When he married Mrs. Myers he already had two wives living. He was married 25 years ago, to Mrs. A. Wilson, of Newburg, N. Y. In 1898 he married a Mrs. Lyman, of Utica, N. Y. He was married to Mrs. Myers by Rev. P. H. Miller, D. D., August 11 1900, and was convicted of the crime of bigamy at the May term of the Circuit Court for this county, 1901, and sentenced as stated. Westminster Grange Exhibition.

The exhibition of farm products held at the Firemen's Building in Westminster on the 23rd inst., by the Westminster Grange, was quite a success. The exhibits were numerous, which indicates increased interest on the part of the farming community. The increased patronage of the business people of the city fully assures an annual exhibition.

Gladhill, 2nd Leaming corn; Elias G. Shipley, 1st White Cap Dent corn; John H. Leese, 2nd White Cap Dent corn; C. Schnable, 3rd White Cap Dent corn; J. Jacob Basler, 1st Golden Beauty corn; D. Wants Him to Win.

Harrisburg, Pa.,
Oct. 25th, 1909.

Messrs. Editors of the Sentinel:

I am 65 years old and never cast a vote outside of old Myers district up to 1907, and always took an active part in politics with the Democratic party up to about 15 years ago. Since then I have been voting the Republican ticket and feel more interested politically in my native county than I do in Pennsylvania politics. The two Westminster papers and Taneytown Record come to our address. We are kept posted politically and otherwise. I was very much pleased to read the sketches of the different candidates in the last week's Sentinel. I know you have not said too much in favor of your candidate Benjamin D. Kemper for sheriff, of old Myers district. I know him from his boyhood days. It is not necessary to add more to what has already been said of his manhood and good qualities. I will say, and know what I am speaking about, there are 12 or 15 Democrats and Republicans, here in Harrisburg nearly all from Myers district. They all unite in saying "If I was there I would work and vote for Ben Kemper."

The Democrats of Myers helped to elect their neighbor Albert Schaeffer for Judge of the Orphans' Court and never regretted it.

When such opportunity presents itself, voters of a district and county should consider it an honor and feel proud that they helped to elect such a man as Benjamin D. Kemper When a man is so popular in his home district that's encouraging to the voters in other districts of the county. We are all anxious to hear the result from old Carroll on Wednesday morning next.

Respectfully
J. P. Hull, 1707 N. 3rd St.,
Harrisburg, Pa.

The Laymen's Movement.

An inspiring service was held in the Methodist Protestant Church, this city, on Wednesday night, attended by about two hundred men, who came together to hear Hon. Joshua Levering and Mr. Wm. H. Morris, General Secretary of the Baltimore Y. M. C. A., speak of the Laymen's movement.

Rev. P. H. Miller, D. D., pastor of Grace Lutheran Church, this city, presided and read the Scripture lesson. Rev. W. L. Seabrook, pastor of Trinity Lutheran Church, Deer Park Road, led in prayer, and at the close of the service Rev. L. Emory Bennett, pastor of Centenary Methodist Episcopal Church, pronounced the benediction. With Mr. Albert C. Mitten at the organ, the music was inspiring, as the great crowd of men sang Christian hymns such as "Stand up, stand up for Jesus," and "Take my life and let it be consecrated, Lord, to Thee."

Mr. Levering spoke of the wonderful age in which we live, and called attention to the fact that with progress along all other lines there had been retrogression in the greatest and most important interest in the world, that of personal activity of the men of the Church in its work. The Laymen's Movement gives men a new vision. There is no differentiation in the Scriptures between men and women in relation to Christ's great command. He gave three commands which are to be obeyed: (1) "Look upon the fields"—Look; (2) "Pray ye the Lord of the harvest"—Pray for laborers; (3) "Go ye into all the world"—Go. Every command bears hard on every man. This whole nation gave last year only about 30 cents per capita for world evangelization. It is time for a radical change. The objective of the Laymen's Movement is a sound, sane, sensible acceptance of the practicability of Christ's command. It says "Now." Great business men, great financiers have studied the question, and counted the cost; they are moving forward in this matter just as they would if a great railroad project were on hand. They say they believe in it. It is reasonable to take Christ at His word. He simply asks us to get between His Omnipotence and His Omnipresence. We dishonor Him by lack of faith. The call is sounding "Go forth and battle for the Lord." Perhaps this is the final call. Stop your pittance giving. Look, pray, but before you pray, think of what you have been giving, and compare with what you spend for luxuries. If we do not rise now and take the clay that God has prepared for us and mould it into the form He wills, our grandchildren will condemn us. China will rise in a few years as Japan has done. Japan with 40 millions conquered Russia. What will China do with her 400 millions. Seventy-five great conventions of laymen are to be held. Buffalo has had a gathering of 1200; Cleveland of 1500; Richmond of 1,000. Baltimore will have its great convention Nov. 16—18. Fifteen hundred men of Maryland should be there with not less than 50 from Westminster.

Secretary Morris said that the prayers of the Church for the opening of doors had been answered; the wall of indifference and prejudice has been broken down. The prayer for laborers has been answered—witness the great student volunteer movement, 4000 young men have gone forth; 700 will go this year, if means can be found to send them. Four thousand are about to assemble in convention at Rochester, representatives of thousands more who are ready. Shall they be sent forth? This is the call to Christian laymen, and their motto is "We can do it and we will." It is in line with this movement that we are here tonight. Laymen's movement is not an organization but an inspiration. Then came investigation. Seventy men went round the world at their own charges to see how missionaries were doing the work committed to them, and there was not one discordant note. Now comes agitation of the great question in these great conventions. That in Baltimore begins with a great banquet on Tuesday night, Nov. 16, at the Fifth Regiment armory. On Wednesday and Thursday, Nov. 17th and 18th, great meetings will be held in the Lyceum Theatre. Cards for application for seats at banquet and in convention can be had of any of the pastors of Westminster churches.

A number of cards were signed at the meeting on Wednesday night, and it is probable that many from this city will attend the convention.

Wakefield Items.

As election day is only three days off, the candidates are making a good fight, but we can boast of only two calling to see us. I cannot say what my brother correspondent of neighborhood says in last week's issue that we hear politics at this point every day, and it amounts to something too, and you will see on Tuesday next what it will amount to. Our town is not Democratic as my brother stated his town was, and as for that being the winning side, I am afraid my brother has a kink in his mind, and we will show him our victory on Tuesday next. I am a Republican and am proud to say so, and shall do all I can to help men to office who have done good for everybody, such as Oscar D. Gilbert and William Arthur. If you vote for these men you will never regret it. May they be elected by a large majority is the wish of everybody in our section.

No man would be so foolish as to exchange a United States Bank note for a promissory note signed by a pauper. Don't exchange the right to vote, which is now yours, for the worthless promise of the Democratic Machine that no white man will lose his right to vote. You have the right now; take no chances; vote against the amendment.

The ceremony was performed at the parsonage of Zion Reformed Church, Hagerstown, by Rev. J. Spangler Kieffer, D. D., and the wedding was kept a secret until Saturday evening, when Mr. Rhea broke the news to several of his friends. Mr. Rhea is clerk in the J. B. The maid of honor, Miss Daisy Kline, of Lonaconing, a college roommate of the bride, was gowned in white silk and carried pink carnations. Prof. Roger I. Whiteford, of Rockville, was best man. The wedding march was played by Mrs. C. E. Roop. Messrs. Rein Motter, and Walter Wilt, of Taneytown; Lewis N. Purdum, of Mt. Airy; and Serek S. Wilson, of this city, were ushers. After a reception at the home of the bride, Mr. and Mr. Brown left on a wedding trip to Northern cities. They were the recipients of many beautiful presents.

In 1865, while playing with some companions in the stable of his grandfather, the late George Shower, he jumped from the mow to the ground and was severely injured, but seemingly recovered After some years, however, the spinal trouble developed. In early manhood he could walk with the aid of a cane, but grew worse and at length required the use of crutches, and finally for 22 years was unable to walk and made use of a rolling chair. For a long time he conducted a tobacco and cigar store in Woodberry and, later, on Monument street, Baltimore. Daniel Items.

Mr. Chas. D. Snider, of Washington Court House, Ohio, spent several days recently with his parents, Mr. and Mrs. J. A. Snider.

Mrs. Walter Condon and daughter were the guests of friends in Catonsville last week.

Mr. Amos Shipley made a flying trip to Richmond and other historic places in Virginia last week, arriving at home Saturday morning.

Mrs. Deborah Snider, who had been living in this village for several years, has moved to Mt. Airy.

Melrose Items.

On Monday morning we were pleased to greet Mr. Jesse Leese, of Bandanna, Pa., nearly 70 years of age, who came into our shop for a rest. He was on his way to repair an organ nearly 8 miles from home. Last week he walked about 15 miles in one day. He had one of his good old home-made violins with him and treated us to some old time hymns and marches that caused us to work faster.

Melrose now has two telephone lines, the C. & P. which connects us with all points of Carroll County and a good long distance service, and the Independent Telephone which connects us with Bandanna, Hanover, Gettysburg, York and other places. Melrose may be slow in some things, but how many towns in Carroll county can boast of such efficient telephone connections.

And now comes cheering news that within a year the trolley cars will be running from Hanover to Reisterstown. We hope the promoters of the enterprise will hasten its coming to one half of the time.

Will wonders never cease? Last week your correspondent was asked to go to East Main street in our little town if he wanted to see something. We were very busy but curiosity conquered. When we arrived there three men were perspiring freely trying to feed a circular saw which was propelled by a belt fastened on the wheel of an automobile. Every one seemed so busy that there was no time to "to t" the horn. We now give fair warning to our neighboring towns not to be surprised if every family in our town should, in the near future, purchase an automobile to be used for pleasure and profit.

Apples are plentiful with some of our farmers and sell at 60 to 75 cents per bushel.

Republicans should pay no attention to offers to trade. Vote the ticket straight.

ITS A TOP NOTCH DOER.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, $1.00. Trial bottle free. Guaranteed by all druggists.

The Four Stomachs of the Cow will surely not respond to the elements intended to act only upon the One Stomach of the Horse. MONEY COMES IN BUNCHES

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at all druggists.

THE BED-ROCK OF SUCCESS

lies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lizemore, W. Va., writes: "They are the best pills I ever used." 25c at all druggists.

WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Half the Common Aches and Ills of Westminster People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney pills act directly on the kidneys and cure every kidney ill. Westminster cures are the proof.

John Stem, living on Main St., Westminster, Md., says: "I have used Doan's Kidney Pills and can vouch for their merits. A few months ago my brother procured a box at Chas. W. Moore's drug store and they did him so much good that I decided to give them a trial. My trouble came from an injury received at least ten years ago. My back was very weak and I suffered severely from pains through my loins which greatly handicapped me in doing my work. I tried many remedies but received little relief until I decided to try Doan's Kidney Pills and began using them. They gave me relief from the first and I can recommend them as a reliable remedy for kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. oct 22 2t
