Mr. John Houck sold his house and lot at Carrollton station containing 5 acres, at public sale on February 26th, to Mr. Philip Horpel for $1500. He also sold a tract of land near Carrollton Station containing 25 acres at private sale to Mr. Marion Green for $700.

Mr. Norris C. Taylor sold his house and lot near Carrollton Station to Mr. Allan Ebaugh for $900.

The farmers of this community are opposed to issuing $500,000 worth of bonds to improve the roads.

Mr. John C. Harman who has been ill with the grip is out again.

The grain fields are looking better since the weather cleared up.

Pleasant Valley Items

Pleasant Valley, March 9th, 1910.—A thunderstorm, accompanied by vivid flashes of lightning and peals of thunder rather surprised us about 10:50 o'clock on last Sunday evening. It came with little warning and was springlike in its pleasantness. It was welcomed as a harbinger of spring.

The children of Mr. and Mrs. Levi Myers were suddenly called home last Saturday owing to the serious illness of Mrs. Myers. She is somewhat improved at this writing.

Miss Carrie Martin of Taneytown is the guest of her sister, Mrs. John C. Myers.

Miss Rena Baker is spending the week with her sister, Mrs. Harry Myers.

Mr. Nathaniel Zepp and Mr. Wm. Henry Myers are confined to their beds with the measles.

Mr. John N. Ditch who has been in bad health during the winter is not much improved.

Rev. and Mrs. James B. Stonesifer have been visiting the sick in our community.

Mr. and Mrs. Edward Hahn spent Sunday with Rev. and Mrs. H. J. McAlister at Stonersville.

M. C. I. Notes.

Maryland Collegiate Institute, Union Bridge, March 9th, 1910.—The entertainment given by Phidelah Rice, in which he read "David Garrick" proved the reader's mastery of his profession. His impersonations were beyond criticism.

Miss Anna P. P. Snader who has been ill with typhoid fever is doing well. She is now recovering from the second attack.

On Wednesday evening, the 9th, Messrs. Albert and Ira Wine arrived at this college from Denton, Md., where they have been farming and lumbering. They are spending several days with us.

Messrs. M. D. Anthony and J. H. Lawson have been confined to their beds with rheumatism. The former has recovered but the latter is not expected to be about his work yet for several days.

President W. M. Wine has been away for several days on business. He returned on Wednesday evening.

The examination for the past winter's term work will be given March 10 and 11. The spring term begins Monday 14.

The special program given by the elocution class on last Friday evening reflected much credit upon the class and its instructor. On Friday evening, the 11th, the advanced division of the class will render another program. A special feature of this one will be the rendering of the Chariot Race from Ben Hur by Mr. R. A. Nusbaum.

Bachman's Valley Items.

Bachman's Valley March 9, 1910.—The ground hog weather has held on pretty well for four weeks, but the last week it was more like summer, and ice was removed from roads, and some places there were several sink holes and a great amount of mud. All travelers had bad trips but roads have dried very much in the last few days. On sunny sides a small amount of dust is seen but in a few places roads have been torn badly by the heavy rains and high waters, and needs the attention of road makers, as an accident may occur at any time.

Health of community is not very good; many different kinds of diseases.

Harry Warehime who left for Baltimore one week ago has accepted a position as moterman upon the street railway. Success to him.

We all congratulate our school teacher at this place, Mr. Bertman Strevig, on the receipt of a nice daughter as the good old stork paid his home a visit last week.

Mr. Bachman received a sack full of grain last week and had orders to make chop out of same, when sack was opened it was found to be wheat instead of rye as was wanted, but the miller did not hold same and did his work. A great surprise fell upon the owner when he received same, although he was not worried about it, as wheat makes the richest food, only the price is higher than rye.

J. B. Shriver has rented his home which was vacated to Mr. Charles Wagner of Avondale, Md.

Flittings have begun in this community.

Some of our public roads have received repairs today, but much more will be needed as soon as we get a man to do the work.

Mr. Edward Leese who has been suffering with rheumatism for several weeks is able to go outdoors at present, but can not do any work yet. We are glad to hear that he is so much better.

Several sales in this valley this week and prices are way up on all stock. E. W. Wine on Tuesday, David Jones on Thursday and Howard Feeser on Saturday.

Many persons are watching the daily news on account of the situation of the Philadelphia strike, which we hope will soon be at an end. Rioting seems to be a bad way for persons to have a pleasant life and a good living.

All persons can listen to the bees, all kinds of birds, grasshoppers, etc. Several snakes have been seen and killed, which shows we have the beginning of spring, and hope it may stay pleasant. Heavy thunderstorm passed over here on Sunday eve and night but only a small sprinkle of rain.

Mr. Wesley Zepp has his engine and large sawmill and his employees are now at work upon the Everhart wood lot, sawing timber to build a large barn upon Mrs. Moul's farm, now occupied by Charles Fissel. The barn was burned down last fall. Mr. David Wentz is the contractor for carpenter work.

Mr. Geo. Everhart of near Cranberry had a pleasant party and dance on Saturday eveningg. March 5. Several persons of this vicinity were present. Some forgot to take their best friends along, but they had no trouble to find others just as good.

Mr. James Martin who was very sick is out and at work again.

Automobiles have not begun their service in this valley owing to mud.

When persons must be upon the engine to hold freight it is dangerous as many limbs of trees are over head and a rough track may dislodge engine and cars. Watch look and listen as the trolley is said to be upon the road from Balto. to Hanover. Put up your signals to prevent accidents which we hope may not occur.
