end of eleven perches on the first line of lot twenty-nine hundred and seventy, shown on the Plats by black K, then with the fourth line in said deed north eleven perches to the beginning of said deed, shown by black L, then same as above located. The last location of said deed is shown on the Plats by (red R.) I, S, K, L, J, E, F.

I have also by directions of Plaintiffs' counsel carefully located and laid down by actual survey the deed from Wm. F. Frantz, et ux, to Joseph L. Forsyth, dated 30th August, 1860, and recorded in Liber H. R. No 19 folio 175, &c, one of the Land Records in Allegany County according to the metes and bounds and courses and distances of the lines therein: Beginning at a stone at Red R. shown by Plaintiffs' witnesses as the point where John Harned stopped on the 16th line of "The Blooming Rose", and running with a rail fence shown on the plats by the black crooked ~ ~ ~ ~ line I. R, and pointed out by Samuel Vansickle, Plaintiffs' witness, north seventy-seven and one-half degrees, west twelve perches, then south eleven degrees, west twenty-two links to a stone and two maple stumps at black I. then with the division fence shown on the Plats by the crooked lines ~ ~ ~ ~ I, S, as pointed out by Joseph Frantz and John W. Frantz, Plaintiffs' witnesses, north fifty-eight degrees, west variation 1½° to the right one perch to the beginning of said fence as found on the ground, one hundred and thirteen perches to the end of old fence, shown on the Plats by black S, same course continued two hundred and eleven and one-tenth perches from black S, being the last line in said deed reversed, then reversing the 5th 4th 3rd, 2d & 1st lines

in said deed south one hundred and forty-nine perches, east one hundred perches, south forty-one and one-half perches, east sixty-two perches, north eleven degrees, east with a variation of 3¾° to the right, eighty-five and two-tenths perches to black J, then by protraction to red R. The lines of the deed are shown by the fences and plain black lines numbered with black figures 6, 5, 4, 3, 2 & 1. and the line by protraction by J. (red R).

I have also by directions of Plaintiffs counsel carefully located and laid down by actual survey the 2d, 3d, and part of the 1st line of the deed from John W. McFadon to John McFadon for a tract of land called "Kensington", and the other lines I have laid down by protraction according to the metes and bounds, courses and distances as therein contained dated July 1st 1834, and recorded in Liber R. folio 150, &c, one of the Land Records of Allegany County.

I have also by directions of Plaintiffs' counsel carefully located and laid down by actual survey the 2d, 3d, and part of the 1st line in a deed from John McFadon to Wm. F. Frantz, for a tract of land called "Kensington", and other lines I have laid down by protraction, according to the metes and bounds, courses and distances as therein contained, dated July 5th 1834, and recorded in Liber No. R. folio 175 &c, one of the land records of Allegany County.

I have also by direction of Plaintiffs' counsel carefully located and laid down by actual survey the 2d, 3d, and part of the 1st line in a deed from Wm. F. Frantz to Joseph Frantz, for a tract of land called "Kensington;" and the other lines I have laid down by protraction according to the metes and bounds and courses and distances
