. West six perches and seven-tenths of a perch.

I have also by directions of Plaintiffs' counsel carefully located and laid down three white oak trees, shown upon the Plate by red D. G. & H. respectively and pointed out on the ground by Samuel Vansickle and John Spencer, as the trees they were told by Wm. H. H. Friend not to cut. 1- Beginning at red G and running North 73°, West three and two-tenths perches to red D. 2- Beginning at red H. and running North 74°. West four and two-tenths perches to red G. 3- Beginning at black F, and running South 64°. West three perches and nine-tenths of a perch to red H.
