An Old Ebenezer Sunday School Scholar.

Some months ago Mr. David N. McQuay, who was superintendent of the Sunday School of Ebenezer M. E. church, near Winfield, in 1866, furnished a sketch of the school and a list of the scholars upon its rolls at that time, which was published in one of our cotemporaries. The paper was sent to Rev. Louis E. Dennis, of Rockton, Ills., by his mother, who resides in Baltimore, and Mr. McQuay has received an interesting letter from the gentleman, whose name was on the roll given in the publication referred to.

Among other things Mr. Dennis writes:

"I am pleased to get the newspaper article, and it is going to be pasted in my scrap album. Among the enrollment of the scholars of the Ebenezer Sunday school at that time, as you have it in the paper, my name is the first. It was in the old Ebenezer church, October 14th, 1868, I was born into the kingdom of God. After we moved to Frederick I married and moved to Baltimore. In 1883, I moved to Chicago, Illinois, then, in 1885, to Washingon, D. C., then back to Chicago. In 1894 entered the ministry of the M. E. Church and have been a pastor ever since, serving two churches in Chicago, others outside the city. I am now pastor of the Rockton church, the leading church of the town. Besides Mrs. Dennis, I have four sons. None of my sons are married. Stanley, the oldest is the principal of the High school here in Rockton. Lawrence, the next, is general secretary of the Y. M. C. A. of Brainerd, Minnesota. Raymond, the third son, is employed in Beloit, Wisconsin. Olin, the youngest, is at home and is still in school. Many times I think of my childhood days back there in Winfield. I think of the preachers I used to listen to in the old church. It was under the preaching of Rev. Hedges that I was led to Christ. I think of you when you were superintendent of the Sunday school. And I remember well when you and others there in Winfield became soldiers under the dear old flag, to fight for the presevation of the Union.

"Seldom does a National Memorial day pass without my being called upon by some Post of the G. A. R., to deliver an address for the occasion. Freeport, Illinos, is a city of twenty thousand inhabitants, and two years ago I delivered the Memorial Day address there. This year I have spoken three times to the old soldiers here in Rockton, on Lincoln Memorial Day, National Memorial Day and Fourth of July. The memory of the devotion of you and your comrades to Old Glory, in the dark days of the past, is ever an inspiration of patriotism to me. But as I turn again to the enrollment of the scholars of the Ebenezer Sunday school, read there many names of those I know we shall never meet again in this life and a feeling of sadness creeps like a shadow over my mind. Some are scattered here and there. Thanks be to God that your life has been spared all these years. I hope that you are well and enjoying the rich blessings of God's grace. It is my purpose the Lord willing, to visit old Maryland next May or June. I trust I may be privileged to see you."

MARYLAND NEWS.

The Supreme Bench on Monday admitted 34 lawyers to practice at the Baltimore bar.

The Frederick county grand jury, in its report to the court praised Montevue Hospital and recommended that the management of that intitution be taken out of politics.

Rev. Osborne Ingle, D. D., for more than 43 years rector of All Saints' Protestant Episcopal church, Frederick, died in that city, on Monday, of Bright's disease, aged 72 years.

A fire caused by a boy smoking a cigarette, Sunday, destroyed all the outbuildings on the Bellview farm in Wye Neck, owned by the McKenney estate. Mr. Frank Price, the tenant, was away at the time of the fire and when he returned home he found that many of his farming implements, wheat and a large quantity of hay had been consumed by the flames.

STRANGE HAPPENINGS.

The Hagerstown Mail tells this story: A Berkeley county farmer, W. Va., finding an automobile horn in the road, took it home, determined to turn it to some use. So he taught his poultry to gather for meals at its toot, and all went well until one morning last week a motor car passing the farmyard blew a loud blast. The full strength of the poultry yard instantly ran out into the road and began to pursue the automobile at top speed. Some of the chickens gave out at the end of the third mile, but sixteen pullets, three roosters and a setting hen are still missing.

The North Pole created a panic at the Madison Square Garden confectionery exhibit, in New York, on Friday night. One of the exhibits, that of the Master Bakers, Confectioners and Ice Cream Makers, had as a feature of the booth a counterfeit of the North Pole. It was 10 feet high and about two feet in diameter. On either side of it were wax figures of Cook and Peary climbing upward for the prize at the top—a 10-pound can of lard. The pole, made of wax, was covered with bunting. In some manner it caught fire just when the after-dinner crowd was pouring into the building. There was a flash of flame, a cry of "Fire!" and in an instant everybody had started for the exits. Two employees of the Garden put out the blaze with hand extinguishers, but Cook and Peary were burned. Smoke filled the building. Three or four policemen pushed through the crowd of excited women and children and assured them there was no danger. Then the music of the band was heard, and the panic was nipped in the bud.

Because the bride-to-be and the groom-to-be got tired of waiting and were married ahead of time, C. R. Bussey, press agent of Electric Park, Maryland, is at his wits ends. For over a week he has been advertising a wedding to take place in the Gill balloon 1000 feet above earth. Now he is wondering how to keep his promise, for the bride and groom getting impatient, were married on Saturday. Before the balloon was sent up on its first trip to the skies the fertile mind of Mr. Bussey had figured out advertising value of a wedding in the air. He got busy, and after a long, hard search secured a preacher. After a still longer and harder search he found the prospective bride and groom. Then far and near he published the tidings of the wedding-to-be. The date was to be definitely announced today. As a wedding present to the bridal couple he had a check for $50 prepared. A messenger boy with a "collect" message strode into the park on Saturday and gave Mr. Bussey the following message from the couple: "You were too slow. We got tired of waiting. Were married this morning. Luck to you." Mr. Bussey sent to the newly-weds by the same messenger and "collect": "Every happiness.

BUSSEY."

COMFORTING WORDS.

Many a Westminster Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Westminster readers.

Louis Emrich, 616 South Monroe street, Baltimore, Md., says: "I suffered day and night for a long time with intense pains through my back and loins, so severe at times that I was unable to raise from a chair. I was weak and out worn and unable to get any rest at night on account of the constant pains keeping me awake and also the irregularity of the kidney action. These symptoms were growing more severe, alhough I took many remedies and did all I could to effect a cure. At last I procured Doan's Kidney Pills and a short use of this remedy brought a great change in my condition. The pains began to leave me, the secretion became normal and I was able to sleep comfortably. I continued using Doan's Kidney Pills and gradually grew better until completely cured. I conscientiously say that I owe my present good health to Doan's Kidney Pills."

CHAPTER 36.

AN ACT to amend Section one of Article one, title, "Elective Franchise," of the Constitution of this State, and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following section be and the same is hereby proposed as an amendment to Section one of Article one, title, "Elective Franchise," of the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, it shall supersede and stand in the place and stead of Section one of said Article one.

All elections shall be by ballot, and every male citizen of the United States of the age of twenty-one years or upwards, who has been a resident of the State for two years and of the Legislative District of Baltimore City or of the county in which he may offer to vote, for one year next preceding the election, and who, moreover, is duly registered as a qualified voter as provided in this Article, shall be entitled to vote, in the ward or election district in which he resides, at all elections hereafter to be held in this State, and in case any county or city shall be so divided as to form portions of different electoral districts for the election of Representatives in Congress, Senators, Delegates or other officers, then to entitle a person to vote for such officer, he must have been a resident of that part of the county or city which shall form a part of the electoral district in which he offers to vote, for one year next preceding the election; but a person who shall have acquired a residence in such county or city, entitling him to vote at any such election, shall be entitled to vote in the election district from which he removed, until he shall have acquired a residence in the part of the county or city to which he has removed.

Every male citizen of the United States having the above prescribed qualifications of age and residence shall be entitled to be registered so as to become a qualified voter if he be, first: a person who, on the first day of January in the year eighteen hundred and sixty-nine, or prior thereto, was entitled to vote under the laws of this State, or of any other State of the United States, wherein he then resided; or second: a male descendant of such last mentioned person; or third: a foreign born citizen of the United States naturalized between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article; or fourth: a male descendant of such last mentioned person; or fifth: a person who, in the opinion of the officers of registration, shall, in his own handwriting, with pen and ink, without any aid, suggestion or memorandum whatsoever, and without any question or direction addressed to him by any of the officers of registration, make application to register correctly, stating in such application his name, age, date and place of birth, residence and occupation at the time and for the two years next preceding, the name or names of his employer or employers, if any, at the time and for the two years next preceding, and whether he has previously voted, and if so, the State, county or city and district or precinct in which he voted last, and also the name in full of the President of the United States, of one of the Justices of the Supreme Court of the United States, of the Governor of Maryland, of one of the Judges of the Court of Appeals of Maryland and of the Mayor of Baltimore City, if the applicant resides in Baltimore City, or of one of the County Commissioners of the county in which the applicant resides; and any person who is unable to comply with the aforegoing requirements as to making application for registration in his own handwriting, solely because he is physically disabled from so doing; or sixth: a person, or the husband of a person, who at the time of his application for registration, is a bona fide owner of real or personal property in an amount of not less than five hundred dollars, is assessed therefor on the tax-books of the City of Baltimore or of one of the counties of this State, has been such owner and so assessed for two years next preceding his application for registration, shall have paid and shall produce receipts for the taxes on said property for said two years and shall at the time of his application make affidavit before the officers of registration that he is, or that he is the husband of the person who is the bona fide owner of the property so assessed to him or to her, as the case may be, and that he or she has been such owner for two years next preceding his application.

No person not qualified under some one of the above clauses shall be entitled to be registered as a qualified voter or be entitled to vote. Every written application to be registered, presented to the officers of registration by any person applying to be registered under the above fifth clause, shall be carefully preserved by said officers of registration and shall be produced in any Court, if required, as hereinafter provided.

The affidavit of any applicant for registration, duly made to the officers of registration or in Court, that he, the applicant, is a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, as aforesaid, or that he has become a naturalized citizen of the United States between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, as aforesaid, or his affidavit upon information and belief that he is a descendant of a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, or that he is a descendant of a person who has become a naturalized citizen of the United States between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, shall be prima facie evidence of any of said facts so sworn to.

A wilfully false statement upon the part of any applicant for registration in relation to any of the matters aforesaid shall be perjury, and punishable as perjury is punished by the laws of this State.

Any person who feels aggrieved by the action of any board of officers of registration in refusing to register him as a qualified voter, or in registering any disqualified person, may at any time, either before or after the last session of the board of registration, but not later than the Tuesday next preceding the election, file a petition, verified by affidavit, in the Circuit Court for the county in which the cause of complaint arises, or, if the cause of complaint arise in Baltimore City, in any court of common law jurisdiction in said city, setting forth the grounds of his application and asking to have the action of the board of officers of registration corrected. The court shall forthwith set the petition for hearing and direct summons to be issued requiring the board of officers of registration complained against in said petition to attend at the hearing in person or by counsel, and where the object of the petition is to strike off the name of any person, summons shall also be issued for such person, which shall be served by the sheriff within the time therein designated; and said several courts shall have full jurisdiction and power to review the action of any board of officers of registration and to grant or withhold, as it may deem lawful and proper, the relief prayed for in the premises.

In determining whether any person who applied to be registered under the above fifth clause of this section was or was not entitled to be registered under said fifth clause, the court shall require the board of officers or registration complained of to produce the written application prepared and submitted by such person at the time he presented himself for registration to said board of officers of registration, and upon said written application the court shall determine whether or not said person, when he presented himself for registration, complied with the requirements of said fifth clause; and if the court shall determine that said written application, so prepared and submitted by said person, complied with the requirements of said fifth clause, and that said person was not disqualified under any other provision of this Article of the Constitution to be registered upon the books of registry in question, then the Court shall order said person to be registered as a qualified voter, but if the court shall determine that said written application of said person failed to comply with the requirements of said fifth clause, or that said person was in any other respect under this Article of the Constitution disqualified to be registered upon the books of registry in question, then the court shall order that said person shall not be registered upon said books of registry.

The court may enforce any order by attachment for contempt in said cases; neither party shall have any right of removal; exception may be taken to any ruling of the court at the hearing of said cases and an appeal shall be allowed to the Court of Appeals as in other cases; all such appeals shall be taken within five days from the date of the decision complained of, and shall be heard and decided by the Court of Appeals upon the original papers, or otherwise, as the Court of Appeals may by rule prescribe, as soon as may be practicable.

The General Assembly shall have power to provide more fully by legislation not inconsistent with this section of this Article, for the hearing and determination of all such cases.

Sec. 2. And be it further enacted by the authority aforesaid. That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be at the next General Election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at said general election the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment" as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article XIV of the Constitution.

Approved February 25, 1908.

NOW, THEREFORE, I, AUSTIN L. CROTHERS, GOVERNOR OF THE STATE OF MARYLAND, in pursuance of the provisions of Section 1, of Article 14 of the Constitution of the State of Maryland, do hereby order and direct that a copy of said Act proposing an amendment to Section 1 of Article 1 of the Constitution of said State, be published in at least two newspapers in each of the counties of the State and in three newspapers in the City of Baltimore, one of which shall be published in the German language, once a week for at least three months preceding the next General Election, which election will be held on November 2nd, 1909, at which election the said proposed amendment shall be submitted, in the form and manner prescribed by the General Assembly, to the legal and qualified voters of the State, for their adoption or rejection.
