Mrs. Eckenrode Surprised.

On Monday evening Mrs. Eckenrode, wife of Judge John E. Eckenrode, was the subject of a pleasant surprise. During the temporary absence from home on Liberty street, this city, her neighbors and friends took possession for the purpose of celebrating the 56th anniversary of her birthday, and upon her return, greeted her with heartfelt congratulations and sincere wishes for prolonged and happy life. Mrs. Eckenrode and her self-invited guests spent a happy evening and at a fitting hour refreshments of harlequin ice cream, cake and fruits were served. The hour was late when the goodbyes were spoken and the guests retired to their homes. Those present were: Judge and Mrs. John E. Eckenrode, Mr. and Mrs. H. H. Harbaugh, Mr. and Mrs. John Shuman, Mr. and Mrs. John H. Mitten, Mr. and Mrs. Geo. E. Eckenrode and two children, Mrs. Jane Coone, Mrs. Pius C. Yinging, Miss Margaret Eckenrode, Miss Sinnott, Messrs. Destroyed by Lightning.

An electrical storm of great severity, accompanied by heavy rain, visited this county on Monday night, doing much damage.

The large stable of Mr. David Staley, about 1½ miles from Taneytown, with a nearby hogpen, was struck and burned to the ground. A horse was removed from the stable, but slipped its bridle and ran back into the flames and was burned to death. Four tons of hay were destroyed. There was a small amount of insurance in one of the companies represented by Mr. G. H. Birnie, of Taneytown.

Mr. John H. Brown and son Harvey, on the farm of Mr. Harvey Freeman, Frizellburg, lost two valuable horses. A fine brood mare belonging to the former and a splendid three-year-old belonging to the latter, with eleven other horses were in the pasture field. In the morning the two animals were found with their necks over a wire fence, both dead. The lightning struck a telephone pole and ran along the fence. The horses were worth not less than $175 each.

Mr. Jesse Warner, living on the plank road, about 1½ miles from Frizellburg, had a valuable cow killed by lightning in the same storm.

Baseball Season Closes.

When the Westminster Baseball Association was formed it was its purpose to continue the season until September 1st, and the local lovers of the sport are disappointed that it has been found necessary to abridge the season by two weeks.

The whole trouble lies in the inability of the managers to secure games on the home field. As announced in these columns last week, two games were scheduled for this week, but when Frederick, slated for Saturday, 21st inst., cancelled its engagement, all plans went up in the air, and as it had been found impossible to make any other engagements, there was nothing to do but quit.

Dr. J. S. Myers deserves great praise for his interest and for his hard work in arranging games and looking after their details; and the liberal contributors, who have stood by him so nobly and thus made it possible to end the season wiithout a great debt, should have the gratitude of all, who have enjoyed the games.

Some subscriptions remain unpaid, and it is hoped that all subscribers, who are in arrears, will make payment promptly, so that the financial end may be closed at once.

If all subscribers meet their obligations promptly, it will be necessary to raise only a very small amount to close the season free of debt.

REPUBLICAN CONVENTION

NAMES STRONG TICKET

County Central Committee Organizes With John H. Cunningham, Chairman, and Dr. George E. Baughman, Secretary.

No more harmonious party convention has ever been held in Carroll county than that of the Republicans, held in Odd Fellows' Hall, this city, on Tuesday last.

Many gentlemen, from various districts, have been spoken of during the past few weeks for various places on the ticket, and many have declared their laudable aspirations for the candidacy, but one spirit has actuated all, the desire "to get together" and nominate the best possible ticket as an entirety. To that end a number of the gentlemen suggested for the various offices, with delegates and others from a number of the districts, met in this city for consultation on Monday night, and others joined them on Tuesday morning, and all manifested the one desire, the willingness to sacrifice personal interests for the good of the party and of the State; so that those who were finally named by the convention and those who subordinated their own wishes to the party good, will be held in equal honor.

Mr. Walter R. Rudy, chairman of the State Central Committee in the county, called the convention to order, and after stating that any district not having its full quota of delegates could cast the five votes of the district or fill the delegation, read the list of delegates and members of county central committee, elected at the recent primaries, as follows:

Myers'—B. D. Kemper, Louis E. Shriver, Wm. R. Unger.

Woolery's—R. Wesley Barnes, James P. Beam, Calvin R. Chew, Edward H. Devilbiss, Grove J. Shipley, A. N. Zentz.

Franklin—J. Frank Hoffman, Andrew P. Frizzell, Harry H. Barnes.

Middleburg—Wm. F. Cover, Charles H. Diller, Charles Slagle.

New Windsor—Walter A. Barnes, A. E. Lambert, R. Smith Snader.

Union Bridge—Nathan Englar, W. Durbin Brown, George C. Eichelberger.

Mt. Airy—Jesse Leatherwood, Walter R. Rudy, Charles H. Smith.

The only change in the list of delegates was in the addition of Harry L. Rinehart to the Uniontown delegation and the substitution of Herbert T. Wooden for C. W. Murray in the Hampstead delegation, and Wm. C. Keefer for Dr. W. D. Brown in the Union Bridge delegation.

Chairman Rudy's suggestion of William Wood, of Union Bridge, as temporary secretary, and Levi D. Reid, of Taneytown, as temporary secretary, met with the hearty approval of the convention, and these gentlemen were escorted to the platform by Dr. G. Lewis Wetzel and Stanley C. Reaver.

In taking the chair, Mr. Wood thanked the convention for the honor, and said that it is always an honor to preside over such a convention, but the honor in this case is peculiar by reason of the manner in which the delegates were chosen, and expressed the doubt whether any man will preside over another convention so chosen; declaring his belief that the Democrats, if successful, will in some particulars modify their own primary law, and that if the Republicans win, the change will be radical; that the Democrats, who made the law are not satisfied with it, and if they are disgusted with their own handiwork, they cannot expect the Republicans to be pleased. He then said that what is needed in the convention is strictest harmony; that the Republicans have before them one of the best fighting chances in 15 years; with an opportunity to name and elect a ticket such as they have not had since the election of Governor Lowndes. The county is a close county, it is not like Baltimore or Harford; it is a close county and everybody knows it, close between two great parties, and it is up to the Republicans to name a ticket that will be elected, and they can do it, if peace and harmony prevail.

The convention then appointed the following committee on resolutions and permanent organization:

Taneytown, Stanley C. Reaver; Uniontown, Harry L. Rinehart; Myers', Dr. G. Lewis Wetzel; Woolery's, A. N. Zentz; Freedom, J. Thomas Harris; Manchester, George P. Panebaker; Westminster, Harry K. Shaeffer; Hampstead, J. Frank Switzer; Franklin, Thomas A. Barnes; Middleburg, Chas. Slagle; New Windsor, A. E. Lambert; Union Bridge, Wm. E. Kolb; Mt. Airy, Walter R. Rudy.

After the retirement of the committee, Chairman Wood gave an opportunity for speechmaking, and in response to the call of the convention W. L. W. Seabrook, senior editor of the SENTINEL, made a brief address in which he said that he thought he had been working in the ranks long enough to be excused from making a speech, but that he would say that though so far as party is concerned he has never been a Democrat, he has always been a Democrat in principle, for true Democracy means the rule of the people, and after asking the question, "Do the people rule in Maryland?" answered it by pointing to the little coterie of Democrats in Baltimore city, with a few in the counties, who have usurped the power of the people, and referred to the rape of the ballot boxes in past years, and the robbery of the cradle and the grave to furnish the Democratic party with voters, and pointed out the fact that this condition prevailed until 1895, and the giving to the people of the first secret ballot by the Repubicans, and said that to see how that ballot had been perverted it is only necessary to look at the ballot and the election law as given to the people by the Democratic party. The time has come for a change, the tme for a new deal. Right thinking men of all parties realize this. The Democrats fear it, and again they propose an amendment to the Constitution, through which by disfranchising a large number of citizens, the power of the people may be entirely taken away, the State made a one party State and the Democratic party perpetuated in power. The Democratic party promises better election and primary laws. It is a party of unfulfilled promises. He then referred to the pertinent counsel of the chairman of the convention, and said that all should make up their minds in advance to accept any disappointment that may come to them or to their friends, and stand by the ticket to be nominated, for the spirit in which all were seeking the best good of the party and of the county guaranteed the nomination of a ticket that all Republicans and all right-thinking Democrats will approve.

The convention then took a recess until after one o'clock, and upon reassembling, Walter R. Rudy reported the recommendation that the temporary organization be made permanent, and read the following resolutions, which were adopted:

We, the representatives of the Republicans of Carroll County, assembled in convention, do hereby declare our unalterable opposition to the amendment to the Constition of the State, to be voted upon at the election in November next. We hold this amendment to be in direct violation of the Constitution of the United States, which is the supreme organic law of the land. In discriminating against any class of citizens, as a class, it is clearly in contravention of that instrument, and its evident purpose is to give to the political party by which it has been submitted to the decision of the electors absolute and arbitrary control of the State Government. We earnestly advise the Republican voters of this county to stand solidly against its adoption and in no case to fail to cast their ballots against it.

We favor such a modification and reform in the election law as will give the electors a free ballot and a fair count. The equitable and just election law passed by a Republican Legislature has been nullified by the law since enacted and repeatedly made worse by the amendments tacked upon it by the Democratic General Assembly. Thousands of ballots, annually cast by the legal voters, have been rejected under the provisions of this law, and no man knows, when he casts his ballot, whether it will or will not be counted. The law is partisan and was enacted to promote the interests of the party in power, but is oppressive and unjust to citizens of all parties.

We favor the adoption of some pratical system of road making, by which public highways will be improved in such manner as to be most beneficial to all citizens. We have, as yet, looked in vain for some practical results from the five-million-dollar appropriation for good roads made by the last Legislature. If this amount is to be expended upon a few bobtail highways for the especial benefit of a few favored individuals or particular localities, it will only be a perncious waste of the people's money.

We believe that the only relief from these and other evils under which the people of the State are laboring because of bad laws and maladministration, can be corrected only by a change in the political complexion of the Legislature and the State Government generally, and we invite the cooperation of right-thinking citizens of all parties to that end.

Standing always for the great doctrine of local self-government, a "government of the people, for the people and by the people," we believe in the right of the people to express their sentiments at the polls on all economic questions, and that the Legislature should grant them that right whenever asked for.

The committee recommended the order of nominations, which follows.

For State Central Committee, Messrs. James H. Reindollar, of Taneytown; Chas W. Melville, of Freedom; Frank T. Shaeffer, of Westminster; R. Wesley Barnes, of Woolery's; Walter R. Rudy, of Mt. Airy; and Wm. Y. Frizzell, of Franklin, were placed in nomination. Mr. Barnes withdrew his name and upon motion the secretary cast the ballot for the other five.

Upon motion, the following mass delegation, one from each precinct in the county, was elected to the State Convention:—Taneytown, precinct 1, Homer S. Hill, precinct 2, G. Walter Wilt; Uniontown, precinct 1, Dr. Luther Kemp, precinct 2, J. Elmer Myers; Myers', Edgar C. Yingling; Woolery's, precinct 1, Edward H. Devilbiss, precinct 2, A. N. Zentz; Freedom precinct 1, Asa Hepner, precinct 2, James Buckingham; Manchester, precinct 1, John K. Miller, precinct 2, John W. Yingling; Westminster precinct 1, Harry F. Baer, precinct 2, Chas. L. Thomson, precinct 3, George F. Morelock, precinct 4, Andrew D. Reese; Hampstead, Chas. M. Murray; Franklin, Thos. A Barnes; Middleburg, Chas. Slagle; New Windsor, A. E. Lambert; Union Bridge, Wm. E. Kolb; Mt. Airy, W. R. Rudy.

The following delegates were elecetd to the Judiciary Convention, to be held in Ellicott City, Thursday, August 26th; Taneytown, precinct 1, Homer S. Hill, precinct 2, G. Walter Wilt; Uniontown, precinct 1, Dr. Luther Kemp, precinct 2, L. D. Maus; Myers', Wm. R. Unger; Woolery's, precinct 1, Calvin R. Chew, precinct 2, Grove J. Shipley; Freedom, precinct 1, Frank Ely, precinct 2, C. A. Mullinix; Manchester, Howard M. Keller; Westminster, precinct 1, Ivan L. Hoff, precinct 2, Guy F. Smith, precinct 3, Joseph D. Brooks, precinct 4, S. C. Stoner; Hampstead, Harry F. Richards; Franklin, T. Howard Shipley; Middleburg, W N. Cover; New Windsor, R. Smith Snader; Union Bridge, D. Fred Englar; Mt. Airy, Chas. H. Smith.

Nominations were then called for for Clerk of the Circuit Court, and in well chosen words in which he paid a deserved tribute to the character and qualifications of the man he was about to name, John H. Cunningham presented the name of Oscar D. Gilbert, of Westminster. R. Wesley Barnes presented the name of another man of strong character and fine qualifications, Ulysses H. Shipley, of Woolery's, but Mr. Shipley rose and said that Mr. Gilbert is a man, whom he has always honored, and that all that had been said of him by Mr. Cunningham was true, that the party should be proud to have him at the head of its ticket, declined in his favor and moved that the nominations close and that Mr. Gilbert be nominated by acclamation. His motion was carried with enthusiastic applause for both Mr. Gilbert and Mr. Shipley.

J. Elmer Myers, of Uniontown, presented the name of William Arthur, of Uniontown District, for Register of Wills, as a man who will stand side by side with the candidate for the clerkship, and upon motion the secretary cast the ballot for the nominee.

For the shrievalty Dr. G. Lewis Wetzel placed in nomination Benjamin D. Kemper, of Myers'; and George P. Panebaker nominated Wm. C. Shearer, of Manchester. George L. Stocksdale said that he had been requested to withdraw the name of Mr. Shearer, and the latter rose and in his own behalf said that he had asked Mr. Stocksdale to withdraw his name; that he had sought the nomination, but had for various reasons felt that for the sake of the best interests of all, he should withdraw from the contest, but that in two years he hoped to be present in the convention and would then seek the nomination. The secretary cast the ballot for Mr. Kemper.

Herbert R. Wooden nominated B Frank Stansbury, of Hampstead, for County Commissioner, and the secretary cast the ballot.

R. Wesley Barnes said that he wished to name as the party candidate for county treasurer a man in whom all who know him have implicit confidence, beyond doubt possessing highest qualifications for this important office, Ulysses H. Shipley. The presentation of the name of Mr. Shipley was greeted with prolonged applause. John H. Cunningham, in seconding the nomination, said that Mr. Shipley is one of the strongest men, who could be named, and the secretary cast the ballot placing him on the ticket.

For the House of Delegates, G. Walter Wilt nominated Judson Hill, of Taneytown; George L. Stocksdale named R. Smith Snader, of New Windsor; J. Thomas Harris presented the name of W. F. Jordan, of Freedom; and J. B. Lynerd that of Wm. C. Shearer, of Manchester.

William E. Roop was named for surveyor.

Upon motion it was ordered that any vacancies on the ticket shall be filled by the County Central Committee.

The convention then adjourned to meet at the call of the chairman.

Some of the ladies who are to take part have become so serious and earnest during the rehearsals that bachelors who attend the entertainment and who are not prepared to surrender to the inevitable, would better be well armored against the darts from Cupid's bow.
