5th. lines contained in a deed from Ira B. Friend & wife to William H. H. Friend, dated the 30th December 1869, and recorded in Liber H. R. No. 31 folio 348, one of the Land Records in Allegany County, Md., and the 1st. line by protraction, according to their ancient metes and bounds courses and distances, and calls, as therein contained, and shown on the Plate by the three black dotted . . . . lines shaded yellow, and two black dotted lines . . . . shaded blue, and numbered with black figures 1, 2, 3, 4 & 5, from black W. on the Plate.

Beginning at the end of the 21st line of the "Blooming Row," shown on the Plate by red I, and reversing the 2d. line in deed, which is part of the 21st line of the "B. R." reversed South twelve degrees. East ninety eight perches. The 3d, 4th & 5th. lines in said deed are same as located in the deed from Leonard Smith & wife to Michael Mulhollan, to the beginning. shown on the Plate by black W and with the same variation 3¾°.

I have also by directions of Defendants' counsel carefully located and laid down by actual survey the 1st, 2nd, & 3d, lines of Lot No. 1 of the divisions of "The "Blooming Row," according to their ancient metes and bounds, courses and distances, and calls, as contained in a book of courses and distances and Plate of the divisions of said tract, given under the hand of John Simpkins, Surveyor, December 9th, 1811, and the fourth line of said lot, I have laid down by protraction. The lines are shown on the Plate by the black dotted . . . . lines numbered with black figures 1, 2, 3 & 4, and shaded yellow from black W. Also the 2d, & 3d, lines of Lot No 2, and the 1st, 4th, & 5th. I have laid down by protraction and shown on the Plate by the black dotted . . . . lines shaded yellow, and numbered

with black figures 1, 2, 3 & 4 & 5 from black W. Lot No. 3. I have laid down by protraction, beginning at the end of the 21st line of the "Blooming Row," shown on the Plate by Red I. The lines are shown on the Plate by the black dotted . . . . . lines shaded yellow, and numbered with black figures 1, 2, 3 & 4.

I have also laid down by protraction Lot No. 4 of the divisions of "Blooming Row," from its beginning, shown on the Plate by big O near black I. The lines are shown on the Plate by the black dotted . . . . . lines shaded yellow, and numbered with black figures 1, 2, 3, 4, 5 & 6.

I have also by directions of Defendants' counsel laid down by protraction for illustration the lines of Military Lots No. 2950, 2951, 2962, 2964, 2966, 2968, 3,135. 3136 & 3137, according to their ancient metes and bounds, courses and distances, as contained in the certificates of Award thereof locating from the stone shown on the Plate by black G, and pointed out as being the original beginning or where the original beginning of said lots stood. The beginnings of the Lots are shown by little black O dotted around with red, and the lines are shown by the black dotted lines . . . . numbered with red figures 1, 2, 3 & 4.

I have also by directions of Defendants' counsel carefully located and laid down by actual survey the 16th line of "The Re-Survey on Blooming Row," and the other lines to the beginning of said tract, I have laid down by protraction according to their ancient metes and bounds, courses and distances, and calls, as contained in the Patent granted to James Murray and John Muir, being dated the 13th July, 1795; Beginning at a hickory tree shown on the Plate by black I and pointed out as being on the 16th line of "The Blooming Row," by defendants'
