GENERAL NEWS.

The railroad and express companies have given orders for equipment amounting from $150,000,000 to $175,000,000 since January 1.

In a riot attending the strike of the pressed steel car workers at McKee's Rocks, near Pittsburg, Pa., on Sunday, eight persons were killed and many wounded.

The Anchor liner California, on her trip from Glasgow to New York last week, passed an iceberg that breaks all records as to size. The mountain of ice was 1000 feet long and 500 feet high.

The steamer Fred Swain caught fire in mid-stream on the Illinois River, and after Fern Swain, who was in command, had placed the vessel as near shore as possible the boat was burned to the water's edge. One hundred and fifty people were on board, but all were saved.

After 1100 men comprising the 30 District of Columbia National Guard, who had been taking part in the war game in Massachusetts, had for hours been on the verge of mutiny on account of the condition of the meat served to them, about 2000 pounds of beef were condemned on Monday and thrown overboard in Boston harbor.

The trustees of the Temple Baptist Church, Los Angeles, Cal., have accepted the resignation of Robert J. Burdette, the preacher, humorist and journalist. When the question of his resignation came up, there was strong opposition to it, many of the trustees preferring to give their pastor an unlimited vacation in the hope that his health would recover sufficiently to permit him to return to the pulpit. But a letter from the pastor put an end to the discussion. It is believed among his friends that Dr. Burdette never will recover from his present illness. He is resting at his summer home at the beach and has to wear a heavy plaster cast to support his back, which was injured last winter in a fall.

STRANGE HAPPENINGS.

A piece of dental work 3,000 years old was exhibited at the International Dental Congress, which opened in Berlin, on Monday. The object is a human jaw taken from an Etruscan tomb and has a calf's tooth held in place by gold fittings. The workmanship is excellent and seemingly as fresh as though done yesterday. The exhibit is the property of Dr. Guerini, of Naples. Emperor William's exhibit includes Roman forceps and other dental tools of the second century.

From Richmond, Va., comes the story that a hundred excited women and as many men watched a bull pup, that had been accidentally locked up over night in an uptown millinery store, demolish a number of the latest creations in feminine headgear, doing damage to the extent of at least $100. The dog had followed his owner into the store, where he was left when the owner returned home without missing him. Wednesday morning the attention of the pup was attracted by boys rubbing their hands on the plate glass of the show window. The animal leaped into the window, where he was immediately confronted by an array of hats which he proceeded to investigate. Leaping about gleefully, to the delight of the boys and the dismay of the women, the dog pulled down hat after hat and tore them to pieces. When the owner arrived the dog was putting the finishing touches to a stuffed bird. The debris of the former feminine finery was strewed all over the place.

Miss Adelina Wyckoff, 18 years old, employed as a winder in a silk mill, at Patterson, N. J., has been found to be a human pincushion. Within three days 16 pins have been taken from her right arm and she cannot tell how they got there. Miss Wyckoff first complained about a year ago of a pain in her arm. Her mother found a slight abrasion, but thought nothing of it. Later she concluded the girl was suffering from rheumatism, and applied home remedies, but the pain continued. Finally Dr. Flood was called to examine the arm and he extracted a headless pin, curved like a fishhook. A few days ago, while the young woman sat in her home, she suffered intense pain in her arm. She found a pin protruding, and with the aid of scissors she removed it. More pins made their appearance on the surface of the arm. Dr. Flood was again called and before he finished operating, 16 pins were extracted. All were shaped like the first one and blackened. Dr. Flood and the family of the girl are puzzled, and are of the belief that Miss Wyckoff must have swallowed a quantity of pins when she was young.

A HARD STRUGGLE.

Many a Westminster Citizen Finds the Struggle Hard

With a back constantly aching,
With distressing urinary disorders,
Daily existence is but a struggle.
No need to keep it up.
Doan's Kidney Pills will cure you.
Westminster people endorse this claim:

Chas. H. Campbell, living on Main street, Westminster, Md., says: "I used Doan's Kidney Pills with highly satisfactory results for a case of kidney complaint that had bothered me at least ten years. My back was always weak and became tired easily, but my most annoying symptom was a dull, dragging pain through my kidneys. My general health was much run down and I was steadily growing worse when I saw Doan's Kidney Pills advertised, and procured a box. They strengthened my back and gave me immediate relief. I have great faith in Doan's Kidney Pills and take pleasure in recommending them to anyone suffering from kidney complaint. I procured them at Chas. W. Moore's drug store."

Proclamation

WHEREAS, at the January Session of the General Assembly of Maryland, held in the year of our Lord one thousand nine hundred and eight, an Act was passed proposing an amendment to Section 1 of Article 1, of the Constitution of the State, which said Act is in the following words, to-wit:

CHAPTER M.

AN ACT to amend Section one of Article one, title, "Elective Franchise," of the Constitution of this State, and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following section be and the same is hereby proposed as an amendment to Section one of Article one, title, "Elective Franchise," of the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, it shall supersede and stand in the place and stead of Section one of said Article one.

Sec. 1. All elections shall be by ballot, and every male citizen of the United States of the age of twenty-one years or upwards, who has been a resident of the State for two years and of the Legislative District of Baltimore City or of the county in which he may offer to vote, for one year next preceding the election, and who, moreover, is duly registered as a qualified voter as provided in this Article, shall be entitled to vote in the ward or election district in which he resides, at all elections hereafter to be held in this State, and in case any county or city shall be so divided as to form portions of different electoral districts for the election of Representatives in Congress, Senators, Delegates or other officers, then to entitle a person to vote for such officer, he must have been a resident of that part of the county or city which shall form a part of the electoral district in which he offers to vote, for one year next preceding the election; but a person who shall have acquired a residence in such county or city, entitling him to vote at any such election, shall be entitled to vote in the election district from which he removed, until he shall have acquired a residence in the part of the county or city to which he has removed.

Every male citizen of the United States having the above prescribed qualifications of age and residence shall be entitled to be registered so as to become a qualified voter if he be, first: a person who, on the first day of January in the year eighteen hundred and sixty-nine, or prior thereto, was entitled to vote under the laws of this State, or of any other State of the United States, wherein he then resided; or second: a male descendant of such last mentioned person; or third: a foreign born citizen of the United States naturalized between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article; or fourth: a male descendant of such last mentioned person; or fifth: a person who, in the presence of the officers of registration, shall, in his own handwriting, with pen and ink, without any aid, suggestion or memorandum whatsoever, and without any question or direction addressed to him by any of the officers of registration, make application to register correctly, stating in such application his name, age, date and place of birth, residence and occupation at the time and for the two years next preceding, the name or names of his employer or employers, if any, at the time and for the two years next preceding, and whether he has previously voted, and if so, the State, county or city and district or precinct in which he voted last, and also the name in full of the President of the United States, of one of the Justices of the Supreme Court of the United States, of the Governor of Maryland, of one of the Judges of the Court of Appeals of Maryland and of the Mayor of Baltimore City, if the applicant resides in Baltimore City, or of one of the County Commissioners of the county in which the applicant resides; and any person who is unable to comply with the aforegoing requirements as to making application for registration in his own handwriting, solely because he is physically disabled from so doing; or sixth: a person, or the husband of a person, who at the time of his application for registration, is a bona fide owner of real or personal property in an amount of not less than five hundred dollars, as assessed therefor on the tax-books of the City of Baltimore or of one of the counties of this State, has been such owner and so assessed for two years next preceding his application for registration, shall have paid and shall produce receipts for the taxes on said property for said two years and shall at the time of his application make affidavit before the officers of registration that he is, or that he is the husband of the person who is the bona fide owner of the property so assessed to him or to her, as the case may be, and that he or she has been such owner for two years next preceding his application.

No person not qualified under some one of the above clauses shall be entitled to be registered as a qualified voter or be entitled to vote. Every written application to be registered, presented to the officers of registration by any person applying to be registered under the above fifth clause, shall be carefully preserved by said officers of registration and shall be produced in any Court, if required, as hereinafter provided.

The affidavit of any applicant for registration, duly made to the officers of registration or in Court, that he, the applicant, is a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, as aforesaid, or that he has become a naturalized citizen of the United States between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, as aforesaid, or his affidavit upon information and belief that he is a descendant of a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, or that he is a descendant of a person who has become a naturalized citizen of the United States between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, or that he is a foreign born citizen of the United States naturalized between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, shall be prima facie evidence of any of said facts so sworn to.

A wilfully false statement upon the part of any applicant for registration in relation to any of the matters aforesaid shall be perjury, and punishable as perjury is punished by the laws of this State.

Any person who feels aggrieved by the action of any board of officers of registration in refusing to register him as a qualified voter, or in registering any disqualified person, may at any time, either before or after the last session of the board of registration, but not later than the Tuesday next preceding the election, file a petition, verified by affidavit, in the Circuit Court for the county in which the cause of complaint arises, or, if the cause of complaint arise in Baltimore City, in any court of common law jurisdiction in said city, setting forth the grounds of his application and asking to have the action of the board of officers of registration corrected. The court shall forthwith set the petition for hearing and direct summons to be issued requiring the board of officers of registration complained against in said petition to attend at the hearing in person or by counsel, and where the object of the petition is to strike off the name of any person, summons shall also be issued for such person, which shall be served by the sheriff within the time therein designated; and said several courts shall have full jurisdiction and power to review the action of any board of officers of registration and to grant or withhold, as it may deem lawful and proper, the relief prayed for in the premises.

In determining whether any person who applied to be registered under the above fifth clause of this section was or was not entitled to be registered under said fifth clause, the court shall require the board of officers or registration complained of to produce the written application prepared and submitted by such person at the time he presented himself for registration to said board of officers of registration, and upon said written application the court shall determine whether or not said person, when he presented himself for registration, complied with the requirements of said fifth clause; and if the court shall determine that said written application, so prepared and submitted by said person, complied with the requirements of said fifth clause, and that said person was not disqualified under any other provision of this Article of the Constitution to be registered upon the books of registry in question, then the Court shall order said person to be registered as a qualified voter, but if the court shall determine that said written application of said person failed to comply with the requirements of said fifth clause, or that said person was in any other respect under this Article of the Constitution disqualified to be registered upon the books of registry in question, then the court shall order that said person shall not be registered upon said books of registry.

The court may enforce any order by attachment for contempt in said cases; neither party shall have any right of removal; exception may be taken to any ruling of the court at the hearing of said cases and an appeal shall be allowed to the Court of Appeals as in other cases; all such appeals shall be taken within five days from the date of the decision complained of, and shall be heard and decided by the Court of Appeals upon the original papers, or otherwise, as the Court of Appeals may by rule prescribe, as soon as may be practicable.

The General Assembly shall have power to provide more fully by legislation not inconsistent with this section of this Article, for the hearing and determination of all such cases.

Sec. 2. And be it further enacted by the authority aforesaid, That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be at the next General Election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at said general election the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment" as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article XIV of the Constitution.

Approved February 25, 1908.

NOW, THEREFORE, I, AUSTIN L. CROTHERS, GOVERNOR OF THE STATE OF MARYLAND, in pursuance of the provisions of Section 1, of Article 14 of the Constitution of the State of Maryland, do hereby order and direct that a copy of said Act proposing an amendment to Section 1 of Article 1 of the Constitution of said State, be published in at least two newspapers in each of the counties of the State and in three newspapers in the City of Baltimore, one of which shall be published in the German language, once a week for at least three months preceding the next General Election, which election will be held on November 2nd, 1909, at which election the said proposed amendment shall be submitted, in the form and manner prescribed by the General Assembly, to the legal and qualified voters of the State, for their adoption or rejection.
